## **Sociology W Readings:**

Sociology: a Text with Adapted Readings Broom, Leonard, Philip Selznick, 1958      SAGE Readings for Introductory Sociology Kimberly McGann, 2021-03-25 This brief anthology for introductory sociology is a collection of 24 short readings that illustrate key concepts in sociology relate to the everyday lives of students and spark good classroom discussions The selections represent four theoretical traditions in sociology functionalism symbolic interaction conflict theory feminism and show the range and diversity of sociology and the people who practice it The book is designed for instructors who want to expose students to some original scholarship in their first sociology course but who do not want to adopt a comprehensive reader along with the core text they are using      Sociological Readings and Re-readings (1996) Paul Atkinson, 2018-05-08 Published in 1996 this book comprises a number of essays by Paul Atkinson in which he reflects on processes of reading and writing in the social sciences Topics covered include ethnographers confessions an analysis of the style of Erving Goffman a reflection of his own experiences of re reading work and a discussion of the challenges of reading an alien discipline This book was originally published as part of the Cardiff Papers in Qualitative Research series edited by Paul Atkinson Sara Delamont and Amanda Coffey The series publishes original sociological research that reflects the tradition of qualitative and ethnographic inquiry developed at Cardiff The series includes monographs reporting on empirical research edited collections focussing on particular themes and texts discussing methodological developments and issues      **Principles of Sociology** Leonard Broom, Philip Selznick, 1970      Classic and Contemporary Readings in Sociology Ian Marsh, Rosie Campbell, Mike Keating, 2014-05-12 Classic and Contemporary Readings in Sociology introduces the reader to sociological issues theories and debates providing extracts of primary source material from both classical and contemporary theorists Theorists are examined within their historical and sociological framework and the text provides an analysis of developments in sociological thought and research The text is divided into four main sections Part One Origins and Concepts surveys the history of the discipline of sociology and examines key themes which have influenced sociological theorising and investigation in particular social control culture and socialisation Parts Two and Four Sociological Theories and Sociological Research include a number of readings from the founding theorists and investigators including Auguste Comte Emile Durkheim Karl Marx Max Weber and Charles Booth and also include more recent theoretical writing and research approaches The focus on theory and research is extended by a selection of readings centred around the theme of Differences and Inequalities Part Three these readings provide students with examples of work from an area where sociological theorising and research has been widely applied      *Social Problems* Joel M. Charon, Lee G. Vigilant, 2011 A unique and groundbreaking collection of fifty four articles organized in eleven thematic sections SOCIAL PROBLEMS READINGS WITH FOUR QUESTIONS Fourth Edition combines a rigorous structural conflict approach with a strong emphasis on the real life experiences of those impacted by social problems The articles include both classic and contemporary readings covering a wide range of issues in the United States

and around the world The introductory article written by Joel M Charon introduces four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done These questions give students a consistent sociological framework to help them analyze the readings and think critically about social problems The articles have been painstakingly selected to hold student interest while illuminating key topics most come from books and trade publications rather than dry academic journals As a whole the collection powerfully explores a wide range of contemporary social problems while providing the tools and context to help students think sociologically about the social problems around us

### **Contemporary Readings in Sociology** Kathleen Odell

Korgen,2008-02-29 This reader was developed to be used in numerous courses taught in sociology It is appropriate for an introductory course as well as a social problems or special topics course The readings have been selected from numerous well respected sociology journals and they have been edited to make them more user friendly for the undergraduate student This reader allows undergraduate students to read about the major topics in sociology in the words of the original authors The reader includes a topic guide to help the instructor better integrate the material into their course and well crafted section openers place each article in context for the student This series of readings has been vetted by an Advisory Board of sociology instructors to ensure quality

