

A Soldier Speaks

Public Papers and Speeches of General of the Army

Douglas MacArthur

With an Introduction by General Carlos P. Romulo

Soldier Speaks Douglas Macarthur

Robert C. Orr

Soldier Speaks Douglas MacArthur:

A soldier speaks Douglas MacArthur, 1956 **Soldier Speaks** Douglas MacArthur, 1965 *A soldier speaks* Douglas MacArthur, 1965 **General MacArthur Speeches and Reports 1908-1964** Edward T. Imparato, 2000

The two year search for General Douglas MacArthur's speeches and reports was truly a labor of love. My Administrative Assistant Ellen Schaefer and I culled over 1,000 sources including memories, biographies, histories, military magazines such as the Army and Air Force Journals, unit histories, commercial magazines and newspapers. Magazines included such publications as National Geographic, Life Magazine and many esoteric, less circulated literature such as Military Magazine, Retired Officers Magazine, Air Force Magazine and so many others. We received guidance and assistance from such sources as the U.S. Military Academy, the Engineering School at Ft. Leavenworth, the Command and General Staff School at Leavenworth, the Army War College, the MacArthur Archives, Director James Zobel, the Library of Congress, the War Department; the sources seemed endless. We do believe we were able to capture all the major public speeches and reports covering MacArthur's truly productive years from 1908 through 1964. Contains more than 125 speeches, reports. It will be interesting to note MacArthur established his personality early in his military career and never veered from this. His admonition from his Mother when MacArthur was a student at West Point was never cheat, never lie, never tattle. Adhering to this edict, MacArthur offered to resign from the Academy rather than answer questions from the Academy panel investigating hazing and harassment by a group of fellow students. MacArthur continued to develop his hard line against political and military intrigue by resolving to always do what he believed right even if he knew no one was watching. Further, he was determined never to refuse to carry out the order of a senior officer, never be insubordinate to constituted authority.

A Soldier Speaks. Public Papers and Speeches of General of the Army Douglas MacArthur. Prepared for The United States Military Academy, West Point, N.Y. by the Department of Military Art and Engineering. Edited by Major Vorin E. Whan, Jr., U.S.A. With an Introduction by General Carlos P. Romulo. [With Plates, Including Portraits.]. Douglas MacArthur, Vorin E. WHAN, 1965

Douglas MacArthur Arthur Herman, 2017-03-28

A new definitive life of an American icon, the visionary general who led American forces through three wars and foresaw his nation's great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of *Gandhi*. Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero, the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E. Lee. But he was also one of America's most divisive figures, a man whose entire career was steeped in controversy. Was he an avatar or an anachronism, a brilliant strategist or a vainglorious mountebank? Drawing on a wealth of new sources, Arthur Herman delivers a powerhouse biography that peels back the layers of myth, both good and bad, and exposes the marrow of the man beneath. MacArthur's life spans the emergence of the United States Army as a global fighting force. Its history is to a great degree his story. The son of a Civil War hero, he led American troops in three

monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman's magisterial book spans the full arc of MacArthur's journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur's strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America's destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur's place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary

MacArthur's Jungle War Stephen R. Taaffe, 1998 His book tells not only how victory was gained through a combination of technology tactics and army navy cooperation but also how the New Guinea campaign exemplified the strategic differences that plagued the Pacific War since many high ranking officers considered it a diversionary tactic rather than a key offensive

Mobility, Shock, and Firepower Robert S. Cameron, 2008 Captures the multifaceted development of the Armored Force from its inauspicious beginnings in World War 1 to its fully mature operational status at the close of World War 2 Provides an excellent case study in force transformation Gives attention to training maneuvers conducted in the interwar period Source material includes reports memorandums and correspondence of the majors lieutenant colonels and colonels associated with armored development since World War I Pursuing the Honorable Justin M. Anderson, Kenneth W.

