Marine G SBS David Monnery,2016-01-20 South China Sea 1995 Pirates rule the waves and ships are disappearing in deadly ocean blackspots To combat these cut throats a SBS team is sent to Singapore to play a game of high stakes hide and seek across the tropical seas picking up a trail which leads them north towards Hong Kong Meanwhile as the Communist Chinese takeover looms for the British colony Inspector Rosalie Kai is investigating a barbaric cross border trade in unwanted female babies Soon both she and the SBS team find themselves in the underworld jungle up against a criminal organization that stretches from one end of the South China Sea to the other fighting rogue elements of the Indonesian Army corrupt policemen and the foot soldiers of the fearsome Triads This is classic military fiction at its best *Soldier J: Counter Insurgency in Aden* Shaun Clarke,2013-12-12 In 1964 two different kinds of war were being waged simultaneously by the British in Aden The inhabitants of the forbidding mountainous region of Radfan in the north of the Republic of Yemen were conducting guerrilla attacks against the British Armed by the Egyptians and trained by the communist Yemenis they were a formidable fighting force and appeared invincible The British had only one hope of beating them to draft in an even more tenacious group of soldiers the SAS Tasked with stopping the flow of weapons to the rebel tribesmen Radforce was assembled from Aden s federal regular army together with various British forces including the legendary troopers of the SAS After parachuting into the enemy territory at night the SAS established concealed observation posts high in the mountains from where they directed air strikes on the rebels moving through the sun baked passes At the same time in an even more dangerous campaign teams of two or three SAS men disguised as Arabs were infiltrating the souks and bazaars of the port of Aden to neutralise leading members of the National Liberation Front with their renowned double tap 0 firing their Browning high power high power handguns at close range as part of the daring Keeni Meeni operations *Soldier J SAS Counter insurgency in Aden* is the breathtaking story of how the SAS fought these two contrasting campaigns in the same place at the same time with exceptional tenacity skill and courage **Soldier Z: For King and Country** David Monnery,2013-12-12 By early 1944 the tide of the war was flowing steadily against the Germans but to the Western Allies the need for a speedy victory was becoming more apparent with each new Russian advance and each new hint of the horror at work in the camps of occupied Europe The SAS born in North Africa as a strategic raiding force behind enemy lines was well suited to performing a similar role in the different terrain of the Italian mountains and French forests Here after making common cause with the local partisans they could cut the road and rail lines which served the front line German armies Hitler knew as much and was determined that the SAS should pay a terrible price for their efforts In October 1942 he had issued the infamous Commando Order which decreed that the raiders captured behind enemy lines whether in or out of uniform would be summarily executed Denied the safety net usually provided by the rules of war the SAS embarked on each new mission knowing that it would end in either success or death *Soldier Z SAS For King and Country* tells the riveting story of the undertaking and