### **Thirty Readings in Introductory Sociology** Kenneth Alan Gould,Tammy L.

Lewis,2012 Thirty Readings in Introductory Sociology introduces students to the field of sociology in an engaging accessible manner Designed to be used alone or with its companion Ten Lessons in Introductory Sociology the book is organized around four themes commonly examined in introductory courses What is sociology What unites society What divides society and How do societies change Rather than provide encyclopedic responses to such questions Thirty Readings in Introductory Sociology engages students in critical thinking while presenting key concepts and methods in sociology Edited by Kenneth A Gould and Tammy L Lewis the text raises sociological questions applies a sociological lens illustrates how data are used and presents core topics in a way that is easy for students to grasp Each section begins with an introduction by Gould and Lewis followed by three readings one classical one that uses qualitative data and a third that uses quantitative data

### **Exploring**

**Sociology** Mark Plume,2021-02-11 Exploring Sociology Readings for Introductory Sociology provides students with a carefully selected collection of articles that highlight the influence of social forces on all people regardless of culture ethnicity gender tradition or faith The anthology provides readers an introduction to the study of sociology and underscores how our lives are shaped in large part by external forces Section I familiarizes students with the sociological perspective and ways in which to think sociologically Section II provides readers with an introduction to social science research methods through a field experiment that investigates handwashing in public bathrooms In Section III students learn about the concept of culture and in Section IV socialization group behavior and conformity The reading in Section V demonstrates how behaviors usually classified as deviant can be normalized given the right social conditions Section VI explores various types

of inequalities including class race and gender The final section examines social institutions including marriage family education religion the economy and government and shows how these institutions form the foundation of modern societies and guide our daily lives Engaging and approachable Exploring Sociology is an exemplary supplemental textbook for foundational courses in sociology

**Readings in Social Research Methods** Diane K. Wysowski, 2001 The concepts and methodologies of social research come to life as you read the interesting articles in this unique collection Diane Kholos Wysocki includes an interdisciplinary range of readings from the fields of psychology sociology social work criminal justice and political science The reader is specifically designed to accompany Earl Babbie's THE PRACTICE OF SOCIAL RESEARCH 9th though it can be used with any social research text The articles focus on the important methods and concepts typically covered in the social research course and provide an illustrative advantage Organized by key concepts each of the reader's eleven chapters begin with an introduction highlighting and explaining the research concept that the chapter's readings elucidate

*The Cultural Sociology of Reading* María Angélica Thumala Olave, 2022-12-12 This book showcases recent work about reading and books in sociology and the humanities across the globe From different standpoints and within the broad perspectives within the cultural sociology of reading the eighteen chapters examine a range of reading practices genres types of texts and reading spaces They cover the Anglophone area of the United States the United Kingdom and Australia the transnational multilingual space constituted by the readership of the Colombian novel One Hundred Years of Solitude nineteenth century Chile twentieth century Czech Republic twentieth century Swahili readings in East Africa contemporary Iran and China during the cultural revolution and the post Mao period The chapters contribute to current debates about the valuation of literature and the role of cultural intermediaries the iconic properties of textual objects and of the practice of reading itself how reading supports personal social and political reflection bookstores as spaces for sociability and the interplay of high and commercial cultures the political uses of reading for nation building and propaganda and the dangers and gratifications of reading under repression In line with the cultural sociology of reading's focus on meaning materiality and emotion this book explores the existential ethical and political consequences of reading in specific locations and historical moments

*Exploring Sociology* Mark Plume, 2020-12-08 Exploring Sociology Readings for Introductory Sociology provides students with a carefully selected collection of articles that highlight the influence of social forces on all people regardless of culture ethnicity gender tradition or faith The anthology provides readers an introduction to the study of sociology and underscores how our lives are shaped in large part by external forces Section I familiarizes students with the sociological perspective and ways in which to think sociologically Section II provides readers with an introduction to social science research methods through a field experiment that investigates handwashing in public bathrooms In Section III students learn about the concept of culture and in Section IV socialization group behavior and conformity The reading in Section V demonstrates how behaviors usually classified as deviant can be normalized given the right social conditions

Section VI explores various types of inequalities including class race and gender The final section examines social institutions including marriage family education religion the economy and government and shows how these institutions form the foundation of modern societies and guide our daily lives Engaging and approachable Exploring Sociology is an exemplary supplemental textbook for foundational courses in sociology **The Public Sociology Debate** Ariane

