CHRISTIAN MISSION. ALAN. NEELY, 2020 Sexual Misconduct in Counseling and Ministry Peter T. Mosgofian MA, George W. Ohlschlager MSW, JD, 2009-05-01 Sexual misconduct by ministers and other Christian professionals has reached epidemic proportions One major church insurer has handled over 1 200 cases in the past eight years many involving child sexual abuse often with multiple victims How should the church respond when Christian counselors cross sexual boundaries What should be done when the healer wounds What is the church s responsibility both to misbehaving professionals and to their victims Combining their extensive counseling experience and legal expertise the authors of this volume offer a well written practical book loaded with the thorny issues of sexual exploitation by religious professionals Here is tested wisdom that can help oA recovery strategy for victims oProactive ways to safeguard against improper sexual behavior oScreening and early intervention strategies oRestoring fallen ministers and church leaders oDealing with homosexual misbehavior seductive clients recovered memories and false allegations oAssessing legal consequences of your policies The wise counsel in this timely book can help us find remedies for a growing problem that threatens the Christian church Counseling and Community Rod Wilson, 2003-04 Traditionally counseling has focused primarily on the individual overlooking the interaction between the community and the individual Wilson has created a biblically based counseling model that anchors the individual within the community The result is a perspective that encompasses all aspects of a person s life where the community becomes a helper in the counseling process The thesis of this book is tied to the assumption that we need a counseling approach that is community oriented rather than exclusively focused on the individual When this is the case we will be able to appreciate the biblical emphasis on the people of God While he prizes a relationship with individuals God s heart is with a body a fellowship a community Both pastors and private counselors need to reaffirm the priority of community and its power in the healing process Rod Wilson PhD York University is President and Professor of Counselling and Psychology at Regent College in Vancouver B C Canada He is also the author of *Exploring Your Anger and Helping Angry People* **Leading a Church in a Time of Sexual Questioning** Bruce B. A Word for the Church Jeff Mills, MDiv, 2023-04-27 This book was written for both the new churchgoer and the senior churchgoer It begins with a history of the church and leads into how the church leadership of today operates This book was written to show that there is no such thing as a perfect church but there is a church that should be striving toward perfection This book allows its readers to test their church to ensure that sound Christian doctrine is being taught and put to the test As stated earlier there is no perfect church every church has issues that must be dealt with and this book covers many of those issues through a firsthand account and gives actions that can help eliminate these troublesome areas It also deals with what a healthy church looks like and how to get to that point As the church body our greatest job is to share the good news of Jesus with everyone that we can This book includes a chapter on evangelism and easy methods that can be used by individuals and the church as a whole In summary this book is about the history of the church and what God intended the church to be and how many times we fall short The good news is that there is hope for our churches today we just need our members to be on fire for Jesus and become servant hearted workers in the church
