## **Sleeping Dog:**

Sleeping Dogs S. A. Baker, 2024-10-22 In the heart of Winterbourne where the whispers of the past echo through the streets a chilling discovery awaits Danny and his loyal dog Jack stumble upon a grim secret hidden within the tall grass of Millar's field The body of a young boy Billy Anglin lies there a silent witness to a horror that has haunted the town for decades Danny a ward of the foster system knows all too well the harshness of the world Yet in the midst of his own struggles he finds himself at the centre of a mystery that defies comprehension With each passing decade a child is taken their life snuffed out by a force that remains elusive The townsfolk whisper of a creature something hungry that stalks the night leaving a trail of terror in its wake Detective Floyd Guthrie an adult friend to Danny is a beacon of hope in the boy's tumultuous life Guthrie is a reluctant mentor drawn into the darkness that surrounds Danny Together they navigate the treacherous waters of Winterbourne where the line between predator and prey blurs As the investigation deepens the bond between Danny and Guthrie strengthens a fragile alliance against the encroaching shadows But the truth is a slippery thing and as they delve into the murky history of the town they uncover a ritual as old as Winterbourne itself A ritual that demands the blood of the innocent a sacrifice to a hunger that can never be sated *Sleeping Dogs* is a tale of loss resilience and the unyielding quest for justice It is a story of a boy and his dog a detective and his duty and a community haunted by a past that refuses to stay buried In the end will Danny and Guthrie find the strength to confront the darkness or will they become its next victims

**Do Sleeping Dogs Lie?** Gwyneth Steddy, 2022-04-26 Retired DI Malcolm Bell is bored A chance meeting with a retired couple gives him the purpose he was looking for investigating a cold case which for him is unfinished business He sets out to uncover the truth behind the murder of a man supposedly killed by terrorists in Tyrone in 1988 The more he uncovers the more dangerous life becomes for him and those closest to him Aided by a host of unlikely allies Malcolm must navigate the brutal complexities of the past and their impact on the present But has he bitten off more than he can chew

The Fate of the Nation-state Michel Seymour, 2004

Are Nation states obsolete Are multinational states viable Can we really create powerful supranational institutions These are the questions that celebrated authors and specialists attempt to answer in this important collection of articles The work contains theoretical essays and case studies by philosophers sociologists political scientists and governmental analysts that provide state of the art analyses of the situation of the nation state as it is developing all over the world in the new millennium There are different concepts of nationhood and different forms of national consciousness ethnic civic cultural socio political and diasporic There are also different ways for nations to be present on any given territory as immigrant

groups as extensions of neighbouring national majorities as minority nations or as majority nations There are also different policies adopted toward different groups bilingualism multiculturalism interculturalism collective rights etc Finally there are different sorts of political arrangements nation state multination state confederation of sovereign states multinational federation federation of nation states supranational institutions etc The enormous complexity of these issues explain why nations nationalism and nation states have been so difficult to understand The theoretical essays contained in this volume are sensitive to all those issues The authors examine the foundations of nationalist thinking and the justifications behind the nation state model They also reflect upon the nation building policies politics of recognition and issues related to globalization The case studies investigate countries or regions such as Ireland Scotland Catalonia the Balkans Russia USA Finland India Indonesia the European Union and Canada

