Covenanters in Canada Eldon Hay,2012 A sensitive and nuanced narrative of a dissenting religious minority in a pluralistic society **Sold Out : how the Evangelical Church is Abandoning God for Self-fulfilment : a Warning** Ganz, Richard L,William J. (William Joseph) Edgar,1990 *Historical Studies* ,1990 **Care for the Soul** Mark R. McMinn,Timothy R. Phillips,2001-04-10 Edited by Mark R McMinn and Timothy R Phillips this collection of essays is a multidisciplinary dialogue on the interface between psychology and theology that takes seriously the long rich tradition of soul care in the church *The Perfect 10* Michael G. Moriarty,1999 Most of us realize that traffic laws exist to preserve our lives not cramp them Yet when it comes to moral laws 66 percent of Americans believe there are no absolutes Is it any wonder then that the highway of our postmodern culture is strewn with wrecks Broken marriages overcrowded prisons murder in the classrooms babies having babies they re what happen when we confuse liberty with ignoring the rules of the road That s why Michael Moriarty is convinced that the Ten Commandments really are The Perfect 10 Behind them lie God s concern for our welfare and his understanding of the indelible truths that govern our world our relationships and our inner being One by one Moriarty reveals the Ten Commandments as the keys to wholeness and freedom and shows their far reaching application for us today For the Perfect 10 remain the ideal ethical compass They help us align our lives with the character of God and to a world hurtling blindly down the dead end road or moral relativism they point the way back to sanity restoration and life **Church Doctrine, Volume 3** Paul C. McGlasson,2015-10-02 The present volume is the third in a five volume study of church doctrine The multivolume set covers the major parts of church doctrine Canon God Creation Reconciliation and Redemption The first volume begins with an introduction to the entire project on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The second volume discusses the doctrine of God The purpose of this third volume is to reaffirm the traditional church doctrine of Creation and yet to do so in a way that submits that tradition to the overruling overpowering authority of Scripture God the Creator according to the Bible owns the entire universe it does not belong to humankind We live in service of his covenant of grace but we do so along with our fellow creatures in a common vulnerability and finitude The volume addresses the question of how the church doctrine of Creation speaks to the manifold ecological crisis of our time Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord **Michigan Christian Advocate** ,1893 **The Christian Witness, and Church Member's Magazine:** ,1853 **Peloubet's Select Notes on the International Bible Lessons for Christian Living** ,1888 *Compassionate Eschatology* Ted Grimsrud,Michael Hardin,2011-06-01 Do eschatology and peace go together Is eschatology mostly about retribution and fear or compassion and hope Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions

Together they make the case that Christianity's teaching about the end times should and can center on Jesus's message of peace and reconciliation. Offering a peace-oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology, this book breaks new ground in its consistent message that compassion, not retribution, stands at the heart of the doctrine of the last things. Besides its creative treatment of biblical materials, *Compassionate Eschatology* also makes a distinctive contribution in how several essays engage the thought of René Girard and his mimetic theory. Girard's project is shown to reinforce the biblical message of eschatological peace.

Popular Commentary of the Bible: Old Testament : the poetical and the prophetic books Paul Edward Kretzmann, 1922 *Bernanos* Hans Urs von Balthasar, 2011-10-06 This book is a double treat; it combines the genius of the towering theologian Hans Urs von Balthasar and his ability to make his subject come alive before the reader along with the focus of that genius on someone with the spiritual depth and creative stature of Georges Bernanos, considered by many to be the greatest Catholic creative writer of the twentieth century. The goal of this book is to simply convey what Bernanos wanted to say as the devout Christian that he was. Bernanos was a deeply prayerful, practicing sacramental Catholic whose profound love for the Church made everything he created or wrote an ecclesial existence that has been given form, existence derived not merely from an abstract individual faith but from the faith of the Church. With judicious quoting of the primary source and careful juxtaposing of texts and commentary, Balthasar provides a unique forum from which Bernanos can speak to the reader in a way that he can be clearly heard and genuinely understood. *The Christian Advocate*, 1908 **The Christian Work and the Evangelist**, 1909
