Female Railway Workers in World War II Susan Major, 2018-08-30 During World War II women took on railway roles which were completely new to females They worked as porters and guards on the permanent way and in maintenance and workshop operations In this book Susan Major features the voices of women talking about their wartime railway experiences using interviews by the Friends of the National Railway Museum Many were working in men s jobs or working with men for the first time and these interviews offer tantalising glimpses of conditions sometimes under great danger What was it about railway work that attracted them It's fascinating to contrast their voices with the way they were portrayed in official publicity campaigns and in the light of attitudes to women working in the 1940s These women talk about their difficulties in a workplace not designed for women no toilets for example the attitudes of their families what they thought about American GIs and Italian POWs how they coped with swearing and troublesome colleagues rules about stockings They describe devastating air raids and being thrust into tough responsibilities for the first time This book fills a gap as most books on women's wartime roles focus on the military services or industrial work It offers valuable insights into the perceptions and concerns of these young women As generations die out and families lose a direct connection it becomes more important to be able to share their voices with a wider audience The Great Western at War, 1939-1945 Tim Bryan, 1995 Diaries 1939 1945 Alan Brooke Alanbrooke (Viscount), Alanbrooke, 2003-06 The first complete and unexpurgated publication of the diaries of Lord Alanbrooke who during World War II was Chief of the Imperial General Staff of the British Empire and Churchill s most prominent advisor and rival Britain's Railways at War, 1939-1945 Oswald Stevens Nock, 1971 Beskriver de britiske jernbaner under 2 Verdenskrig krigstidsaktiviteter troppe og materieltransport specielle transporter m rkl gningsproblemer fjendtlige luftangreb og de hurtige reparationer efter air raid damage bombning m m The War at **Sea, 1939-1945: The defensive** Stephen Wentworth Roskill,1961 The War Seen from Britain, 1939-1945 Great Britain. The Crucible of War, 1939-1945 Brereton Greenhous, Sydney F. Wise, Canada. Department of National Defence, Canada. Royal Canadian Air Force, Stephen J. Harris, William C. Johnston, William C. Rawling, 1994-01-01 The RCAF with a total strength of 4061 officers and men on 1 September 1939 grew by the end of the war to a strength of more than 263 000 men and women This important and well illustrated new history shows how they contributed to the resolution of the most significant conflict of our time 

The Strategic Air War Against Germany, 1939-1945 British Bombing Survey Unit, 1998 At the close of the Second World War both the RAF and the United States Army Air Forces sent teams of investigators to the continent of Europe to try and assess the effectiveness of Allied strategic bombing The British Survey was originally classified and is published here for the first time By combining the original Report and an analysis of its strengths and weaknesses together with a short history of the genesis of the British Survey this work is an important contribution to the continuing historical debate over the effects of the strategic bombing offensive in the Second World War

Overy, 2020-11-24 The Air War 1939 1945 was first written in the late 1970s when there was very little academic interest in the history of air power What there was focused largely on combat The book was intended to provide a global history of the air war by looking at combat but also the broader context of technology production intelligence and leadership The book sought to address the question of why the Allies in the end won decisively the war in the air and concluded that Axis air forces were too tied to a narrow conception of air power attached to surface forces rather than air power exercised in a broader framework of air defense logistics strategic bombing and technological development The book has been assigned reading in military and air force academies for the past forty years The Air War 1939 1945 immediately and permanently altered the way that historians have