execution of these death defying operations and of how later in the final days of war and the opening weeks of peace the survivors at last began to seek out the murderers of their comrades and bring them to justice **Marine D SBS** Peter Cave,2015-12-20 In Cold War parlance the British government liked to think of it as a counter intelligence mission To the Russians it would be seen as an act of international piracy In an operation cloaked in secrecy the elite men of the legendary Special Boat Squadron were to go up against the most sophisticated and hi tech surveillance systems the Russian Navy possessed with only some crude hastily built wind powered craft at their disposal Little did they know that things were about to go terribly wrong Marine D SBS Windswept sees the SBS put to the ultimate test with all their tactical prowess and monumental daring required to rescue the situation There would be no second chances as failure could see the volatile Middle East blasted into all out war This is classic military fiction at its best **Soldier Q: Kidnap the Emperor!** Jay Garnett,2013-12-12 In 1975 the Emperor Haile Selassie of Ethiopia recently deposed in a Communist revolution was declared dead In the hands of the brutal army officer Mengistu Haile Mariam the country descended into chaos and bloodshed Then an astonishing truth emerged The Emperor was not dead He had been kept alive in prison by Lieutenant Colonel Mengistu whose objective was to wring from him his massive fortune bullion jewels cash and shares amounting to 2 5 billion lodged in Swiss British and New York banks In London bankers and diplomats were appalled The banks could not contemplate the loss of such a huge sum The British and American governments would not tolerate a ruthless Communist regime s acquisition of wealth it would destabilise the Middle East and all East Africa There was only one answer kidnap the Emperor And there was only one organisation capable of mounting the operation the legendary Special Air Service the SAS Three men Peter Halloran Michael Rourke and Richard Collins were selected for this hazardous mission which was like nothing the regiment had ever tackled before to penetrate a remote desert fortress and then to escape through arid highlands with a frail old man in tow Only extraordinary duplicity would get them in Only acute tactical expertise and merciless improvisation would get them out And if anything went wrong it would be as if they had never existed *Soldier K: Mission to Argentina* David Monnery,2013-12-12 In May 1982 as the British Task Force prepared for the recapture of the Falkland Islands a lone Sea King helicopter made an apparently forced landing in the southernmost reaches of Chile Its crew barely credibly claimed to have been propelled off course by a combination of adverse weather conditions and engine trouble The reality never officially disclosed was rather different The only threat to the Task Force and the enemy s only hope of ultimate victory lay in Argentina s Super Extended aircraft and their sea skimming Exocet missiles Since radar could not be relied upon as an adequate means of detection the British opted for a less conventional warning system Before landing in Chile the stray Sea King dropped a team of men into Argentina where they were tasked with remaining hidden within sight of the airfields and within easy reach of the enemy s security patrols The only men who could be entrusted with this difficult and dangerous mission were members of the legendary Special Air Service the SAS Getting the men in was easy enough but once they were

there staying unobserved was another matter and eventual escape far from certain despite help from an unexpected quarter in the shape of a beautiful woman guerrilla a survivor of Argentina's dirty war

Soldier K: SAS Mission to Argentina tells the electrifying story of this SAS operation from the inside a heart stopping hair raising thriller about the regiment equalled by no other the SAS

Soldier T: War on the Streets Peter Cave, 2013-12-12 Terrorist bombs in town and city streets an ever rising tide of crime and a teenage drug problem that was rapidly escalating out of control this was the ugly face of Great Britain in 1995 The conventional police forces were already stretched beyond their limit and now a new threat was looming A fanatical right wing movement that in recent months had wreaked murder and chaos in mainland Europe was spreading its evil tentacles into the UK Using terrorism and crime to fund its undercover activities and a frightening new drug to spur on its growing army of bullyboys to unprecedented extremes of violence it threatened to turn the streets of Britain's towns and inner cities into battlegrounds of anarchic brutality In desperation the civil authorities turned to the only group of men who might be able to confront and beat these fanatics on their own terms the legendary Special Air Service the SAS Guided by a maverick undercover drug cop the SAS team were pitted against an enemy as ruthless and deadly as any the regiment had faced in its chequered and splendid history The SAS were at war and that war was just outside the window a war on the streets

Dangerous Men John Newsinger, 1997-08 A clear headed critique of the SAS cult an incisive challenge to the mindless worship of the Regiment

Soldier S: The Samarkand Hijack David Monnery, 2013-12-12 In 1994 in the newly independent state of Uzbekistan a party of mostly British tourists was a day excursion from the fabled city of Samarkand when their bus was hijacked by Muslim fundamentalists Unknown to the hijackers this particular tourist group contained an ex SAS sergeant the recently retired Jamie Doherty and the rebellious daughter of the British Foreign Minister already a favourite of the tabloid press back home Uncertain how to respond to the terrorists demands the Uzbekistan government accepted a British offer of assistance two members of the SAS crack Counter Revolutionary Warfare Wing were dispatched to Samarkand with instructions to liaise with the local ex KGB unit commanded by Nurhan Ismatulayeva AN Uzbek whose grandmother had been a pioneer fighter for women's rights in the 1920s Nurhan feared that women like herself would swiftly become second class citizens if an Islamic republic were ever declared The negotiations dragged on and in the mountain fortress prison Doherty had to call on all his formidable expertise and ingenuity to keep his fellow hostages alive and to prepare them for a prospective rescue mission The only force likely to have any chance of successfully penetrating the fortress and liberating the prisoners was a group led by men of the legendary Special Air Service the SAS

