mid 1951 he was horseracing's first and to that point only millionaire racehorse. Following his 1948 triumphs at the Kentucky Derby, Preakness and Belmont in 1948 it would be twenty five years before another horse Secretariat would again wear the coveted Triple Crown. Citation by legendary announcer and longtime horseracing insider Phil Georgeff reveals all about the thoroughbred's remarkable career and those in his inner circle. Georgeff delves into Citation's unusual bloodline, the death of his original rider Al Snider swept out to sea while fishing off the Florida keys, Citation's stunning 1948 Triple Crown victory and the ultimate effects of the horse's excessive aggressive schedule racing on little rest after traveling cross country in sweltering vans and railroad boxcars. Based on interviews from those who knew the thoroughbred including famed jockey Eddie Arcaro and renowned son and father trainers Ben A and Jimmy Jones, Citation is more than merely the biography of a gifted horse. It is the full story of the greatest sports figure in the history of horseracing, a champion who won or placed in thirty different contests in his career and whose spirit continues to captivate the American public. **Video Source Book**, 2008

**Bibliography, 1995-1999** Richard William Cox, 2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments. The annual number of publications has increased from around 250 to 1 000 a year over the last decade. This is due in part to the fact that during the late 1980s and 90s many clubs, leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements. It is also the result of the growing popularity and realisation of the importance of sport history research within academe. This international bibliography of books, articles

conference proceedings and essays in the English language is a one stop for the sports historian to know what is new     A
