Copyright Office, 1954 The Jung-Kirsch Letters Ann Conrad Lammers, 2016-02-22 This book charts Carl Gustav Jung s 33 year 1928 61 correspondence with James Kirsch adding depth and complexity to the previously published record of the early Jungian movement Kirsch was a German Jewish psychiatrist a first generation follower of Jung who founded Jungian communities in Berlin Tel Aviv London and Los Angeles Their letters tell of heroic survival brilliant creativity and the building of generative institutions but these themes are darkened by personal and collective shadows The Nazi era looms over the first half of the book shaping the story in ways that were fateful not only for Kirsch and his career but also for Jung and his Kirsch trained with Jung and acted as a tutor in Jewish psychology and culture to him In 1934 fearing that anti Semitism had seized his teacher Kirsch challenged Jung to explain some of his publications for the Nazi dominated Medical Society for Psychotherapy Jung s answer convinced Kirsch of his sincerity and from then on Kirsch defended him fiercely against any allegation of anti Semitism We also witness Kirsch s lifelong struggle with states of

archetypal possession his identification with the interior God image on the one hand and with unconscious feminine aspects of his psyche on the other These complexes were expressed for Kirsch in physical symptoms and emotional dilemmas and they led him into clinical boundary violations which were costly to his analysands his family and himself The text of these historical documents is translated with great attention to style and accuracy and generous editorial scaffolding gives glimpses into the writers world Four appendices are included two essays by Kirsch a series of letters between Hilde Kirsch and Jung and a brief incisive essay on the Medical Society for Psychotherapy This revised edition includes primary material that was unavailable when the book was first published as well as updated footnotes and minor corrections to the translated letters
