The Green felt jungle. [With plates.] Edward REID (and DEMARIS (Ovid)), Ovid Demaris, 1968 **The Green Felt Jungle** Ed Reid, Ovid Demaris, 1979 *Escape From the Green Felt Jungle* John Horvat, 2020-11-24 John Horvat dealer of games to dealer of fortunes John a struggling twenty one dealer becomes a multimillionaire and says I guarantee that you can do it too if you apply my formula to your life and use a dog eared copy of this book to keep your dream alive His motivation has nothing to do with personal gain It has to do with passing to you what he s been privileged to learn He says It s my duty as a Christian He struggled through different jobs served a tour in the military failed in small businesses has a bad marriage and worked for a few years as a twenty one dealer John fought his way out of the green felt jungle and shares his escape route with you Escape from the Green Felt Jungle John Horvat, 1999-09-01 Green felt jungle: The story of People v. Collins George Fisher, *Devil's Bargains* Hal Rothman, 1998 The West is popularly perceived as America s last outpost of unfettered opportunity but twentieth century corporate tourism has transformed it into America s land of opportunism From Sun Valley to Santa Fe towns throughout the West have been turned over to outsiders and not just to those who visit and move on but to those who stay and control Although tourism has been a blessing for many bringing economic and cultural prosperity to communities without obvious means of support or allowing towns on the brink of extinction to renew themselves the costs on more intangible levels may be said to outweigh the benefits and be a devil s bargain in the making Hal Rothman examines the effect of twentieth century tourism on the West and exposes that industry s darker side He tells how tourism evolved from Grand Canyon rail trips to Sun Valley ski weekends and Disneyland vacations and how the post World War II boom in air travel and luxury hotels capitalized on a surge in discretionary income for many Americans combined with newfound leisure time From major destinations like Las Vegas to revitalized towns like Aspen and Moab Rothman reveals how the introduction of tourism into a community may seem innocuous but residents gradually realize as they seek to preserve the authenticity of their communities that decision making power has subtly shifted from the community itself to the newly arrived corporate financiers And because tourism often results in a redistribution of wealth and power to outsiders observes Rothman it represents a new form of colonialism for the region By depicting the nature of tourism in the American West through true stories of places and individuals that have felt its grasp Rothman doesn t just document the effects of tourism but provides us with an enlightened explanation of the shape these changes take Deftly balancing historical perspective with an eye for what s happening in the region right now his book sets new standards for the study of tourism and is one that no citizen of the West whose life is touched by that industry can afford to ignore **Catalog of Copyright Entries. that would be lost forever if not memorialized The Dunes operation was a spectrum of information that is intricate and mysterious at times protected by a shroud of secrecy and intrigue that is virtually impossible to decipher It featured different operators and Mob characters who at various times in the history of the hotel were involved in various ventures including gambling bookmaking real estate investment and many other business arrangements There are more than 390 footnotes and an index I have been working on this book for almost four years which included many hours of research and the development of a timeline My research helped bring forth answers to questions regarding notable gambling operators Mafia chiefs U S Senators Governors and memorable events One such event solves a mystery of a bomb assassination plot and a shooting politicians were compromised Hoffa pulled strings and there are heretofore undisclosed facts that involve President Kennedy s assassination I never dreamed these details would ever be uncovered

Beyond The Mafia Alan Balboni, 2006-09-01 When *Beyond the Mafia* first appeared in 1996 it was hailed as a significant contribution to the history of Las Vegas and of ethnic minorities in America Author Alan Balboni traces the history of Italians in Las Vegas from the founding of the city in 1905 recording their activities in the fledgling settlement As Las Vegas grew Italian Americans participated in every aspect of the city s society and economy including

construction retail establishments hotels and after the statewide legalization of gambling in 1931 the casino industry Basing his research on well over a hundred interviews as well as the records of Italian American organizations public agencies and other sources Balboni has produced a sparkling and thoroughly documented account of the history of one of Las Vegas s most progressive and productive ethnic minorities This new paperback edition includes an afterword by the author that brings the story of Las Vegas s Italian Americans up to the present *NASA, Nazis & JFK* Kenn Thomas, William Torbitt, 1996 In 1970 a photocopied manuscript began circulating among conspiracy researchers entitled *Nomenclature of an Assassination Cabal* by William Torbitt a pseudonym The Torbitt Document was a damning expose of J Edgar Hoover Lyndon Johnson John Connally and Werner von Braun among many others for their role in the assassination of President John F Kennedy This first published edition of the Torbitt Document emphasizes what the manuscript says about the link between Operation Paperclip Nazi scientists working for NASA the Defence Industrial Security Command DISC the assassination of JFK and the secret Nevada air base known as Area 51 The Torbitt Document illuminates the darker side of NASA the Military Industrial Complex and the connections to Mercury Nevada and the Area 51 complex which headquarters the secret space programme **Resort City In The Sunbelt, Second Edition** Eugene P. Moehring, 2016-10-01 Resort City in the Sunbelt is a non sensationalistic scholarly account of Las Vegas from the building of the Hoover Dam to the construction of the MGM Grand Hotel Historian Eugene Moehring provides a balanced view of the city s urban development Although a unique city in many ways Las Vegas has displayed characteristics common to other sunbelt cities across the western United States including underfunded social services low density urbanization with a heavy reliance upon automobiles a sluggish response to problems within minority communities a preference for efficient business like government and a mania for low taxes The gaming and resort aspects are fully considered but Moehring emphasizes the city as part of the continually expanding sunbelt From this important study historians will conclude that despite some of its unusual traits Las Vegas is much like other western cities and therefore deserves recognition as one of the fastest growing centers in postwar America In a new and expanded epilogue to this edition Moehring looks at the major events of the three decades leading up to 2000 and their underpinnings **Bugsy's Shadow** Larry D. Gragg, 2023-10-01 The story of Moe Sedway the eponymous shadow to Benjamin Bugsy Siegel from his days as Bugsy s right hand associate to his suspected role in Bugsy s unsolved disappearance and the role Sedway played in the creation of modern Las Vegas Early in the Prohibition era Moe Sedway became part of the New York organized crime gang led by Meyer Lansky and Benjamin Bugsy Siegel A loyal and highly effective operative for Siegel Sedway eventually gained monopoly control of the race wire service in Las Vegas and also became an effective casino manager of the Las Vegas Club El Cortez and the Rex Club A breach in their relationship led to rumors that Sedway had gained Lansky s approval for a hit on Siegel The unsolved mystery of who murdered Bugsy in 1947 has spawned numerous theories about the identity of the hitman but regardless of who pulled the trigger Bugsy s death opened the way for Moe to
