W. Findon, 2015-07-02 Excerpt from *Sir Arthur Sullivan His Life and Music* In this book I have tried to give as just a view of Sullivan's life and work as it is possible for one who loved him as a kinsman and appreciated his sterling qualities as a friend and composer Many of these pages reflect the spirit of numerous conversations and his opinions on matters which he would not openly discuss in his lifetime I have touched only on such controversial subjects as justice demands and have avoided as far as possible the personal note My chief aim has been to produce a handy little volume which shall be useful alike to the student and the musical amateur About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of