Soldier N: Gambian Bluff David Monnery, 2013-12-12 At the end of July 1981 world heads of state gathered in London for the wedding of Prince Charles and Lady Diana Spencer Among those present was President Jawara of the Gambia whose absence was exploited by Marxist rebels to overthrow him Rightly fearing armed intervention from neighbouring Senegal the new revolutionary council seized hostages including one of the President's wives and several of his children and

emptied the prisons in a desperate search for allies in the coming struggle. In the first couple of days as opposing factions of the Gambian police force wrestled for control many of the released prisoners succumbed to the temptation to settle old scores and almost two thousand Gambians lost their lives. In tourist beach hotels several hundred Europeans waited and feared the worst. Only one group of men was considered capable of stabilising the situation: the legendary Special Air Service, the SAS. So at Jawara's request three men of SAS 22 Regiment were sent into this cauldron supposedly to advise the President and his Senegalese allies. But within days circumstances and the men's bravado turned them into the spearhead of the counter-revolution heavily embroiled in both the pursuit of heavily armed criminals and the dangerously delicate business of rescuing hostages. Soldier N SAS The Gambian Bluff is the electrifying story of how against all the odds these three highly skilled soldiers defeated the rebels and restored President Jawara to power. *Marine E SBS* Doug Armstrong, 2015-12-20

As British sovereignty over Hong Kong entered its final years the prime concern of the colonial administration was to effect a smooth transition of power to China. But for the Triads whose ruthlessness ensured their supremacy in the colony's thriving underworld it was business as usual. Every night crammed with contraband their powerboats continued to run the gauntlet of police and Royal Marine patrols. For Sergeant Des Cooper of the Special Boat Squadron a trip to Hong Kong offered a chance to revisit places he had got to know many years earlier. He jumped at the opportunity to accompany an anti-smuggling patrol but during a search of a vessel he uncovered a cargo far less predictable than the electrical goods that were usually seized. Suddenly the spectre of nuclear weapons falling into the hands of terrorists looked menacingly real. Cooper and his highly trained team would risk their lives in their bid to crush a plot that threatened not only Hong Kong but the entire globe. This is classic military fiction at its best. *Marine F SBS* Robin James, 2015-12-20

When the Venezuelan freelance terrorist Arsenio Cruz broke out of prison he made straight for Barcelona. Once there he was struck by photographs that paparazzi had snatched of the Princess of Wales currently holidaying off Spain on the yacht *Mirabelle*. Indisputably worthy of his nickname *El Asesino* The Assassin Arsenio nevertheless decided to kidnap rather than kill the Princess spurred on by the thought of the biggest ransom ever demanded. However in order for his plan to succeed he would have to go head to head with Major Zaki Fernandez of the elite Special Boat Service, the very man who had put him behind bars all those years ago. *Marine F SBS* Royal Target sees the legendary SBS tested to their very limits as they race against the clock to thwart one of the most audacious kidnappings of the 20th century. This is classic military fiction at its best. *Marine C SBS* David Monnery, 2015-12-20

Summer 1994 the Bahamas an English doctor working at a clinic in the Turks and Caicos Islands suddenly disappeared leaving only one trace: a fast-fading smell of chloroform in his bedroom. A week later in nearby Florida another man was found shot dead in his car: apparently the latest in a long line of European tourists murdered on the highways of the Sunshine State. US police found one link: Cuban gangster and British citizen Fidel Arcilla.
