Sky My Kingdom:

The Sky My Kingdom Hanna Reitsch, 2020-01-10 The memoir of the female aviator who became Hitler's favorite pilot The Sky My Kingdom is the fascinating autobiography of the famous World War II test pilot Hanna Reitsch As the war progressed Reitsch was invited to fly many of Germany's latest and increasingly desperate designs including the rocket propelled Messerschmitt Me 163 Komet and several larger bombers on which she tested various mechanisms for cutting barrage balloon cables After crashing on her fifth Me 163 flight she was badly injured but insisted on writing her report before falling unconscious and spending five months in the hospital Eventually she became Adolf Hitler's favorite pilot Reitsch was one of only two women awarded the Iron Cross First Class during World War II and the only woman awarded the Luftwaffe Combined Pilot and Observer Badge with Diamonds She survived many accidents and was badly injured several times In the last days of the war Reitsch was asked to fly her companion Col Gen Robert Ritter von Greim into Berlin to meet with Hitler The city was already surrounded by Red Army troops who had made significant progress into the downtown area when they arrived landing on a city street and traveling to the Führerbunker The aircraft she used was the justly famous Fieseler Storch already well known for the exploit that rescued Mussolini only adding to the legend of both Reitsch and that aircraft She is said to have overheard Hitler laying out plans for Nazi commanders to join together in mass suicide when it was obvious that the war was over She also hoped to fly out propaganda minister Joseph Goebbels six children who had been staying in the bunker since April 22 with their parents but neither Joseph nor Magda Goebbels would allow it She managed to escape Berlin herself on April 29 by flying out through heavy Russian anti-aircraft fire She was a devoted and idealistic Nazi who adored Adolf Hitler and refused to believe the reports of concentration camps and torture Not until much later would she say that she had been disgusted by what she witnessed in the Third Reich She was held for eighteen months by the American military after the war interrogated and subsequently released ultimately to become a champion glider pilot as gliders were the only craft German citizens were allowed to fly Hers is a story that arguably stands as unique in the great drama of World War II
