

A Guide to Real Estate Auctions

The Real Estate Auction Process

In order to participate, bidders must register in advance and typically pay a deposit upfront.

A house auction starts at a minimum bid price and the auctioneer accepts higher bids, pushing up the price as the auction continues.

At the end of the bidding period, the property is sold to the highest bidder who may have to pay the full sum upfront or a deposit, paying the rest in a set period of time.

3 Different Types of Auctions

1 Absolute Auctions

There is no minimum required bid for the property to be sold and the highest bidder wins, whatever the final price.

2 Minimum Bid Auctions

There is a minimum reserve price and the seller will not accept the final bid if it is lower.

3 Reserve Auctions

Whatever the final bid, the seller reserves the right to accept or reject it.
