series helps to answer this question by showcasing the amazing breath and diversity involved in classic fairy tales. It focuses on the unusual phenomenon that the same tales with only minor variations appear again and again in different cultures across time and geographical space. Traditionally told as short stories for children and for adults too, these popular fairy tales will be sure to delight both young and old. Beautifully illustrated, these story books combine the best story telling with the best art work in order that the two may be fully appreciated.
