**Sabotage in the Sky** L. Ron Hubbard, 2009-07-16 Bill Trevillian is as ruggedly handsome as he is bold and brave Kip Lee is as strikingly beautiful as she is fiery and fearless And they've got something in common They're both test pilots for rival aviation companies Put them together and like a young Tracy and Hepburn sparks are bound to fly The Second World War is raging in Europe and England and France are looking to America for a fighter plane to match up with the superior Nazi Messerschmitt The competition between Bill and Kip is fierce and the stakes are stratospheric Because there's an added element in the mix a deadly saboteur People say all's fair in love and war but when there's Sabotage in the Sky the flight path from heated rivalry to heated romance could lead Bill and Kip to crash and burn If you crave air adventure written by an airman who knows what a hot plane can do don't miss Sabotage in the Sky wrote the editor introducing the story in 1940 And Hubbard's knowledge proved prophetic unknown to the FBI the German intelligence service the Abwehr was actively gathering intelligence about American military aircraft designs and manufacturing The author also had personal aviation experience earning a reputation as a daredevil pilot barnstorming across the United States landing in farmer's fields and skimming over the top of telephone wires experiences he put to good use as a well known aviation correspondent and one of the most accomplished writers of aviation adventure

Edward S. Shapiro, 2005-06-03 The topics of Edward Shapiro s book span the gamut of the American Jewish experience from the politics of American Jews the nature of American Jewish identity relations between Jews and blacks and Jews and American capitalism He discusses writer Herman Wouk Patrick Buchanan and the Jews John Higham s interpretation of

American anti-Semitism Nathan Glazer's view of American Orthodoxy and the Jewishness of Sidney Hook Of particular interest is the author's exploration of how American Jews have reconciled their dual identities as Americans and as Jews These solutions has shaped the way Jews have voted prayed earned a living married and chosen a profession America Shapiro argues has truly been different for Jews but this difference has shaped the history of America's Jews in unexpected and ironic ways The fact that Jews have risen rapidly up the economic and social ladder and have become politically influential has not eliminated their insecurity and the sense they have of themselves as a marginal group