Hanemaayer, Christopher J. Schneider, 2014-05-10 In 2004 Michael Burawoy challenged sociologists to move beyond the ivory tower and into the realm of activism to engage in public discourses about what society could or should be His call to arms sparked intense debate among sociologists Which side would sociology take Would public sociology speak for all sociologists In this volume which opens with a foreword by Michael Burawoy leading Canadian sociologists continue the conversation by discussing not only how and why they should do sociology but also how ethical judgments influence sociological practice and the evaluation of research Most importantly they ask whether and under what circumstances sociologists should advocate for social change Regardless of whether they focus on activism research theory or teaching the contributors offer insights into where the discipline is heading and why it matters to people inside and outside the university Towards a Critical

Sociology of Reading Pedagogy Carolyn Baker, Allan Luke, 1991-06-28 Through critical sociological appraisals of literary theory research and pedagogy this volume presents challenges to dominant psychological approaches in reading research and to mainstream discourses about reading and writing pedagogy Bringing together the recent work of literacy researchers in Australia Europe and North America the volume offers novel critiques and theorisations from within political economy neomarxist and critical theory ethnomethodology interactive sociolinguistics poststructuralism and postmodernism The volume is arranged in four sections The Politics of Pedagogy Reading in Classrooms Reconstructing Theory Reading the Social This collection is provocative and innovative offering clear alternatives for conceptualising literacy for conducting literacy research and for reconstructing the discourses and practices of reading and writing in schools The volume is addressed to a broad audience of researchers educators and students Readings in Sociology to Accompany An

Introduction to Sociology Jerome Davis, Harry Elmer Barnes, 1927 **Reading Max Weber's Sociology of Law** Hubert Treiber, 2020-08-20 Reading Max Weber's Sociology of Law serves both as an introduction and as a distillation of more than thirty years of reading and reflection on Weber's scholarship It provides a solid and comprehensive introduction to Weber and sets out his main concepts Drawing on recent research in the history of law this book also presents and critiques the process by which the law was rationalized and which Weber divided into four ideal typical stages of development Hubert Treiber provides commentary in a manner informed both historically and sociologically The book explores Weber's concepts in relation to the creation of laws between secular the religious powers The book goes on to examine the codifications that were undertaken by Prussian absolutism and Napoleon in the Code Civil It further covers Weber's thoughts on antiformal legal tendencies issues that are still prevalent in law today This text is no mere reiteration of Weber's concepts The volume

contextualizes Weber's work in the light of current research setting out to amend misinterpretations and misunderstandings that have prevailed from Weber's original texts Treiber's introduction is much more than a simple guide through a complicated text It is an important work in its own right and critical for any student of the sociology of law      **Sociology**

Anthony Giddens, Philip W. Sutton, 2010 Whilst particularly useful as a companion to the sixth edition of Giddens's Sociology the reader is designed for use independently or alongside other textbooks      **Readings in General Sociology, Edited by Robert W. O'Brien. With the Collaboration of Raymond E. Bassett [and Others].** Robert William O'Brien, 1947

Sport, Exercise and Social Theory Gyozo Molnar, John Kelly, 2013 Sport Exercise and Social Theory is a concise and engaging introduction to the key theories that underpin the study of sport exercise and society Using vivid examples and descriptions of sport related events and exercise practices the book explains why social theories are important as well as how to use them giving students the tools to navigate with confidence through any course in the sociology of sport and exercise Designed to be used by students who have never studied sociology before and including a whole chapter on the practical application of social theory to their own study it provides training in critical thinking and helps students to develop intellectual skills which will serve them throughout their professional and personal lives      **Sociology** David M. Newman, 2010 This carefully edited companion anthology provides provocative eye opening examples of the practice of sociology in a well edited well designed and affordable format It includes short articles chapters and excerpts that examine common everyday experiences important social issues or distinct historical events that illustrate the relationship between the individual and society The new edition will provide more detail regarding the theory and or history related to each issue presented The revision will also include more coverage of global issues and world religions
