Sociology The Classic Statements

David Ashley, David Michael Orenstein

Sociology The Classic Statements:

Sociology: the Classic Statements Marcello Truzzi, 1971 Sociological Theory David Ashley, David Michael Orenstein, 2005 This text provides a comprehensive examination of classical sociological theory by introducing students to the life times and ideas of the figures who have had the greatest influence on the development of the field Each chapter focuses on one theorist and his ideas organized into a social and historical perspective Students will enjoy reading the background information on each theorist covered in the book These include such interesting highlights as Comte s days in military school the death of Durkheim s son in World War I Spencer s inability to commit to marriage and Hegel s illegitimate son Taking a critical and reflexive approach the text also discusses how classical theory affects sociology today

Sociological Theory- Classical Statements Dejerius Burgess, 2019-06-04 The basic insight of sociology is that human behaviour is largely shaped by the groups to which people belong and by the social interaction that takes place within those groups The main focus of sociology is the group not the individual Sociologist is mainly interested in the interaction between people the ways in which people act towards respond to and influence one another Sociology does not however study everything that happens in society or under social conditions Classical Sociological Theory continues to include two historical chapters covering the early history of the field as well as its most recent developments These chapters give students an overview that allows them to put the work of each theorist in its historical social and political context This book offers students a handy overview of most of what they need to know about classical sociological theory *Sociology , Mad Hazard* Stephen Turner, 2022-09-08 Revealing an academic career not dependent on prestige and academic power but also not untouched by hierarchy and academic politics Mad Hazard is appealing for readers interested in the field of social theory and beyond that those interested in the evolution of intellectual life in the present university *Sociology: The Basics* Martin Albrow, 1999 This is a book for anyone who wants to know what sociology is and what sociologists do In a subject which has changed dramatically over the last twenty years Sociology The Basics offers the most up to date guide to the major topics and areas of debate It covers among other things sociology and society laws morality and science social relations power and communication society in the future becoming a sociologist Clearly written concise and comprehensive Sociology The Basics is an essential introductory handbook **Contemporary Sociological Theory** Jonathan H. Turner, 2012-09-20 Written by award winning scholar Jonathan Turner Contemporary Sociological Theory covers the range of diversity of theory in nine theoretical traditions and variants of theoretical approaches in these traditions The result is a comprehensive review of present day theorizing in sociology covering functional evolutionary ecological conflict interactionist exchange structuralist cultural and critical theories and the major proponents of these theories Moreover for each theoretical tradition it origins are examined in a separate chapter with an eye to how classical theorists influenced the work of key contemporary scholars This book will serve as a valuable resource for those readers seeking in depth and comprehensive coverage of

contemporary traditions in their historical contexts Unlike many texts coverage is comprehensive and deep The theories and their origins are examined in detail so that readers can fully understand the origins and present profile of theories in present day sociology Unlike many texts that skim over theories on the surface this book seeks to unlock for the reader their underlying structure of each theory The book is written in a modular format so that theories and traditions can be examined in any order and in many diverse combinations If desired only the contemporary theories can be read without attention to their historical contexts or the reverse is true if readers want to understand the historical origins of a particular theoretical tradition Since Jonathan Turner is an active theorist in his own right he brings to the book an appreciation of how theories are created as an insider rather than as only a commentator on theory As such he is able to bring out the underlying assumptions structure and form of a theory in new and interesting ways for casual readers and scholars alike **Ebook:**

Sociological Theory George Ritzer, Jeff Stepnisky, 2014-10-16 The ninth edition of Sociological Theory by George Ritzer gives readers a comprehensive overview of the major theorists and schools of sociological thought Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context Written by one of the foremost authorities on sociological theory this text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts *Classical Theorists in the*

Social Sciences Dejo Abdulrahman, 2023-05-05 This book is a useful companion to every social science student who desires an understanding of classical theoretical developments in and evolution of the disciplines Medicine, Health and Society

