## **Sirena Selena Vestida De Pena:**

Sirena Selena Mayra Santos-Febres, 2007-04-01 From the author of *Urban Oracles* comes Mayra Santos Febres's *Sirena Selena* somewhere between *The Blue Angel* and *Kiss of the Spider Woman* rises the legend of Sirena Selena the diva siren of the Caribbean whose boleros seduce and torment whoever dares listen Discovered by Martha Divine in the backstreets of San Juan picking over garbage drugged out of his mind and singing boleros that transfix the listener a fifteen year old hustler is transformed into Sirena Selena a diva whose uncanny beauty and irresistible voice will be their ticket to fame and fortune Auditioning for one of the luxury hotels in the Dominican Republic Selena casts her spell over Hugo Graubel one of the hotel's rich investors Graubel is a powerful man in the Republic married with children Silena determined to escape the poverty and abuse she suffered as a child engages Graubel in a long seduction in this mordant intensely lyrical tragicomedy part masque part cabaret about identity class race gender and the hunger and desire to be other things **Sirena Selena vestida de**

**pena** Mayra Santos-Febres, 2008 *Sirena Selena vestida de pena* Syren Selena dressed in sorrow might be a fair translation tells the story of Leocadio formerly a drug addicted child owner of an extraordinary bolero singing voice rescued from the streets of Puerto Rico and transformed by his rescuer Martha Divine into Sirena Selena a mesmerizing transvestite singer entertainer both characters setting their respective hopes in making a fortune to escape a haphazard life The main character represents the enigma of seduction beautiful and monstrous in an opposition between Truth and Reality To her rescuer the child must become who she really is because the only way she will be able to harmonize his her interior and exterior self is by being reborn as the diva Ironically truth and harmony stem from the bifurcated nature of a mythical figure half human half monster unstoppable in its seduction The tragic aspect arises from Sirena Selena's awareness that his her attraction resides equally in the awesome perfection of her presence and in the knowledge that it is merely a performance The fluent and musical Spanish prose of *Sirena Selena* constitutes a rare reading pleasure both for the casual reader as well as the literary critique who will find in the identity creating protectress a twin soul in the process of concealing desires under layers of quotes and counter quotes In this edition the foreword by prof Debra A Castillo discloses these clever mechanisms while her footnotes help readers to enjoy this intelligent and intrinsically poetic text *Sirena Selena vestida de pena* Mayra Santos-Febres, 2011

*Encanto o espanto?* Kristian van Haesendonck, 2008 *¿Encanto o espanto? A la teoría psicoanalítica sobre la abyección en los discursos recientes sobre la identidad nacional y la lectura detenida de tres novelas puertorriqueas contemporáneas para urdir un nuevo acercamiento a la teoría poscolonial* *Resistant Bodies in the Cultural Productions of Transnational Hispanic Caribbean Women* Irune del Río Gabiola, 2016-12-27 *Resistant Bodies in the Cultural Productions of Transnational Hispanic Caribbean Women* Reimagining Queer Identity examines the art created by several Caribbean women who use literature film graphic novels music testimonios photographs etc to convey social justice democracy and new ways of reimagining marginal identities In using Chela Sandoval's theories on methodologies of the oppressed Irune del Río Gabiola

argues how the tactics Sandoval offers can be productively applied to the cultural productions analyzed. The author explores how the protagonists of all the cultural productions this book focuses on developing tactics to create new possibilities and alternatives for self-fashioning. Particularly del Río Gabiola reconsiders concepts such as shame, failure, unbecoming, hermeneutics of love or flexible bodies as methodologies of the oppressed that propose decolonizing emancipatory techniques in a transnational arena.

