**Inventing the Performing Arts** Matthew Isaac Cohen, 2016-02-29 Indonesia with its mix of ethnic cultures cosmopolitan ethos and strong national ideology offers a useful lens for examining the intertwining of tradition and modernity in globalized Asia In Inventing the Performing Arts Matthew Isaac Cohen explores the profound change in diverse arts practices from the nineteenth century until 1949 He demonstrates that modern modes of transportation and communication not only brought the Dutch colony of Indonesia into the world economy but also stimulated the emergence of new art forms and modern attitudes to art disembedded and remoored traditions and hybridized foreign and local In the

nineteenth century access to novel forms of entertainment such as the circus and newspapers which offered a new language of representation and criticism wrought fundamental changes in theatrical musical and choreographic practices Musical drama disseminated print literature to largely illiterate audiences starting in the 1870s and spoken drama in the 1920s became a vehicle for exploring social issues Twentieth century institutions including night fairs the recording industry schools itinerant theatre churches cabarets round the world cruises and amusement parks generated new ways of making consuming and comprehending the performing arts Concerned over the loss of tradition and Eastern values elites codified folk arts established cultural preservation associations and experimented in modern stagings of ancient stories Urban nationalists excavated the past and amalgamated ethnic cultures in dramatic productions that imagined the Indonesian nation The Japanese occupation 1942 1945 was brief but significant in cultural impact plays songs and dances promoting anti imperialism Asian values and war time austerity measures were created by Indonesian intellectuals and artists in collaboration with Japanese and Korean civilian and military personnel Artists were registered playscripts censored training programs developed and a Cultural Center established Based on more than two decades of archival study in Indonesia Europe and the United States this richly detailed meticulously researched book demonstrates that traditional and modern artistic forms were created and conceived that is invented in tandem Intended as a general historical introduction to the performing arts in Indonesia it will be of great interest to students and scholars of Indonesian performance Asian traditions and modernities global arts and culture and local heritage **Canadian Theatre Review**, 1976 **Burma, Kipling and Western Music** Andrew Selth, 2016-11-03 For decades scholars have been trying to answer the question how was colonial Burma perceived in and by the Western world and how did people in countries like the United Kingdom and United States form their views This book explores how Western perceptions of Burma were influenced by the popular music of the day From the First Anglo Burmese War of 1824 6 until Burma regained its independence in 1948 more than 180 musical works with Burma related themes were written in English speaking countries in addition to the many hymns composed in and about Burma by Christian missionaries Servicemen posted to Burma added to the lexicon with marches and ditties and after 1913 most movies about Burma had their own distinctive scores Taking Rudyard Kipling's 1890 ballad Mandalay as a critical turning point this book surveys all these works with emphasis on popular songs and show tunes also looking at classical works ballet scores hymns soldiers songs sea shanties and film soundtracks It examines how they influenced Western perceptions of Burma and in turn reflected those views back to Western audiences The book sheds new light not only on the West's historical relationship with Burma and the colonial music scene but also Burma's place in the development of popular music and the rise of the global music industry In doing so it makes an original contribution to the fields of musicology and Asian Studies [To Myanmar with Love](#) Morgan Edwardson, 2009 Beyond politics little is known about Myanmar Burma Highlighting the country's great beauty and hospitality these essays are reflections on such topics as helping a community

library in New Bagan and eating breakfast with 2 700 monks in Mandalay Adventurers and armchair voyagers will discover the secrets of savvy expatriates seasoned travelers and inspired locals      **Making Meaning in Puppetry** Dassia N. Posner, Claudia Orenstein, Alissa Mello, 2025-09-09 From ice puppets to robots from intricate marionettes to abstract forms Making Meaning in Puppetry investigates the elusive and multifaceted how of how puppets make meaning in performance This engaging collection develops a vocabulary for understanding and articulating how the puppet s meaning making systems work across the book s three distinct parts Part 1 on Materiality illuminates how materials are chosen and dramaturgy is crafted into a puppet s design Part 2 on Practice investigates the interresponsive collaboration between puppet and puppeteer and Part 3 on Perception considers how spectators understand and read a puppet production The volume thus traces the full evolution of a puppet from its raw materials to its performance possibilities to the moment it comes to imagined life The seventeen chapters authored by experts in the field build bridges between puppetry and related fields such as robotics phenomenology cognitive science and queer theory while using the puppet as their primary anchor of analysis Making Meaning in Puppetry is ideal for students of theatre and performance studies theatre artists scholars and anyone who is fascinated by this rich performance form and wants to understand it more deeply      **Highlights in Anglo-American Drama** Vesna Bratić, Radmila Nastić, 2016-02-08 This volume represents perspectives on a number of aspects of modern Anglo American drama and dramatists written by scholars from ex Yugoslav republics resulting from long years of common interest and cooperation in the field between the corresponding English Departments in the region The volume was inspired by the Word across Cultures conference organised by the Institute of Foreign Languages of the University of Montenegro in Podgorica Montenegro in July 2014 The researchers who participated in the conference s literature section were testament to the growing interest in drama among regional literature scholars The book will appeal to both an academic and non academic readership The former will certainly benefit from this book since English and especially American drama is not appropriately represented by the number of published books it deserves world wide The volume provides a South East European perspective on Anglo American drama and represents a valuable addition to existing drama scholarship since all the contributors are from the ex Yugoslav republics and write from a standpoint of multiple othernesses It will also be of interest to theatre and film scholars as well as theatre and film enthusiasts because of the variety of approaches adopted in the papers      **Choice** ,1972      Catalog of Copyright Entries.
