Sociology The Discipline And Its Direction:

Sociology William J. Chambliss, Thomas E. Ryther, 1976 *Sociology* Chambliss W. J., 1975 *New Directions in Criminological Theory* Steve Hall, Simon Winlow, 2012-06-25 This edited collection brings together established global scholars and new thinkers to outline fresh concepts and theoretical perspectives for criminological research and analysis in the 21st century Criminologists from the UK USA Canada and Australia evaluate the current condition of criminological theory and present students and researchers with new and revised ideas from the realms of politics culture and subjectivity to unpack crime and violence in the precarious age of global neoliberalism These ideas range from the micro realm of the personality disorder to the macro realm of global power crime Rejecting or modifying the orthodox notion that crime and harm are largely the products of criminalisation and control systems these scholars bring causes and conditions back into play in an eclectic yet thematic way that should inspire students and researchers to once again investigate the reasons why some individuals and groups elect to harm others rather than seek sociability This collection will inspire new criminologists to both look outside their discipline for new ideas to import and to create new ideas within their discipline to reinvigorate it and further strengthen its ability to explain the crimes and harms that we see around us today This book will be of particular interest to academics and both undergraduate and postgraduate students in the field of criminology especially to those looking for theoretical concepts and frameworks for dissertations theses and research reports **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 **New Directions in Social Theory** Kate Reed, 2006-05-18 This book contributes to the growing debates about social theory and its role through a discussion of the ways in which gender and race contributed to the exclusion of important thinkers from the sociological canon John Hughes Lancaster University Who makes up the canon of sociology and who doesn't Does sociology need a canon in the first place Beyond Social Theory offers an innovative and passionate contribution to debates on the history and development of sociology and the exclusion of theorists who are female black or both from the mainstream of social theorizing With compelling biographical sketches bringing the dynamics behind the canon to life Kate Reed focuses sharp analysis on the exclusion of theorists on race and gender from important debates on inequality An important contribution to the debate on non exclusionary theory this book critically examines existing accounts of the history of the discipline situating the development of social theory within a wider social and political context **New Directions in Theory and Methodology in Socialsciences** Baidya Nath Varma, 1993 **Medicine, Health and Society** Hannah Bradby, 2012-02-13 Sharp bold and engaging this book provides a contemporary account of why medical sociology matters in our modern society Combining theoretical and empirical perspectives and applying the pragmatic demands of policy this timely book explores society's response to key issues such as race gender and identity to explain the relationship between sociology medicine and medical sociology Each chapter includes an authoritative introduction to pertinent areas of debate a clear summary of key issues and

Vale,2019-07-25 The essays in this volume illustrate the kind of expansionary logic that has characterized Soviet reformist thinking in the social sciences in the 1980s The themes discussed show the wide ranging and multidisciplinary nature of reformist currents in the Soviet Union *Sociological Amnesia* Alex Law,Eric Royal

Lybeck,2016-03-03 The history of sociology overwhelmingly focuses on the winners from the classical canon Marx Durkheim and Weber to today s most celebrated sociologists This book strikingly demonstrates that restricting sociology in this way impoverishes it as a form of historically reflexive knowledge and obscures the processes and struggles of sociology s own making as a form of disciplinary knowledge Sociological Amnesia focuses on singular contributions to sociology that were once considered central to the discipline but are today largely neglected Chapters explore the work of illustrious predecessors such as Raymond Aron Erich Fromm and G D H Cole as well as examining exceptional cases of reputational revival as in the case of Norbert Elias or Gabriel Tarde Through understanding the obstacles of recognition faced by female sociologists like Viola Klein and Olive Schreiner and public intellectuals like Cornelius Castoriadis the volume considers the reasons why certain kinds of sociology are hailed as central to the discipline whilst others are forgotten In so doing the collection offers fresh insights into not only the work of individual sociologists but also into the discipline of sociology itself its trajectories forgotten promises and dead ends *New Directions in Criminological Theory* Freda Adler,William S.

Laufer,2023-04-28 *New Directions in Criminological Theory* focuses on new approaches to theory construction with particular emphasis on reformulations and new applications of existing paradigms It includes an assessment of labeling theory demonstrating how the approach could become part of a more comprehensive explanation of crime A case is made for studying crime in terms of the social context in which crimes are conceived interpreted and negotiated The debate between crime general and crime specific approaches is further amplified A rethinking of Hirschi s control theory is presented The volume includes theoretical discussions of spouse abuse of punishment and of power control models Additional chapters examine theoretical advances in corporate illegality employee theft and the alcohol crime syndrome These original contributions include Charles F Wellford and Ruth A Triplett The Future of Labeling Theory Austin T Turk A Proposed Resolution of Key Issues in the Political Sociology of Law David Weisburd and Lisa Maher Contrasting Crime General and Crime Specific Theory Sally Simpson Strategy Structure and Corporate Crime Edward W Sieh Employee theft Robert Nash Parker Alcohol and Theories of Homicide Kimberly L Kempf The Empirical Status of Hirschi s Control Theory Jeffrey Fagan The Social Control of Spouse Assault Marc Le Blanc and Aaron Caplan Theoretical Formalization A Necessity Michael J Lynch Control Theory and Punishment Gary F Jensen Power Control vs Social Control Theories of Common Delinquency John Hagan A R Gillis and John Simpson The Power of Control in Sociological Theories of Delinquency **New Directions In**
