light on her entire oeuvre Whilst the contributors do refer to classic cultural theorists such as Baudrillard Zizek Foucault and Barthes new theoretical approaches to Madonna's work feature prominently In view of this the present volume offers new perspectives on Madonna's work to date addressing her configurations of race gender and sexuality and with special emphasis on her resurrection after the Sex backlash in the early 1990s The collection focuses on new Madonna related topics such as Hinduism Judaism Japanese culture All American culture Queer culture Motherhood and her influence on newer girl acts such as the Spice Girls and Britney Spears The book explores the themes of gender sexuality ethnicity and celebrity consumption through the lens of Madonna's songs videos and shows An international array of scholars portrays Madonna's popularisation of the notion that identity is not fixed and can be continuously rearranged and revamped The book should have wide appeal for all those concerned with gender studies cultural studies ethnic studies lesbian and gay musicology as well as popular music studies

American Legacy C. David Heymann, 2007-07-10 From the moment of their births John and Caroline Kennedy occupied a central position in what is generally regarded as the most famous family in the United States if not the world Even as young children growing up in the White House their most subtle gestures and actions made headlines Yet until now they have not been the subject of a dual biography In that sense this volume represents a first In American Legacy 1 New York Times bestselling author C David Heymann draws upon a voluminous archive of personal interviews to present a telling portrait of John and Caroline Kennedy A longtime biographer of various members of the Kennedy clan including Jackie and Robert Kennedy Heymann covers John's and Caroline's childhood in the White House the dark aftermath of their father's assassination their uneasy adolescence and the many challenges they faced as adults all under the glaring eye of the media He reveals John's and Caroline's loving but at times trying relationship with their larger than life mother as well as Jackie's own emotional struggles romantic relationships and financial concerns following JFK's death Other revelations brought to light for the first time in American Legacy include the assassination attempt made on Jackie just before she gave birth to John JFK Jr's romantic escapades prior to marrying Carolyn Bessette and accounts of the predominantly happy marriage they shared despite criticisms from questionable sources the shocking report of the autopsy performed on John following the tragic plane crash that killed him Carolyn and her sister Lauren Caroline's rise to become one of the wealthiest women in America and her life now as the sole keeper of her family's magnificently complex legacy Utterly compelling and full of new and fascinating details American Legacy overturns much of what we thought we knew about two of the most talked about members of the Kennedy family