Hannah Bradby, 2012-02-13 Sharp bold and engaging this book provides a contemporary account of why medical sociology matters in our modern society Combining theoretical and empirical perspectives and applying the pragmatic demands of policy this timely book explores society's response to key issues such as race gender and identity to explain the relationship between sociology medicine and medical sociology Each chapter includes an authoritative introduction to pertinent areas of debate a clear summary of key issues and themes and dedicated bibliography Chapters include social theory and medical sociology health inequalities bodies pain and suffering personal local and global Brimming with fresh interpretations and critical insights this book will contribute to illuminating the practical realities of medical sociology This exciting text will be of interest to students of sociology of health and illness medical sociology and sociology of the body Hannah Bradby has a visiting fellowship at the Department of Primary Care and Health Sciences King's College London She is monograph series editor for the journal Sociology of Health and Illness and co edits the multi disciplinary journal Ethnicity and Health

Explorations in Classical Sociological Theory Kenneth Allan, 2005-01-12 Rather than a work of theory itself Explorations in Classical Sociological Theory Seeing the Social World is an insightful work that invites students to think creatively reflexively and critically about their social worlds Written in a conversational tone that lifts the veil of theoretical jargon Explorations in Classical Sociological Theory introduces students to the major classical theorists including Marx

Spencer Durkheim Weber Simmel Mead Schutz Gilman and Du Bois This text focuses on the individual perspective of each theorist rather than schools of thought and uses the provocative ideas of modernity and postmodernity to help students understand how the theoretical historical perspectives apply to their own time period *Feminist Narratives and the Sociology of Religion* Nancy Nason-Clark, Mary Jo Neitz, 2001 In 14 essays US and Canadian sociologists of religion cultivate the growing gender and feminist consciousness in their profession and challenge established scholars and graduate students to be cognizant of it They combine biography and scholarly pursuits academic rigor and personal passion There is no index c Book News Inc *Indian Sociology* B. K. Nagla, Kameshwar Choudhary, 2023-10-31 This book presents a critical and reflective view of fundamental theoretical orientations thematic domains and current debates in Indian sociology It covers the growth of sociology as an academic and pedagogical subject with four main parts Part I discusses important theoretical orientations in Indian sociology including Indological and civilizational approaches as well as the contributions of an eminent sociologist and pioneer in Indian sociology Professor Yogendra Singh concerning the sociology of knowledge liberal democracy and the relevance of his concept of Islamization in the study of Indian society Part II examines substantive areas of study such as caste class and tribe Part III reflects on specific topics of current concern in Indian sociology such as emerging vistas and futures globalization and rethinking area studies for planetary conversations This book is highly relevant for postgraduate students and researchers in sociology social anthropology and social sciences Classical and Contemporary Sociological Theory Scott Appelrouth, Laura Desfor Edles, 2008 A unique hybrid of text and readings this book combines the major writings of sociology's core classical and contemporary theorists with an historical as well as theoretical framework for understanding them Laura Desfor Edles and Scott A Appelrouth provide not just a biographical and theoretical summary of each theorist reading but an overarching scaffolding which students can use to examine compare and contrast each theorist's major themes and concepts No other theory text combines such student friendly explanation and analysis with original theoretical works Key features include Pedagogical devices and visual aids charts figures and photographs to help summarize key concepts illuminate complex ideas and provoke student interest Chapters on well known figures such as Marx Weber Durkheim Parsons and Foucault as well as an in depth discussion of lesser known voices such as Charlotte Perkins Gilman WEB Du Bois and Leslie Sklair Photos of not only the theorists but of the historical milieu from which the theories arose as well as a glossary at the back **Handbook of Social Theory** George Ritzer, Barry Smart, 2003-07-26 The Handbook of Social Theory presents an authoritative and panoramic critical survey of the development achievement and prospects of social theory *The SAGE Handbook of Political Sociology*, 2v William Outhwaite, Stephen Turner, 2017-10-30 The SAGE Handbook of Political Sociology offers a comprehensive and contemporary look at this evolving field of study The focus is on political life itself and the chapters written by a highly respected and international team of authors cover the core themes which need to be understood in order to study political life from a sociological perspective or simply to understand

