

An abstract painting featuring several figures in a dynamic, expressive style. On the left, a figure in a red garment is partially visible. In the center, a figure in a yellow shirt is prominent, with their arm extended. To the right, another figure in a yellow shirt is visible. The background is dark and textured, with various colors like green, blue, and orange. The overall mood is one of human connection and diversity.

Anthony Giddens's *Sociology* now in its fifth edition offers an unrivalled introduction for students new to the subject: lucid, lively, authoritative and original. Written by one of the world's leading sociologists, this comprehensive textbook manages to be clear, accessible and jargon-free but without oversimplifying complex debates. Earlier editions of *Sociology* broke new ground by incorporating cutting-edge debates such as the impact of globalisation into an introductory text. This fifth edition remains a state-of-the-art textbook with fresh and engaging new material added throughout. While covering all of the core topics of sociology, the fifth edition also includes a great deal of substantive new material, ensuring that students are introduced to the most recent sociological debates. Throughout the book weaves together classical and contemporary theory and data and provides a wide range of everyday examples to which students can easily relate. The fifth edition also benefits from new discussions of global inequality, disability, ageing and the life course, risk, the network society and terrorism, as well as many other additional and up-to-date topics. Numerous learning aids in every chapter, such as summary points, questions for further thought and additional reading suggestions, which help to reinforce students' knowledge. Lots of extra photographs, diagrams, case studies and cartoons to bring ideas to life and fire students' imaginations. High-quality supplementary resources on a dedicated website, including a full instructors' manual and additional student aids, all specially designed to stimulate students' learning and critical thinking. The fifth edition of this classic textbook is an ideal teaching text for first-year university and college courses and will be essential reading for all students who are looking for an exciting, authoritative and easy-to-follow introduction to sociology. Introduction to Sociology James J. Teevan, Warren Edward Hewitt, 2005 **Cambridge Learner's Dictionary English-Russian with CD-ROM**, 2011-09-22. The first edition of the semi-bilingual English-Russian version of the Cambridge Learner's Dictionary with CD-ROM. This is the first edition of the semi-bilingual Russian version of the Cambridge Learner's Dictionary, ideal for intermediate to upper-intermediate students. Russian translations are given for every sense and thesaurus and common error notes give students extra help with producing English. The dictionary is accompanied by a CD-ROM containing the full text of the dictionary and including SmartThesaurus, QuickFind, recordings of every word in British and American English, plus study material. The CD-ROM is compatible with Windows XP/Vista. 7 **Sociology** Margaret L. Andersen, Howard F. Taylor, 2002-07-15. This mainstream text is characterized by its focus on a broadly defined diversity. The text provides a solid research orientation to basic principles of sociology while maintaining an accessible style. In every chapter, students explore research and data that illustrate how class, race, ethnicity, gender, age, geographic residence and sexual orientation relate to the topics covered. Other themes include debunking society's myths, critical thinking, global perspective, social change, social policy and integrating the Internet. **The SAGE Handbook of Qualitative Research** Norman K. Denzin (ed), Yvonna S. Lincoln, 2005. A thoroughly revised/updated edition; this volume includes new chapters on auto-ethnography, critical race theory, queer theory, testimonies. **Learning to Search AGRICOLA on Silver Platter CD-ROM**
