Considering Doris Day Tom Santopietro, 2008-08-05 The biggest female box office attraction in Hollywood history Doris Day remains unequalled as the only entertainer who has ever triumphed in movies radio recordings and a multi year weekly television series America's favorite girl next door may have projected a wholesome image that led Oscar Levant to quip I knew Doris Day before she was a virgin but in Considering Doris Day Tom Santopietro reveals Day's underappreciated and effortless acting and singing range that ran the gamut from musicals to comedy to drama and made Day nothing short of a worldwide icon Covering the early Warner Brothers years through Day's triumphs working with artists as varied as Alfred Hitchcock and Bob Fosse Santopietro's smart and funny book deconstructs the myth of Day as America's perennial virgin and reveals why her work continues to resonate today both onscreen as pioneering independent career woman role model and off as a recipient of the Presidential Medal of Freedom the United States highest civilian honor Praised by James Cagney as my idea of a great actor and by James Garner as the Fred Astaire of comedy Doris Day became not just America's favorite girl but the number one film star in the world Yet after two weekly television series including a triumphant five year run on CBS she turned her back on show business forever Examining why Day's worldwide success in movies overshadowed the brilliant series of concept recordings she made for Columbia Records in the 50s and 60s Tom

Santopietro uncovers the unexpected facets of Day's surprisingly sexy acting and singing style that led no less an observer than John Updike to state She just glowed for me Placing Day's work within the social context of America in the second half of the twentieth century Considering Doris Day is the first book that grants Doris Day her rightful place as a singular American artist **British Film Institute Film and Television Handbook 1993** David Leafe,1992-12-01 No Marketing Blurbs ReFocus: The Films of Delmer Daves Matthew Carter,2016-05-25 From Destination Tokyo 1943 to The Battle of the Villa Fiorita 1965 Delmer Daves was responsible for a unique body of work but few filmmakers have been as critically overlooked in existing scholarly literature Often regarded as an embodiment of the self-effacing craftsmanship of classical and post-War Hollywood films such as Broken Arrow 1950 and 3 10 to Yuma 1957 reveal a filmmaker concerned with style as much as sociocultural significance As the first comprehensive study of Daves's career this collection of essays seeks to deepen our understanding of his work and also to problematize existing conceptions of him as a competent conventional and even naive studio man *The Films of Agnes Moorehead* Axel Nissen,2013-07-11 Before she achieved immortality on the long-running situation comedy Bewitched Agnes Moorehead had established a distinguished career as a character actress After her screen debut in Citizen Kane 1941 Moorehead became one of the most familiar female faces on the silver screen For moviegoers of the 1940s and 50s she was the quintessential character actress earning four Academy Award nominations during a career that saw her gain the respect of her peers in all four major entertainment media radio film theater and television In The Films of Agnes Moorehead Axel Nissen looks at the actress's sixty-three feature films between 1941 and 1973 Each film is profiled here with particular emphasis placed on the films that merit closer attention Citizen Kane The Magnificent Ambersons Mrs Parkington Dark Passage All That Heaven Allows The Left Hand of God The Swan Tempest The Bat and Hush Hush Sweet Charlotte Arranged in chronological order the discussion of these films highlights Moorehead's contribution to each feature In addition to analyzing her performances the author discusses the development of Moorehead's career as a whole along with her relationship with various studios directors producers and fellow actors Based on extensive interviews with the actress's surviving friends and co-workers as well as detailed archival research into primary sources this book brings to light new information not just about Moorehead's work in film but on her life and career in general Though this book will certainly appeal to movie buffs The Films of Agnes Moorehead will also be of interest to students and scholars of classic Hollywood films including those interested in women and film gender studies and film history Mitzi Gaynor Peter Shelley,2025-01-24 Mitzi Gaynor b September 4 1931 is an American actress singer dancer and writer As a child dancer she performed in the Los Angeles Civic Light Opera Association before being discovered by 20th Century Fox for the movies She was in a number of Fox movies and won the coveted role of Nellie Forbush in the film version of South Pacific 1958 In the 1960s she played in Las Vegas to great success She followed with a string of television specials while simultaneously performing on stage In the 2000s she toured her one-woman show entitled Razzle Dazzle My Life Behind the
