A Polish Woman's Experience in World War

II Irena Protassewicz,2019-02-07 This hitherto unpublished first hand witness account written in 1968 9 tells the story of a privileged Polish woman whose life was torn apart by the outbreak of the Second World War and Soviet occupation The account has been translated into English from the original Polish and interwoven with letters and depositions and is supplemented with commentary and notes for invaluable historical context Irena Protassewicz's vivid account begins with the Russian Revolution followed by a rare insight into the life and mores of the landed gentry of northeastern Poland between the wars a rural idyll which was to be shattered forever by the coming of the Second World War Deported in a cattle truck to

Siberia and sentenced to a future of forced labour Irena's fortunes were to change dramatically after Hitler's attack on Russia. She charts the adventure and horror of life as a military nurse with the Polish Army on a journey that would take her from the wastes of Soviet Central Asia through the Middle East to an unlikely ending in the highlands of Scotland. The story concludes with Irena's search to discover the wartime and post-war fate of her family and friends on both sides of the Iron Curtain and the challenges of life as a refugee in Britain. *A Polish Woman's Experience in World War II* provides a compelling personal route into understanding how the greatest conflict of the 20th century transformed the lives of the individuals who lived through it.

D-Day Stephen E. Ambrose, 2013-04-23 Stephen E. Ambrose's *D-Day* is the definitive history of World War II's most pivotal battle, a day that changed the course of history. *D-Day* is the epic story of men at the most demanding moment of their lives when the horrors, complexities, and triumphs of life are laid bare. Distinguished historian Stephen E. Ambrose portrays the faces of courage and heroism, fear and determination, what Eisenhower called the fury of an aroused democracy that shaped the victory of the citizen soldiers whom Hitler had disparaged. Drawing on more than 1,400 interviews with American, British, Canadian, French, and German veterans, Ambrose reveals how the original plans for the invasion had to be abandoned and how enlisted men and junior officers acted on their own initiative when they realized that nothing was as they were told it would be. The action begins at midnight June 5/6 when the first British and American airborne troops jumped into France. It ends at midnight June 6/7. Focusing on those pivotal twenty-four hours, it moves from the level of Supreme Commander to that of a French child, from General Omar Bradley to an American paratrooper, from Field Marshal Montgomery to a German sergeant. Ambrose's *D-Day* is the finest account of one of our history's most important days.

Access to History for the IB Diploma: The Second World War and the Americas 1933-1945 Second Edition John Wright, 2016-05-31 A new edition for HL Option 2 History of the Americas Topic 13 The Second World War and the Americas 1933-1945. This second edition provides reliable, clear, and in-depth content from topic experts. Analysis of the historiography surrounding key debates. Dedicated exam practice with model answers and practice questions. TOK support and Historical Investigation questions to help with all aspects of the Diploma.

D-Day Jonathan Mayo, 2014-05-27 Trade paperback edition statement appears in the hardcover edition.

The Library Journal, 1994 Includes beginning Sept 15 1954 and on the 15th of each month Sept-May a special section. School library journal ISSN 0000-0035 called Junior Libraries 1954-May 1961. Also issued separately.

Omar Bradley Jim DeFelice, 2014-09-09 The First In-Depth Biography of America's Last Five Star General. He was known as the G.I. General, humble, self-effacing, hard-working, reflecting the small-town virtues of the America whose uniform he wore. But those very virtues have led historians to neglect General Omar Bradley until now. Bestselling author Jim DeFelice in this the first ever in-depth biography of America's last five star general.

tells Bradley's full story and argues that the neglected G I General did more than any other to defeat Hitler in World War II. While General George S. Patton has garnered much of the glory, General Dwight David Eisenhower has claimed much of the world's respect, and British General Bernard Montgomery has kept the Union Jack flying, as DeFelice proves it was the unassuming Bradley who actually developed the strategy and the tactics that won the war in Europe. Meticulously researched using previously untapped documents and unpublished diaries and notes, Omar Bradley: General at War reveals why Bradley, not Patton, deserves most of the credit for America's victories in North Africa. How Bradley, first Patton's subordinate, then his superior, was one of Patton's great defenders while also recognizing his weaknesses and tried to cover up the infamous slapping incident. How Eisenhower panicked when Bradley didn't during the early stages of the Battle of the Bulge, delaying an American counterattack that could have saved thousands of lives. Why Bradley was a radical innovator in the use of combined air, armor, and infantry power. How Bradley, contrary to those who like to portray him as a staid counterpart to Patton, was one of the most ardent practitioners of fast-moving offensives. Why Bradley expected the Germans might use radiological weapons at Normandy. Provocative, thorough, original. Jim DeFelice's Omar Bradley: General at War deserves a place on the shelf of every reader of World War II history. **Library Journal**, 1997 **Words on Cassette**, 2000 *Fortitudine*, 1990 Catalogue of the Library of the Parliament of Ontario Ontario. Legislative Library, 1881 Words on Cassette, 1999 Bowker Editorial Staff, Staff Bowker R. R., Bowker, 1999-02

Whispering the Techniques of Language: An Psychological Journey through **Six Armies In Normandy Library Edition**

In a digitally-driven earth where monitors reign supreme and instant connection drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within words usually move unheard. However, situated within the pages of **Six Armies In Normandy Library Edition** a interesting literary treasure pulsating with natural thoughts, lies an exceptional quest waiting to be undertaken. Penned by an experienced wordsmith, that enchanting opus encourages visitors on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within the very cloth of every word. Within the mental depths with this moving evaluation, we will embark upon a heartfelt exploration of the book is key themes, dissect its charming writing type, and succumb to the strong resonance it evokes serious within the recesses of readers hearts.