Into the Mainstream Jorge Feblés, 2009-03-26. *Into the Mainstream: Essays on Spanish American and Latino Literature and Culture* is a direct outgrowth of Jorge Feblés's involvement with the annual conference of the American Culture Association and the Popular Culture Association. In that sense, the compilation expands on a project initiated in 1993 by Helen Ryan Ransom with her book *Imagination: Emblems and Expressions: Essays on Latin American Caribbean and Continental Culture and Identity*. Bowling Green, Ohio: Bowling Green State University Popular Press, 1993. David William Foster, who penned a lengthy preface to that collection, justified its intent by underscoring the very fact that our approach to culture is dominated by categories based on high academic institutionalized phenomena, posing from the very outset the question of how to deal with all those other cultural manifestations that do not comfortably assimilate to the accepted canon. Ryan Ransom: 3. The past fourteen years, however, have witnessed a radical transformation of that so-called canon due to the widespread acceptance of ideas espoused by cultural theorists like García Canclini, Homi Bhabha, Said, Stuart Hall, Benhabib, Bourdieu, and countless others. Therefore, the ambivalence regarding what constitutes culture identified by Foster is inoperative nowadays to a substantial degree. In fact, a fundamental component of the postmodern outlook resides in the ability to blend comfortably the high and the low, the elitist and the popular realms of production in a multiplicity of textual artifacts, creative as well as critical in nature. Hence, the essays that conform *Into the Mainstream* do not question barriers anymore, nor do they expound on the need to assign a discursive intellectual space to matters pertaining to popular culture. Thus, this collection espouses an inclusive approach in which a variety of analytical approaches coalesce to reflect on an equally kaleidoscopic textuality. Pursuant to its comprehensive nature, *Into the Mainstream* airs established as well as developing critical voices so as to reflect both ideological continuity and evolving viewpoints. Scholars who have compiled strong academic records like Hortensia Morell, Raquel Rivas Rojas, Elsa Gilmore, David Petreman, and Benjamin Torres Caballero share a venue with younger critics like Corey Shouse, Tourino Roberto Vela, Crdova Stacy Hoult, Eduardo del Río, Bruce Campbell, Laura Redruello, Dinora Cardoso, and April Marshall, as well as with two graduate students about to complete their academic preparation: Nuria Ibáñez Quintana and María Teresa Vera Rojas. The result is an eclectic compilation meant to elicit discussion on the basis of its variety. *Into the Mainstream's* primordial objective is to place these provocative essays, which are expanded versions of papers presented during the annual gathering of the American Culture Association and the Popular Culture Association in the period 2002-2005, along with the numerous subjects they treat in the academic mainstream where they rightfully belong.

**Coming of Age in the Afro-Latin American Novel** Bonnie S. Wasserman, 2022 This book is the first study of recent coming of age novels from Brazil and the Spanish speaking Caribbean I investigate the divide in Afro Latin American research that usually favors either Hispanic America or Brazil but not both I argue that contemporary novelists have adapted the coming of age novel to explore central themes in the Afro Latin American experience such as Blackness African religions and folkloric traditions and immigration While there is no firm consensus on the term Blackness scholars typically use the term to describe the social cultural and historical experience of Afro descendants in the diaspora The Afro Latin American bildungsromans examined in this study include a number of religions such as Catholicism Spiritism and syncretic folk religions as well as Santería and Umbanda reflecting the variety of beliefs in Latin America I have found that young people turn to religions and spiritual traditions in time of need Going on a journey as part of one s personal development is one of the central themes of many bildungsroman and this pertains too in Afro Latin American novels Caribbean characters are depicted as immigrating to the United States whereas few Brazilians have enough resources to travel to North America and instead move to larger cities within their own country

**Out of Bounds** Dara E. Goldman, 2008 Out of Bounds teases out the intricacies of a territorial conception of nationhood in the context of a global reorganization that ostensibly renders historical boundaries irrelevant Hispanic Caribbean writers have traditionally pointed toward the supposed perfect equivalence of island and nation and have explained local culture as a direct consequence of that equation The major social political and demographic shifts of the twentieth century increasingly call this equation into question yet authors continue to assert its existence and its centrality in the evolution of Caribbean identity The author contends that traditional forms of identification have not been eviscerated by globalization instead they have persisted and in some cases have been intensified by recent geopolitical shifts Out of Bounds underscores the ongoing role of the nation as the site of

identity formation In this manner the book presents Hispanic Caribbean cultural production as a case study that acutely dramatizes the paradoxical status of traditional demarcations of self definition in an increasingly globalized context "This Shipwreck of Fragments" Li-Chun Hsiao,2009-10-02 In the light of and in response to the popular perception of the Caribbean as an epitome of cultural hybridity and improvisation this book seeks to further examine Caribbean cultural identities along the lines of race class nationalism and history Drawing on a variety of genres of literature and popular music the present volume includes not only essays that stress the shaping and reshaping of Afro Caribbean cultural identities and the significance of hybridization but also those that think against the grain and pursue questions which have not received enough critical attention This latter task can be seen in the attempt to probe the phenomenon that the Caribbean s image as a tropical getaway in metropolitan popular imaginations tends to eclipse its troubled pasts traumatic memories and current and recurrent problems which elude the rhetoric of cultural hybridity presupposing instead a certain non conflictual diversity or racial equality in the relatively innocuous realm of culture Although nuanced among themselves on certain issues the individual chapters together highlight a body of work which is distinct from the bulk of Anglo American academic productions on the Caribbean as the majority of the textual and cultural materials treated here come from either the Hispanic or Francophone Caribbean
