Sisters Of The Circle One Woman's Journey To Wholeness:

Sisters of the Circle Carol Haefner, 2003 Chronicles the triumphant journey of the power of love courage and community over fear shame and isolation **Healing and Hope** Betty Ford, 2004-11-02 A moving account of six former alcoholics and Betty Ford graduates among them a teacher a housewife and a gang member with commentary from Ford herself Self There was a lot of drinking and codependence in my extended family Sitting in my jail cell I thought about how many funerals I had attended over the years of family members whose lives had ended in violence or suicide I never once heard of them getting help There was never any mention of AA The only way out of their terrible lives was just to die It was one hell of a legacy Laurette Laurette's story is remarkable but she's not alone She is one of six women in *Healing and Hope* who experienced the pain and devastation of addiction and managed to break free Originally brought together by the Betty Ford Center's twentieth anniversary reunion these women share their poignant stories in this book Their combined voices create a groundbreaking and ultimately triumphant memoir that lays bare the destructive power of addiction **A**

JOURNEY TOWARDS WHOLENESS Gloria Blase Theodore, 2022-02-19 From the day of our birth to the day we leave this earth we are all on a journey toward wholeness My experiences with God began in my preteen and teen years of being abused It was during that time that I met a very special man His name is Jesus Christ to whom I surrender all Read to discover the many ways God has proven His presence His love His protection His provisions His forgiveness His mercy and His constant unconditional love which can happen to you too *Never Perfect Always Blessed* Lesley-Ann

Forbes, 2021-07-27 *Never Perfect Always Blessed* recounts one woman's journey to wholeness Revealing intimate and empowering insights on the author's teen pregnancy the challenges she faced as she raised her son without his father and her journey to self awareness self love and genuine happiness Running throughout the narrative is a deep felt belief in the opportunity that our life experiences offer growth and gifts from God Created at the onset of her mother's diagnosis with Alzheimer's these autobiographical tales honour her mother and her mother's contribution to her life journey At the same time the stories demonstrate the influence of family culture friends and spiritual awareness Written with passion and authenticity this memoir provides hope for anyone who suffers from a lack of self worth rejection depression or sadness It offers the assurance that current circumstances however difficult or dark don't have to determine the future We are all worthy and valuable and can create the lives that we want just as Lesley Ann did This narrative will especially appeal to single mothers who can often feel alone tired insecure and stigmatized Lesley Ann has been there and she speaks directly to those women giving hope warmth and acceptance **Just a Sister Away** Renita J. Weems, 1988 Weems has created a

milestone in women's literature a book that sheds light on the relationships of biblical women in new and meaningful ways that connect women across class culture race and time *The Bridge to Wholeness* Jean Benedict Raffa, 1992 *Women, Ritual, and Power* Elizabeth Ursic, 2014-09-30 Many Christians do not know the Bible contains female images of God because

they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy *Forthcoming Books* Rose Arny,2003-04 **Liberating**

Eschatology Letty M. Russell,Margaret A. Farley,Serene Jones,1999-01-01 This volume addresses a theme long essential to feminist and liberationist theology in what can we hope and what role should hope play in our actions and our lives It provides a constructive set of proposals and fills a crucial gap in theological resources as well known contributors address the theme from their different contexts and fields The Person Inside Myra H. Doyle,2024-05-16 It s human nature to want

and expect to be loved and accepted God made us that way Because God loves us and accepts us we expect family and friends to feel the same way That doesn t always happen not even in Christian homes We are spirit and we have a soul and we live in a body There is a uniqueness that God places in each one of us It is what makes us different from one another Our innateness is created by God That is what is inside the person Abuse can cloud and even destroy the person inside Nothing is more personal than abuse It is an intentional direct attack on the personhood of an individual It is the canceling the erasing of the naturalness of a person The abuser is committing a do over on the child or spouse or whomever whether it be physical sexual or psychological abuse I am a delivered and healed survivor of child abuse I received deliverance and inner healing from Jesus Christ He has set the person inside free to be who he created me to be And he can do the same for you My hope is that everyone be delivered from their past and healed of their wounds **She Is Everywhere! Volume 3** Mary

Saracino,Mary Beth Moser,2012 *She Is Everywhere Volume 3* presents a bold brave and beautiful compilation of womanist feminist essays poems and artwork showcasing work from an international community of women and men who honor the Sacred Female The fifty contributors in this anthology scholars creative writers and visual artists share their vision for a world that reclaims the inviolability of the Divine Female in all Her many and varied manifestations *She Is Everywhere Volume 3* is the latest edition of a leading edge series which like its predecessors offers an invaluable contribution to women s spirituality religion philosophy and women s studies The contemporary voices contained within its pages echo an ancient clarion call to embrace the values of justice with compassion equality for all people and transformation We have a calling in this world namely to prevent the destruction from continuing Claudia von Werlhof I am in the presence of a divine Mother and She is fulfilling a deep longing inside of me Nicole Margiasso Tran She was I am my daughter is because we are all Her Ettoyle McKee Just as dark matter mother in space shapes galaxies and holds them together we are shaped and held by the African Dark Mother who has given us Her life force and resides in the very depths of our being where the macrocosm is
