So Tall Within Gary D. Schmidt, 2018-09-25 From celebrated author Gary D Schmidt comes a picture book biography of a giant in the struggle for civil rights perfectly pitched for readers today Sojourner Truth was born into slavery but possessed a mind and a vision that knew no bounds *So Tall Within* traces her life from her painful childhood through her remarkable emancipation to her incredible leadership in the movement for rights for both women and African Americans Her story is told with lyricism and pathos by Gary D Schmidt one of the most celebrated writers for children in the twenty first century and brought to life by award winning and fine artist Daniel Minter This combination of talent is just right for introducing this legendary figure to a new generation of children

Children's Biographies of African American Women Sara C. VanderHaagen, 2018-11-15 A study of how rhetoric has shaped the life stories of African American role models in children s literature In *Children s Biographies of African American Women Rhetoric Public Memory and Agency* Sara C VanderHaagen examines how these biographies encourage young readers to think about themselves as agents in a public world Specifically VanderHaagen illustrates how these works use traditional means to serve progressive ends and thereby examines the rhetorical power of biography in shaping identity and promoting public action Drawing on scholarship in rhetoric memory studies and children s literature VanderHaagen presents rhetorical analyses of biographies of three African American women poet Phillis Wheatley activist Sojourner Truth and educator turned politician Shirley Chisholm published in the United States during the twentieth and twenty first centuries VanderHaagen begins by analyzing how biographical sketches in books for black children published during the 1920s represent Wheatley and Truth The study then shifts to books published between 1949 and 2015 VanderHaagen uses a concept adapted from philosopher Paul Ricoeur the idea of the

agential spiral to chart the ways that biographies have used rhetoric to shape the life stories of Wheatley Truth and Chisholm By bringing a critical rhetorical perspective to the study of biographies for children this book advances the understanding of how lives of the past are used persuasively to shape identity and encourage action in the contemporary public world VanderHaagen contributes to the study of rhetoric and African American children s literature and refocuses the field of memory studies on children s biographies a significant but often overlooked genre through which public memories first take shape