*Undaunted* Zoya Phan, 2010-05-04 Once a royal kingdom and then part of the British Empire Burma long held sway in the Western imagination as a mythic place of great beauty In recent times Burma has been torn apart and isolated by one of the most brutal dictatorships in the world Now Zoya of the a young member of the Karen tribe in Burma bravely comes forward with her astonishingly vivid story of growing up in the idyllic green mansions of the jungle and her violent displacement by the military junta that has controlled the country for almost a half century This same cadre has also relentlessly hunted Zoya and her family across borders and continents *Undaunted* tells of Zoya's riveting adventures from her unusual childhood in a fascinating remote culture to her years on the run to her emergence as an activist icon Named for a courageous Russian freedom fighter of World War II Zoya was fourteen when Burmese aircraft bombed her peaceful village forcing her and her family to flee through the jungles to a refugee camp just over the border in Thailand After being trapped in refugee camps for years in poverty and despair her family scattered as her father became more deeply involved in the struggle for freedom Zoya and her sister left their mother in the camp to go to a college in Bangkok to which they had won scholarships But even as she attended classes Zoya the girl from the jungle had to dodge police and assume an urban disguise as she was technically an illegal immigrant and subject to deportation Although following graduation she obtained a comfortable job with a major communications company in Bangkok Zoya felt called back to Burma to help her mother and her people millions of whom still have to live on the run today in order to survive in fact more villages have been destroyed in eastern Burma than in Darfur Sudan After a plot to kill her was uncovered in 2004 Zoya escaped to the United Kingdom where she began speaking at political conferences and demonstrations a mission made all the more vital by her father's assassination in 2008 by agents of the Burmese regime Like Ayaan Hirsi Ali Zoya has become a powerful spokesperson against oppressors undaunted by dangers posed to her life Zoya's love of her people their land and their way of life fuels her determination to survive and in *Undaunted* she hauntingly brings to life a lost culture and world putting faces to the stories of the numberless innocent victims of Burma's military

Balderdash & Piffle: One Sandwich Short of a Dog's Dinner Alex Games, 2010-12-15 *Balderdash Piffle One Sandwich Short of a Dog's Dinner* is a thrilling ride through the provocative bewildering and often downright bizarre world of language and etymology. From the brash jargon of celebrity magazines to the delicacies and feints of the euphemism author and word sleuth Alex Games has uncovered the remarkable stories that lie behind some of our best loved words and expressions. By grouping words into distinct themes such as put downs and insults the vocab of fashionistas and the lingo of dodgy dealings *Balderdash Piffle* looks at the English language in a fresh and revealing light. Who was the original Jack the Lad? What is the tragic story behind the expression Sweet F A? *Balderdash Piffle* will show you where thugs come from why barmy once had more to do with your beer than your brain and how a little bit of hanky panky could literally work magic. From the Cloud cuckoo land of Aristophanes to the town of Balaclava this is a funny but rigorously researched account of English words and their origins. Drawing together sources as diverse as William Shakespeare David Cameron and the *Burnham on Sea Gazette* Alex Games recalls the trends innovations and scandals that have produced some of our most familiar but least explored words and phrases. Accompanying a brand new series of the hit BBC television programme *Balderdash Piffle* and containing all the results of the Wordhunt from the first series this entertaining book is a treasure trove for English language lovers everywhere.

*So You Think Your English Is OK* James Hibbert, 2014-02-28 This book has comments criticism opinion and advice concerning English grammar and usage. It shows where people experts included go wrong. It covers topics that people disagree on and oddities of the language. Written in a conversational tone it is not a textbook. The aims are to interest to entertain and to help people write English well.

Space and Self in Early Modern European Cultures David Warren Sabean, Malina Stefanovska, 2012-01-01 The notion of selfhood conjures up images of self sufficiency integrity introspectiveness and autonomy characteristics typically associated with modernity. The seventeenth century marks the crucial transition to a new form of bourgeois selfhood although the concept goes back to the pre modern and early modern period. A richly interdisciplinary collection *Space and Self* integrates perspectives from history history of literature and history of art to link the issue of selfhood to the new and vital literature on space. As *Space and Self* shows there have at all times been multiple paths and alternative possibilities for forming identities marking personhood and experiencing life as a concrete singular individual. Positioning self and space as specific and evolving constructs a diverse group of contributors explore how persons become embodied in particular places or inscribed in concrete space. *Space and Self* thus sets the terms for current discussion of these topics and provides new approaches to studying their cultural specificity.
