Naden, 1994 **The Great Sioux Campaign of 1876, Day-by-Day** Frederic C. Wagner III, 2021-12-14 Drawing on more than 22 years research this book presents an exhaustive chronology of the Great Sioux Campaign in three parts the U S Seventh Cavalry's communications decisions and movements October 15 1875 June 21 1876 are traced day by day the three day prelude to the Battle of Little Bighorn hour by hour and the battle itself minute by minute The separate actions of the several military commands and the Indians involved are narrated in coherent sequence Archival intelligence summaries offer the reader fresh perspective on the events leading to the decisive Indian victory known as Custer's Last Stand *The Great People of Our Time* Dean Gualco, 2014-10-28 We read about the great people of our time to find their inspiration for a life of risk and uncertainty how they overcame the challenges of their life and why they never gave up no matter the adversity or criticism encountered We study great people because we want to learn from their stories their hardships and their triumphs We converse with great people because we want to be inspired to achieve greatness in our own lives a fact that is certainly within our grasp Greatness in contrast to what some believe is not a circumstance a person is born into Most are not born to be multimillionaires any more than others are born to be the best tennis players of their generation Those who become great are among the chosen few not solely because of their birthright or talent but because of their passion and fearlessness Great people have certain traits and characteristics that make them unique but these traits are common to most men and women In studying the great people of our time the most striking revelations were the similarities in their paths to greatness Those who become great did so because they followed their passions overcame formidable obstacles went down swinging for what they believed in and left a legacy of honor decency and goodness These are the defining characteristics of the great people of our time a remarkable story of those who led purposeful and meaningful lives that fulfilled their destiny and made the world a better place to live **Literature & the Learner** Frances S. Goforth, 1998 As a genre text not an anthology this text teaches students about literature forms and discusses ways of using literature in the classroom It is used to give students the background they need to evaluate select and use children's literature in their own teaching A database of current literature is provided with the text and will be updated annually **AB Bookman's Weekly**, 1996
