Sisters Single And Sanctified:

Sisters Single and Sanctified Pamela Mercer, 2003-12 Selfishly unselfish I found myself coming home each morning and writing something to a number of spiritual friends and e mail partners to inspire Each day I found myself calling on God and responding to a word responding to a prayer and responding to my personal supplication to be more pleasing to God I wanted to be a vessel of peace of love of tolerance and of patience What power to share a word and have someone replay with absolute emotion Respond that they have been fed they have been blessed or they have been encouraged *Sisters Single and Sanctified* was a project that started just that way as a method of encouraging others Several months and many pages later the completed work began to manifest as something that I wanted to share with an audience wider than my internet partners Each time I began a new page it was a blessing to take a piece of my own reality something that was shared with me as a minister to glorify God and to testify that life has many positive avenues I chose the road to spiritual thinking and spiritual living I made every effort to expand and expound in that very area in the pages of this book I have found many blessings in the writings and hope that the reader can do the same Inspired by a desire to be pleasing to God and to help others find an avenue or a channel to be as pleasing to God I wrote and completed *Sisters Single and Sanctified*
