Bibliographys **New Directions in Quantitative Comparative Sociology**, 2021-10-18 The comparative method is at the core of sociological inquiry and gained new importance emphasis and practitioners particularly after the second world war as a consequence of a large variety of international and global scale developments The contributions to this book regard nations or countries as contextual units of analysis and treat them as variables Theoretical explanations are presented of how social phenomena are systematically related to characteristics of the nation states and these explanations are tested empirically using the qualitative tools of mainstream sociology The chapters in this book can be useful to a broad audience and a range of social scientists who are interested in the understanding of contemporary social phenomena that are no longer limited to national borders but that are transnational or of a global order Contributors are Toril Aalberg Wil Arts Carole B Burgoyne Loek Halman Piet Hermkens Guillermina Jasso Mebs Kanji James R Kluegel Ola Listhaug David S Mason Petr Mat ju Neil Nevitte Thorleif Pettersson David A Routh Svetlana Sidorenko Stephenson Johan Verweij Bernd Wegener and Peter Van Wijck **New Directions in the Sociology of Human Rights** Patricia Hynes, Michele Lamb, Damien Short, Matthew

Waites, 2016-03-23 **New Directions in the Sociology of Human Rights** is a contribution to both sociology and to human rights research particularly where these are directed towards challenging power relations and inequalities in contemporary societies It expands and develops the sociology of human rights as a sub field of sociology and interdisciplinary human rights scholarship The volume suggests new directions for the use of social and sociological theories in the analysis of issues such as torture and genocide and addresses a number of themes which have not previously been a sustained focus in the sociology of human rights literature These range from climate change and the human rights of soldiers to corporate social responsibility and children s rights in relation to residential care The collection is thus multi dimensional examining a range of specific empirical contexts and also considering relationships between sociological analysis and human rights scholarship and activism Hence in a variety of ways it points the way for future analyses and also for human rights activism and practices It is intended to widen our field of vision in the sociology of human rights and to spark both new ideas and new forms of political engagement This book was published as a special issue of The International Journal of Human Rights ***Knowledge and Control*** Michael F. D. Young, 1978 **New Directions in Contemporary Sociological Theory** Joseph Berger, Morris Zelditch (Jr.), 2002 This book introduces some of the most influential recent sociological theories each covered in an essay written by the theory s founder or by a leading exponent Presented in nontechnical language each essay reviews the key positions and supporting research many incorporate discussion of critical or opposing positions This unique book serves as an invaluable advanced introduction or review for graduate or upper level students who want to gain an understanding of

important theoretical advances Visit our website for sample chapters **Sociology** Aidan Foster-Carter,1985 Textbook sociology social theories race relations racial conflict ethnicity development theory social change industrialization rural sociology rural development demography education women urban sociology urbanization youth youth culture youth unrest and their social problems mass media sociology of knowledge and science value systems and ideology and health Bibliographys New Directions in the Sociology of Aging Linda J.
