Pretty Netta B.,2018-05-06 To rid the world of pedophiles is her privilege but to rid the world of her offenders is her mission Damina Rose aka a PRETTY is telling her story of how when why who and where Her own personal journey of becoming and living the life of a hit woman by the age of fourteen After two attempts of being raped by people she held trust and value for her disappointment and shame turned to anger Jovan was the peace and fresh air she needed and he soon became her number one fan and support system After finding sanctuary after the storm one night Mina was waken out of sleep to be told Jovan was tragically taken from her by murder Her heart grew cold and her mission list grew longer When Mina's 21st birthday comes around she learns she may have a new chance at love something that excites her Unfortunately for her excitement is always short lived After speaking of married and kids Mina learns Devontae may be her biggest enemy to date when they both find out their past and close friends may intertwine Will Mina keep playing the game or get played You can't trust a pretty face and a smile or can you , **Treasure of Love** Dalston Harrison Jr.,2015-11-05 As I write this 1st novel I am highly motivated to be able to continue my writing which I do very well and I am writing this novel based on my life experiences and my relationships with women because I want to be able to remember the good the happy the sad and the bad with all my relationships Most of all I want people to relate to my experiences and learn from my experiences so that they won't make the same mistakes in their relationships and be able to motivate them to do whatever it takes to make it work Dragonhaven Robin McKinley,2007 When Jake Mendoza who lives in the Smokehill National Park where his father runs the Makepeace Institute of Integrated Dragon Studies goes on his first solo overnight in the park he finds an infant dragon whose mother has been killed by a poacher *Letter in a Woodpile* Ed Cullen,2006-05 From NPR commentator All Things Considered Ed Cullen comes this collection of humorous commentaries on life in southern Louisiana including Mardi Gras science fairs and how the denizens of Guatemala North Baton Rouge stay cool **Incommunicado** Randall Platt,2014-11-04 Just about everyone is incommunicado in the small sleepy Oregon coastal town of Sea Park during winter Until Pearl Harbor that is when it springs to patriotic life But is Ruby Opal Pearl aka a Jewels Stokes the only person to see what's really happening here Tommy Kasamoto the one person in her life who has provided security shelter and a smidjeon of respect and who owns the biggest resort on the coast is now the cause of the town's rage Tommy's Japanese ancestry makes him the prime target of an angry mob not to mention he's also rich has a shady past and everyone in town owes him money As the town's patriotism blossoms into paranoia and turns violent Jewels has to do something to protect Tommy from internment or worse even if that something is going up against the town and the government not to mention the FBI Thus begins a fourteen year old girl's war within a war Randall Platt's *Incommunicado* is both timely and timeless It's about the meaning of courage and the willingness to stand up for what's right even when it goes against the prevailing attitudes of the time and place It's also about the insidious way groups and communities can nurture ignorance and prejudice But most of all
