

Skaneateles Lake

JE Gale

Skaneateles Lake:

Skaneateles Lake Paul K. Williams, Charles N. Williams, 2002 On the eastern edge of the famed New York State Finger Lakes is situated Skaneateles Lake a name believed to have been derived from the Native American Onondaga tribe meaning long lake The lake is in fact just over fifteen miles long with an astonishing depth of three hundred fifty feet and for over a century it was thought to have been one of the purist bodies of water in the world With nearly two hundred images Skaneateles Lake shows early farmland parks sailboat races and well known Victorian places of water recreation and touring for those seeking the health spas and bizarre ornate hydrotherapies popular at the time The lake and village have been enjoyed by many historical figures through time from wealthy New York City summer visitors to presidential families from the Roosevelts to the Clintons

Skaneateles Sue Ellen Woodcock, 2001-09 It is known as one of the most beautiful and cleanest lakes around and for years Skaneateles Lake and the town of Skaneateles have served as the eastern gateway to the Finger Lakes drawing visitors from all over the world The beauty of the lake is enhanced by the well kept village and town which line its shores Many of the early homes and buildings have been well maintained and are recognizable today From the mid 1800s to the 1970s the town changed little from when it was first settled in 1794 With sailboats and steamships old views of the village and of school days of yore Skaneateles recalls the people places and events that made a difference Included are people such as John D Barrow and Clarence Austin places such as the Glen Haven Water Cure and the Packwood House and events such as Bobby Kennedy s visit and Microd racing Skaneateles also recalls the City of Syracuse and the town s great history of steamships sailing and boating and early industries
