Here, Now, With You Gregg Louis Taylor, 2019-02-19 In *Here Now with You* Gregg Louis Taylor invites the reader to pay attention to six ways of experiencing God's animating movement of compassion Grounded in the real life context of experience and the encouragement of relatable stories plus providing an interactive process for meaningful conversations reflection and application two questions shape the book's content 1 What every day experiences open the door to compassion's movement in our lives 2 How do we recognize and embrace such encounters to cultivate rich expressions of compassionating lives and leadership By learning to be compassionate just as God is we become more authentically connected to one another and expand our awareness of the God who is always here If you find yourself stymied by a spirituality gone stale mired down from going through religious motions and yet suspect there is much more this book is for you If you are a church leader who wants to cultivate a wildly welcoming compassionate space of grace in which anyone connected to or touched by your community feels accepted and loved *Here Now with You* is written with you in mind
