of the one true God and his son Jesus Christ The Sword and the trowel; ed. by C.H. Spurgeon London metrop. tabernacle,1867 **An Informed Faith** R. J. Rushdoony,2017-07-11 Our faith should be an informed one because the God who created all things speaks to every sphere of life and all facts should be studied in light of the revelation of God in Scripture This is the foundation of Christian dominion For R J Rushdoony true government was the self government of the Christian life in terms of God s law so he wrote his position papers to better equip Christians to apply their faith to all of life His objective was not to empower the state or the organized church but rather to call every person and institution to God s Word which often put him at odds with both church and state This three volume collection of his position papers 1979 2000 are organized topically and are featured for the first time with an extensive index which will make this material far more accessible to the studious reader This beautiful three volume collection of hardback books topically organizes ALL of Rushdoony s position papers not only the 115 originally published in *Roots of Reconstruction* but also 118 later essays including six recently discovered unpublished papers *A Commentary, Critical, Experimental, and Practical on the Old and New Testaments* Robert Jamieson (D.D.),1863 **Pillar of Fire** ,1917 An American Commentary on the New Testament Alvah Hovey,1889 *A Commentary, Critical, Practical and Explanatory, on the Old and New Testaments* Robert Jamieson,1882
