The two volumes of The Oxford Handbook of Mobile Music Studies consolidate an area of scholarly inquiry that addresses how mechanical electrical and digital technologies and their corresponding economies of scale have rendered music and sound increasingly mobile portable fungible and ubiquitous At once a marketing term a common mode of everyday life performance and an instigator of experimental aesthetics mobile music opens up a space for studying the momentous transformations in the production distribution consumption and experience of music and sound that took place between the late nineteenth and the early twenty first centuries Taken together the two volumes cover a large swath of the world the US the UK Japan Brazil Germany Turkey Mexico France China Jamaica Iraq the Philippines India Sweden and a similarly broad array of the musical and nonmusical sounds suffusing the soundscapes of mobility Volume 2 investigates the ramifications of mobile music technologies on musical sonic performance and aesthetics Two core arguments are that mobility is not the same thing as actual movement and that artistic production cannot be absolutely sundered from the performances of quotidian life The volume s chapters investigate the mobilization of frequency range by sirens and miniature speakers sound vehicles such as boom cars ice cream trucks and trains the gestural choreographies of soundwalk pieces and mundane interactions with digital media dance music practices in laptop and iPod DJing the imagery of iPod commercials production practices in Turkish political music and black popular music the aesthetics of handheld video games and chiptune music and the mobile device as a new musical instrument and resource for musical ensembles

**Books in Print** ,1981      **He Was Some Kind of a Man** Roderick McGillis,2009-05-19

He Was Some Kind of a Man Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century s most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations He Was Some Kind of a Man combines the author s childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author s discussion of George W Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies

**The Thin Green Line** Richard Doherty,2005-03-19 Formed out of the Royal Irish Constabulary at the time of Partition the RUC s history is predictably a turbulent one right through to its replacement in 2001 by the Police Service of Northern Ireland Few police forces in the world have suffered so grievously as the RUC and this book is a fitting memorial to the sacrifices made in the interests of the civil population it was determined to protect Throughout its history it has not only had to perform normal police duties but contain the ever present IRA threat In 1969 the climate changed and ushered in a new and even more violent era of sectarian strife The emergence of extreme nationalist organizations posed grave problems and

with the RUC in a prime role the position of the Chief Constable was hugely important This book tells the story of a remarkable police force without fear or favor Ironically its reward for containing a hugely challenging internal security situation and at the same time policing the community traditionally was its disbandment **The Rebellion Record: May 62-Oct. 62** Frank Moore,1868 *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces* ,1914
