Sixteen Cowries Yoruba Divination From Africa To The New World:

Sixteen Cowries William W. Bascom, 1980-05-22 a landmark in research of African oral traditions African Arts a significant contribution to the understanding of Yoruba religious belief magic and art Journal of Religion in Africa Yoruba texts and English translations of a divination system that originated in Nigeria and is widely practiced today by male and female diviners in the diaspora A landmark edition **Santeria from Africa to the New World** George

Brandon, 1997-03-22 On his own terms Brandon more than fulfills his promise to take the reader on the transatlantic journey of the orisha and to explore the complexities of African memory in the diaspora American Historical Review He adeptly addresses broader issues such as power relations within Caribbean slavery multiculturalism and the forms of religious accommodation to cultural change In addition he offers a fresh and cogent assessment of the production and reproduction of African beliefs and practices in new contexts Brandon's exemplary archival research is supplemented by skillful participant observation Choice The Yoruba religious tradition arose in West Africa but its influence has spread beyond Africa to millions of adherents in the Americas as well Santeria from Africa to the New World retraces one path taken by this tradition a path from Africa to Cuba and to New York City George Brandon examines the religion's transatlantic route through Cuban Santeria Puerto Rican Espiritismo and Black Nationalism In following the historical and anthropological evolution of the Yoruba religion Brandon discusses broader questions of power multiculturalism cultural change and the production and reproduction of African retentions Cowrie Shells and Cowrie Money Bin Yang, 2018-12-07 Originating in the sea

especially in the waters surrounding the low lying islands of the Maldives *Cypraea moneta* sometimes confused with *Cypraea annulus* was transported to various parts of Afro Eurasia in the prehistoric era and in many cases it was gradually transformed into a form of money in various societies for a long span of time Yang provides a global examination of cowrie money within and beyond Afro Eurasia from the archaeological period to the early twentieth century By focusing on cowrie money in Indian Chinese Southeast Asian and West African societies and shell money in Pacific and North American societies Yang synthesises and illustrates the economic and cultural connections networks and interactions over a longue dur e and in a cross regional context Analysing locally varied experiences of cowrie money from a global perspective Yang argued that cowrie money was the first global money that shaped Afro Eurasian societies both individually and collectively He proposes a paradigm of the cowrie money world that engages local regional transregional and global themes *Our Mothers, Our Powers, Our Texts* Teresa N. Washington, 2015-12-23 Blazes a new trail in Africana literary criticism by providing an insight

into the soul and spirit of Africana womanhood Anthonia Kalu The Ohio State University author of *Women Literature and Development in Africa* This is the revised and expanded edition of Teresa N Washington's groundbreaking book *Our Mothers Our Powers Our Texts Manifestations of Aje in Africana Literature* In Yoruba language and culture Aje signifies both a phenomenal spiritual power and the human beings who exercise that power Aje is the birthright of Africana women who are

revered as the Gods of Society While Africana men can have Aje its owners and controllers are Africana women Because it is an African female power and due to its invisibility ubiquity and profundity Aje is often maligned as witchcraft However as Teresa N Washington reveals in *Our Mothers Our Powers Our Texts* Aje is central to the Yoruba ethos worldview and cosmology Not only is it essential to human creation and artistic creativity but as a force of justice and retribution Aje is vital to social harmony and balance Washington analyzes forms figures and forces of Aje in the Yoruba world in the Caribbean Islands in Latin America and in African America Washington's research reveals that with the exile and enslavement of millions of Africans Aje became a global force and an essential ally in organizing insurrections soothing shattered souls and reminding the dispossessed of their inherent divinity From her in depth exploration of Aje in Pan African history and orature Washington guides readers through rich analyses of the symbolic methodological and spiritual manifestations of Aje that are central to important works by Africana writers but are rarely elucidated by Western criticism *Our Mothers Our Powers Our Texts* includes innovative readings of works by many Africana writers including Zora Neale Hurston Toni Morrison Ben Okri Wole Soyinka Jamaica Kincaid and Ntozake Shange This revised and expanded edition of *Our Mothers Our Powers Our Texts* will appeal to scholars of Africana literature African religion and philosophy gender studies and comparative literature Devotees of Africana spiritual systems will find this book to be indispensable

Santeria Joseph M. Murphy,2011-08-01 Santer a represents the first in depth scholarly account of a profound way of wisdom that is growing in importance in America today A professional academic and himself a participant in the Santer a community of the Bronx for several years Joseph Murphy offers a powerful description and insightful analysis of this African Cuban religion He traces the survival of an ancient spiritual path from its West African Yoruba origins through nearly two centuries of slavery in the New World to its presence in the urban centers of the United States where it continues to inspire seekers with its compelling vision *Put Your Hands on Your Hips and Act Like a Woman* Gale Jackson,2020 In a gathering of griot traditions fusing storytelling cultural history and social and literary criticism Put Your Hands on Your Hips and Act Like a Woman re members and represents how women of the African diaspora have drawn on ancient traditions to record memory history and experience in performance These women s songs and dances provide us with a wealth of polyphonic text that records their reflections on identity imagination and agency providing a collective performed autobiography that complements the small body of pre twentieth century African and African American women s writing Gale P Jackson engages with a range of vibrant traditions to provide windows into multiple discourses as well as new and old paradigms for locating

the history philosophy pedagogy and theory embedded in a lineage of African diaspora performance and to articulate and address the postcolonial fragmentation of humanist thinking In lyrically interdisciplinary movement across herstories geographies and genres cultural continuities improvisation and transformative action Put Your Hands on Your Hips and Act Like a Woman offers a fresh perspective on familiar material and an expansion of our sources reading and vision of African diaspora African American and American literatures

