

Soldier Life In The Union Confederate

Aaron Sheehan-Dean

Soldier Life In The Union Confederate:

Soldier Life in the Union and Confederate Armies Philip Van Doren Stern, 1961 Soldier life in the Union and Confederate Armies Edited with an intro and notes from Hardtack and coffee by John D Billings and Detailed minutiae of soldier life in the Army of Northern Virginia by Carlton McCarthy Original sketches by Charles W Reed and William L Sheppard [Soldier Life in the Union and Confederate armies](#) Philip Van Doren Stern, 1961 *Life in the Confederate Army* William Watson, 2023-12-26 In *Life in the Confederate Army* William Watson meticulously chronicles the experiences of soldiers during the American Civil War focusing on the Southern perspective Written in a compelling narrative style that seamlessly blends personal anecdotes historical accounts and vivid descriptions the book provides a rare glimpse into the daily routines struggles and camaraderie of Confederate troops Watson's work is deeply rooted in the historical context of the Civil War illuminating the complexities of war society and identity in the Southern states His attention to both the emotional and psychological landscapes of the soldiers enriches our understanding of this tumultuous period in American history William Watson a historian and Civil War enthusiast draws from a wealth of primary sources including letters journals and official documents that reflect the soldiers realities His background in military history and intimate knowledge of the Confederate narrative allow him to present a balanced account that acknowledges the valor and humanity of those who fought while also examining the broader implications of their actions Watson's dedication to capturing the nuances of this historical moment showcases not only his academic rigor but also his passion for storytelling *Life in the Confederate Army* is a must read for anyone interested in understanding the human side of the Civil War Watson's vivid portrayals and insightful analyses offer both scholars and general readers unique access to the lives of Confederate soldiers making this work an essential addition to the literature on American history and military studies

The Story of a Common Soldier of Army Life in the Civil War, 1861-1865 Leander Stillwell, 1920 *The Story of a Common Soldier* is the description of Leander Stillwell's experiences as an average soldier in the Union Army

The Loyal, True, and Brave Steven E. Woodworth, 2002 This is a collection of writings by and about Civil War soldiers The pieces offer a revealing insight into the life of a Civil War soldier and bring to life the experiences of both Union and Confederate soldiers

Soldier Life in the Union and Confederate Armies Philip Van Doren Stern, 1961

Behind the Blue and Gray Delia Ray, 1996-09-01 In this second of a three part series this book traces the events of the Civil War from the first battle to the surrender with emphasis on the experiences of the individual soldiers Whether they wore Union blue or Confederate gray the untrained recruits of the Civil War quickly learned to endure the hardships of the army life They experienced the horrors of battle rampant disease makeshift hospitals and prison camps and even boredom Drawing on letters diaries eyewitness accounts and many vintage photographs *Behind the Blue and Gray* explores the lives of soldiers from all walks of life from all black Northern regiments to young boys who lied about their age to enlist Also in this series *A Nation Torn The Story of How the Civil War Began* *A Separate Battle* *Women and the Civil War*

Life Among the Soldiers and Cavalry James A. Corrick, 2000 This book discusses joining up uniforms and rifles training and discipline and more

The Story of a Common Soldier of Army Life in the Civil War, 1861-1865 Leander Stillwell, 2017-10-04 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

A Soldier's Life in the Civil War Dale Anderson, 2004 Tens of thousands of men served in the armies of the Civil War At first many of them seemed to expect a glorious adventure that would test their courage and be over quickly The war lasted many years though testing their endurance and commitment to their cause This book describes in depth the soldiers lives including the treatment of African American soldiers The tales of colorful and daring spies and daughters of the regiment complete the picture of life in both armies during the Civil War Book jacket

The ^AVacant Chair Reid Mitchell, 1995-07-13 In many ways the Northern soldier in the Civil War fought as if he had never left home On campsites and battlefields the Union volunteer adapted to military life with attitudes shaped by networks of family relationships in units of men from the same hometown Understanding these links between the homes the troops left behind and the war they had to fight writes Reid Mitchell offers critical insight into how they thought fought and persevered through four bloody years of combat In *The Vacant Chair* Mitchell draws on the letters diaries and memoirs of common soldiers to show how mid nineteenth century ideas and images of the home and family shaped the union soldier s approach to everything from military discipline to battlefield bravery For hundreds of thousands of boys as they called themselves the Union army was an extension of their home and childhood experiences Many experienced the war as a coming of age rite a test of such manly virtues as self control endurance and courage They served in companies recruited from the same communities and they wrote letters reporting on each other s

performance conscious that their own behavior in the army would affect their reputations back home So too were they deeply affected by letters from their families as wives and mothers complained of suffering or demanded greater valor Mitchell also shows how this hometown basis for volunteer units eroded respect for military rank as men served with officers they saw as equals Lieut Col Dewey introduced Hugh T Reid one sergeant wrote dryly by saying Boys behold your colonel and webeheldhim In return officers usually adopted paternalist attitudes toward their boys especially in the case of white officers commanding black soldiers Mitchell goes on to look at the role of women in the soldiers experiences from the feminine center of their own households to their hatred of Confederate women as she devils The intimate relations and inner life of the Union soldier the author writes tell us much about how and why he kept fighting through four bloody years and why demoralization struck the Confederate soldier as the war penetrated the South threatening his home and family while he was at the front The Northern soldier did not simply experience the war as a husband son father or brother he fought that way as well he writes That was part of his strength The Confederate soldier fought the war the same way and in the end that proved part of his weakness The Vacant Chair uncovers this critical chapter in the Civil War experience showing how the Union soldier saw and won our most costly conflict

