human beings are created for happiness His insightful writings are centered on meditations about happiness and also about the deeper meaning of love and friendship Yet the Archbishop of Vienna also discusses the essential questions of faith including reflections on the Name of God as seen in Scripture on dealing with the tragedies of modern times consolation for the sorrowful and on the spiritual roots of western civilization In addition he discusses the importance of literature and how it addresses the deeper questions about life as demonstrated in his literary discussions of the works by C S Lewis Gertrud von Le Fort and William Shakespeare He shows how their works give witness to a happiness that overcomes all darkness through suffering trials and especially forgiveness     The Life of Mr. Jonathan Wild the Great.