Sacred Leaves of Candomblé Robert A. Voeks, 2010-01-01 Winner Hubert Herring Book Award Pacific Coast Council on Latin American Studies Candomblé an African religious and healing tradition that spread to Brazil during the slave trade relies heavily on the use of plants in its spiritual and medicinal practices When its African adherents were forcibly transplanted to the New World they faced the challenge not only of maintaining their culture and beliefs in the face of European domination but also of finding plants with similar properties to the ones they had used in Africa This book traces the origin diffusion medicinal use and meaning of Candomblé's healing pharmacopoeia the sacred leaves Robert Voeks examines such topics as the biogeography of Africa and Brazil the transference and transformation of Candomblé as its adherents encountered both native South American belief systems and European Christianity and the African system of medicinal plant classification that allowed Candomblé to survive and even thrive in the New World This research casts new light on topics ranging from the creation of African American cultures to tropical rain forest healing floras

Yemoja Solimar Otero, Toyin Falola, 2013-11-01 Bridges theory art and practice to discuss emerging issues in transnational religious movements in Latina/o and African diasporas This is the first collection of essays to analyze intersectional religious and cultural practices surrounding the deity Yemoja In Afro Atlantic traditions Yemoja is associated with motherhood women the arts and the family This book reveals how Yemoja traditions are negotiating gender sexuality and cultural identities in bold ways that emphasize the shifting beliefs and cultural practices of contemporary times Contributors come from a wide range of fields religious studies art history literature and anthropology and focus on the central concern of how different religious communities explore issues of race gender and sexuality through religious practice and discourse The volume adds the voices of religious practitioners and artists to those of scholars to engage in conversations about how Latino/a and African diaspora religions respond creatively to a history of colonization

Folk Art Henry Glassie, Pravina Shukla, 2023-06-13 Listen to the artists of the Brazilian Northeast Their work they say comes of continuity and creativity Continuity runs along lines of learning toward social coherence Creativity brings challenges and deep personal satisfaction What they say and do in Brazil aligns with ethnographic evidence from New Mexico and North Carolina from Ireland Portugal and Italy from Nigeria Turkey India and Bangladesh from China and Japan This book is about that about folk art as a sign of human unity

Healing Logics Erika Brady, 2001-04-01 Scholars in folklore and anthropology are more directly involved in various aspects of medicine such as medical education clinical pastoral care and negotiation of transcultural issues than ever before Old models of investigation that artificially isolated folk medicine

complementary and alternative medicine and biomedicine as mutually exclusive have proven too limited in exploring the real life complexities of health belief systems as they observably exist and are applied by contemporary Americans Recent research strongly suggests that individuals construct their health belief systems from diverse sources of authority including community and ethnic tradition education spiritual beliefs personal experience the influence of popular media and perception of the goals and means of formal medicine Healing Logics explores the diversity of these belief systems and how they interact in competing conflicting and sometimes remarkably congruent ways This book contains essays by leading scholars in the field and a comprehensive bibliography of folklore and medicine

Afro-Latin American Studies Alejandro de la Fuente, George Reid Andrews, 2018-04-26 Alejandro de la Fuente and George Reid Andrews offer the first systematic book length survey of humanities and social science scholarship on the exciting field of Afro Latin American studies Organized by topic these essays synthesize and present the current state of knowledge on a broad variety of topics including Afro Latin American music religions literature art history political thought social movements legal history environmental history and ideologies of racial inclusion This volume connects the region's long history of slavery to the major political social cultural and economic developments of the last two centuries Written by leading scholars in each of those topics the volume provides an introduction to the field of Afro Latin American studies that is not available from any other source and reflects the disciplinary and thematic richness of this emerging field

Encyclopedia of African Religion Molefi Kete Asante, Ama Mazama, 2008-11-26 Numerous titles focusing on particular beliefs in Africa exist including Marcel Griaule's Conversations with Ogotemmeli but this one presents an unparalleled exploration of a multitude of cultures and experiences It is both a gateway to deeper exploration and a penetrating resource on its own This is bound to become the definitive scholarly resource on African religions Library Journal Starred Review Overall because of its singular focus reliability and scope this encyclopedia will prove invaluable where there is considerable interest in Africa or in different religious traditions Library Journal As the first comprehensive work to assemble ideas concepts discourses and extensive essays in this vital area the Encyclopedia of African Religion explores such topics as deities and divinities the nature of humanity the end of life the conquest of fear and the quest for attainment of harmony with nature and other humans Editors Molefi Kete Asante and Ama Mazama include nearly 500 entries that seek to rediscover the original beauty and majesty of African religion Features Offers the best representation to date of the African response to the sacred Helps readers grasp the enormity of Africa's contribution to religious ideas by presenting richly textured concepts of spirituality ritual and initiation while simultaneously advancing new theological categories cosmological narratives and ways to conceptualize ethical behavior Provides readers with new metaphors figures of speech modes of reasoning etymologies analogies and cosmogonies Reveals the complexity texture and rhythms of the African religious tradition to provide scholars with a baseline for future works The Encyclopedia of African Religion is intended for undergraduate and graduate students in fields such as Religion Africana Studies Sociology