McDonald, 2019-05-15 Pursuing the Honorable argues that our modern understanding of honor as seen through example of today's military training is deficient To remedy this the book returns to an understanding of the honorable good especially

manifested for philosophers like Aristotle and Cicero in a life of the human virtues However because honor as defined by the honorable good needs to be applicable to the 21st Century occidental world of liberal democratic values the study includes careful attention to those conditions under which honor can once again become a live option While special attention is given to military training including concrete proposals for its renewal what the study discovers extends to many forms of human life A revolutionary war : Korea and the transformation of the postwar world William J. Williams,1993 **Dissenting**

Voices in America's Rise to Power David Mayers,2007-02-15 This book offers a major rereading of US foreign policy from Thomas Jefferson s purchase of Louisiana expanse to the Korean War This period of one hundred and fifty years saw the expansion of the United States from fragile republic to transcontinental giant David Mayers explores the dissenting voices which accompanied this dramatic ascent focusing on dissenters within the political and military establishment and on the recurrent patterns of dissent that have transcended particular policies and crises The most stubborn of these sprang from anxiety over the material and political costs of empire while other strands of dissent have been rooted in ideas of exigent justice realpolitik and moral duties existing beyond borders Such dissent is evident again in the contemporary world when the US occupies the position of preeminent global power Professor Mayers s study reminds us that America s path to power was not as straightforward as it might now seem Forging the Anglo-American Alliance Tyler R. Bamford,2022-07-06 The joint British and US campaigns in the European theater of operations during World War II rank among the most impressive examples of coalition warfare in history In just eighteen months the US and British armies integrated their planning intelligence and command structures more thoroughly than any previous alliance Millions of British and American soldiers fighting alongside one another liberated North Africa France Italy and western Germany How did these two armies come together so quickly How did they combine their forces to a degree never before seen among the services of sovereign nations And how did they sustain their alliance in the face of severe disagreements and battlefield setbacks In Forging the Anglo American Alliance Tyler Bamford answers these questions by presenting the first history of the two armies relations from 1917 to 1941 Great Britain and the United States emerged from World War I as the strongest military powers in the world Forging the Anglo American Alliance examines why the armies of these two nations chose to view each other as their closest strategic partner instead of their greatest potential threat and illustrates the legacy that World War I had on the attitudes of the US and British armies toward one another and alliance warfare Through personal interactions and military education in the years leading up to World War II army officers shared large amounts of military intelligence and formed positive opinions of one another As the threat of Germany and Japan grew army officers were the first to anticipate the need for an alliance between their nations and to begin thinking about ways to structure their combined forces Using untapped archival sources official reports and officers personal papers Bamford presents an important and engaging new analysis of how this partnership grew out of the experiences and initiative of British and US Army officers and attach s during World War I and

the two decades that followed *Respectfully Quoted* James H. Billington, Library of Congress, 2010-01-01 A treasury of thought provoking declarations and observations features a splendid variety of political scientific social and literary voices Quoted historical figures include Paine Milton Emerson Marx Napoleon Dickens and Churchill **Congressional Record** United States. Congress, 1970 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Eisenhower in War and Peace** Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America s thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike s maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower s superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike s finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith s chronicle of Eisenhower s presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith s perceptive retelling as both a canny politician and a skillful decisive leader He managed not only to keep the peace but also to enhance America s prestige in the Middle East and throughout the world Unmatched in insight Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for Eisenhower in War and Peace A fine new biography Eisenhower s White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower s ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart congenial unpretentious and no ideologue Despite competing biographies from Ambrose Perret and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year s Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America s greatest living biographer shows why now more than ever Americans should like Ike George F Will **Partners for Democracy** Ray