the political world The two volumes are structured around five key areas PART 1 TRADITIONS AND PERSPECTIVES PART 2 CORE CONCEPTS PART 03 POLITICAL IDEOLOGIES AND MOVEMENTS PART 04 TOPICS PART 05 WORLD REGIONS This future oriented and cross disciplinary handbook is a landmark text for students and scholars interested in the social investigation of politics

Sociological Theory George Ritzer,Jeffrey Stepnisky,2017-01-05 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Tenth Edition of Sociological Theory by George Ritzer and Jeffrey Stepnisky gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s origins through the early 21st century Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context This text helps students better understand the original works of classical and modern theorists and enables them to compare and contrast the latest substantive concepts New to this Edition Chapter 1 now includes a discussion of colonialism as one of the forces that shaped modern society The Historical Sketch chapters contain new material on the historical significance of early women founders and on the contributions of W E B Du Bois Chapters on Marx Durkheim Weber and Simmel now conclude with sections on contemporary applications of ideas from these 19th century thinkers A new chapter focuses theories of race racism and colonialism as well as theories about indigenous peoples and theories from the Global South that challenge the work of scholars from Europe and North America The concluding chapter has a new section on theories of presumption one of the newest developments in consumer theory New material on colonization women classical theorists and race theory as well as new timelines added to history chapters

The International Handbook of Sociology Stella R Quah,Arnaud Sales,2000-09-19 The most up to date survey of the range of research in contemporary sociology extremely useful to students teachers and researchers alike Indispensable for collective and personal libraries Immanuel Wallerstein Maison des Sciences de l Homme Paris This unique Handbook provides state of the art reviews of sociology conducted by prominent scholars Drawing on dedicated knowledge and expertise the book constitutes an unrivalled guide to the central theoretical and methodological perspectives in the discipline as a whole The book is organized into six parts o conceptual perspectives o social and cultural differentiation o changing institutions and collective action o demography cities and housing o art and leisure o social problems Each chapter includes a comprehensive review of the literature covering the full range of work from contrasting traditions of thought and approaches No existing work matches this Handbook for scholarly coverage and relevance It is a primary resource for understanding the discipline As such it will appeal to lecturers researchers and advanced graduate and undergraduate students in Sociology

Modern Sociological Theory George Ritzer,Jeffrey Stepnisky,2017-01-23 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory the Eighth Edition of Modern Sociological Theory by George Ritzer and Jeffrey

Stepnisky provides a comprehensive overview of the major theorists and theoretical schools from the Structural Functionalism of early 20th century through the cutting edge theories of the late 20th and early 21st centuries. The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of contemporary thinkers. **Public Sociology** Ben Agger, 2007-03-06

Public Sociology 2nd edition offers a fundamental enriching of method far beyond the scope of research methodology textbooks. It looks at sociology as a social act as writing in arguing for a public sociology that can more fully embrace and address crucial public issues. Building on the philosophy of science and recent postmodernist critiques, Agger shows how the social science text reproduces the existing social world suppressing science's author in order to position itself as simply a mirror of nature, not a deliberate human version replete with ontology, theory, values, and politics. As such, method is an argument that polemicizes quietly for a certain view of the world. Agger peruses how science could be crafted differently, acknowledging even embracing its authoriality while opening it to crosscurrents of other humanistic writing. Only by liberating sociology from the secret writing of science can its ineradicable humanity be realized. But rather than dwelling on recent critiques, this more than any other book looks ahead to a new way of doing science, one that is simultaneously more scientific and humanistic. Its prescient view of how social science can take the lead in building a more democratic public sphere will make it a must read for every student and researcher.