A. Moore, Donald L. Robinson, 2004 In 1945 Emperor Hirohito signed Japan's unconditional surrender to the United States and its allies Tackling a timely subject this work takes the controversial stand that the constitution of Japan was not imposed as a document of defeat **Winning the Peace** Robert C. Orr, 2004-07-20 Events in Iraq Afghanistan and the Balkans have proved that failed and defeated states threaten the national security interests of the United States and the stability of entire regions But success in addressing these threats clearly depends on more than military might the post conflict period is equally crucial Case studies in this book examine the U S approach in Kosovo East Timor Sierra Leone Afghanistan and Iraq The book offers policy guidance on how to handle current reconstruction challenges and on building capacity to do a better job when America is inevitably called on to restore failed nations in the future The Korean War Stanley Sandler, 2014-01-14 First major clash with a communist army The Korean War was America's first ideological conflict and the first large scale clash between U S UN forces and a Communist army More than any other event it signaled the beginning of Cold War mobilization for the U S and NATO and even though the specter of international communism had since faded away the animosities of The Forgotten War threaten to flare up even today Focuses on military topics The Korean War contains articles of varying lengths on key topics that range from the origins of the conflict ground naval and air operations and tactical planning to the Truman MacArthur face off the POW issue and armistice negotiations The bulk of the Encyclopedia focuses on such military topics as the use of artillery the pioneering concept of helicopter evacuation of wounded new infantry tactics dictated by Communist POW riots civil affairs larger military units and communications There are also articles on civilian and military leaders including President Eisenhower General Ridgeway Kim Il Sung Chou En lai Syngman Rhee and others Special features Articles written by experts in the field Useful to librarians scholars researchers and students alike Includes 48 maps and photographs Covers an extraordinary range of key topics A chronology extensive bibliography and a subject index are included **America and the Just War Tradition** Mark David Hall, J. Daryl Charles, 2019-03-30 America and the Just War Tradition examines and evaluates each of America's major wars from a just war perspective Using moral analysis that is anchored in the just war tradition the contributors provide careful historical analysis evaluating individual conflicts Each chapter explores the causes of a particular war the degree to which the justice of the conflict was a subject of debate at the time and the extent to which the war measured up to traditional ad bellum and in bello criteria Where appropriate contributors offer post bellum considerations insofar as justice is concerned with helping to offer a better peace and end result than what had existed prior to the conflict This fascinating exploration offers policy guidance for the use of force in the world today and will be of keen interest to historians political scientists philosophers and theologians as well as policy makers and the general reading public Contributors J Daryl Charles Darrell Cole Timothy J Demy Jonathan H Ebel Laura Jane Gifford Mark David Hall Jonathan Den Hartog Daniel Walker Howe Kerry E Irish James Turner Johnson Gregory R Jones Mackubin Thomas Owens John D Roche and Rouven Steeves The Greenhill Dictionary of

Military Quotations Peter G. Tsouras, 2020-05-18 A massive and valuable collection of quotes about war from soldiers commanders strategists and others The Spectator This volume brings four thousand years of military history to life through the words of more than eight hundred diverse personalities Napoleon Machiavelli Atatürk Che Guevara Rommel Julius Caesar Wellington Xenophon Crazy Horse Wallenstein T E Lawrence Saladin Zhukov Eisenhower and many more to build a comprehensive picture of war across the ages Broken down into more than 480 categories including courage danger failure leadership luck military intelligence tactics training guerrilla warfare and victory this definitive guide draws on the collected wisdom of those who have experienced war at every level From the brutality and suffering of war to the courage and camaraderie of soldiers to the glory and exhilaration of battle these quotes offer an insight into the turbulent history of warfare and the lives and deeds of great warriors A massive compilation casting light not only upon the pain suffering and sheer insanity of war but also upon the unique comradeship and exhilaration of battle this is a valuable addition to the literature of reference The Spectator

Soldier Speaks Douglas Macarthur Introduction

In the digital age, access to information has become easier than ever before. The ability to download Soldier Speaks Douglas Macarthur has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Soldier Speaks Douglas Macarthur has opened up a world of possibilities. Downloading Soldier Speaks Douglas Macarthur provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Soldier Speaks Douglas Macarthur has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Soldier Speaks Douglas Macarthur. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Soldier Speaks Douglas Macarthur. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Soldier Speaks Douglas Macarthur, users should also consider the potential

security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Soldier Speaks Douglas Macarthur has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Soldier Speaks Douglas Macarthur Books

1. Where can I buy Soldier Speaks Douglas Macarthur books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Soldier Speaks Douglas Macarthur book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