The Life of Johnny Reb Bell Irvin Wiley,2008-01-01 In this companion to The Life of Johnny Reb Bell Irvin Wiley explores the daily lives of the men in blue who fought to save the Union With the help of many soldiers letters and diaries Wiley explains who these men were and why they fought how they reacted to combat and the strain of prolonged conflict and what they thought about the land and the people of Dixie This fascinating social history reveals that while the Yanks and the Rebs fought for very different causes the men on both sides were very much the same This wonderfully interesting book is the finest memorial the Union soldier is ever likely to have Wiley has written about the Northern troops with an admirable objectivity with sympathy and understanding and profound respect for their fighting abilities He has also written about them with fabulous learning and considerable pace and humor

The View from the Ground Aaron Sheehan-Dean,2006-12-22 Civil War scholars have long used soldiers diaries and correspondence to flesh out their studies of the conflict s great officers regiments and battles However historians have only recently begun to treat the common Civil War soldier s daily life as a worthwhile topic of discussion in its own right The View from the Ground reveals the beliefs of ordinary men and women on topics ranging from slavery and racism to faith and identity and represents a significant development in historical scholarship the use of Civil War soldiers personal accounts to address larger questions about America s past Aaron Sheehan Dean opens The View from the Ground by surveying the landscape of research on Union and Confederate soldiers examining not only the wealth of scholarly inquiry in the 1980s and 1990s but also the numerous questions that remain unexplored Chandra Manning analyzes the views of white Union soldiers on slavery and their enthusiastic support for emancipation Jason Phillips uncovers the deep antipathy of Confederate soldiers toward their Union adversaries and Lisa Laskin explores tensions between soldiers and civilians in the Confederacy that represented a serious

threat to the fledgling nation's survival Essays by David Rolfs and Kent Dollar examine the nature of religious faith among Civil War combatants The grim and gruesome realities of warfare and the horror of killing one's enemy at close range profoundly tested the spiritual convictions of the fighting men Timothy J Orr Charles E Brooks and Kevin Levin demonstrate that Union and Confederate soldiers maintained their political beliefs both on the battlefield and in the war's aftermath Orr details the conflict between Union soldiers and Northern antiwar activists in Pennsylvania and Brooks examines a struggle between officers and the Fourth Texas Regiment Levin contextualizes political struggles among Southerners in the 1880s and 1890s as a continuing battle kept alive by memories of and identities associated with their wartime experiences The View from the Ground goes beyond standard histories that discuss soldiers primarily in terms of campaigns and casualties These essays show that soldiers on both sides were authentic historical actors who willfully steered the course of the Civil War and shaped subsequent public memory of the event **Union Soldiers in the American Civil War** Lance J.

Herdegen,2017-07-19 Some Confederates called him a Bluebelly Mudsill and even a Lincolnite for President Abraham Lincoln but the name that has carried down through the decades is simply Billy Yank Author Lance Herdegen tells his fascinating multi faceted story in Union Soldiers in the American Civil War Union Soldiers offers a complete guide for Civil War enthusiasts of all ages Herdegen employs nearly 100 photographs coupled with clear and concise prose broken down into short easy to understand chapters to better understand these men Coverage includes such varied topics as the organization of the Union Army learning to be soldiers winter campaigning photography sick call nurses religion discipline prisoner of war camps weaponry uniforms as well as numbers and losses and the strengths of the various Union armies It also examines the participation of U S Color Troops and the role played by African Americans during the Civil War This handy reference book includes a list of Civil War points of interest some bookshelf suggestions and a glossary of Civil War terms Experienced Civil War buffs will find Union Soldiers in the American Civil War an invaluable quick reference guide and one that makes an excellent gift for introducing the Civil War to anyone of any age Beyond the Battlefield David

Madden,2000 In a fascinating contribution to Civil War history this book goes to the camps where perhaps ingloriously soldiers spent most of their time to reveal what they ate what they wore and what they did to combat boredom 75 photos throughout

The Civil War Soldier Angus Konstam,2018-03-13 Specially commissioned photographs of more than 700 key artifacts and military equipment bring to life the experiences of Union and Confederate soldiers of all ranks by exploring the uniforms weapons and objects carried by soldiers on both sides There is an abiding fascination with the Civil War What personal items did soldiers carry in their haversacks How did the weaponry differ between ranks What did the design of each unit's flag symbolize This is the ultimate quartermaster's locker room a full scale armory of detailed information This is an essential work for those who wish to gain an in depth understanding of military life during one of the greatest conflicts in history especially anyone interested in the widely popular Civil War reenactments This book offers unique and detailed

information about the personal items that a typical soldier carried along with weapons and other military necessities. Selected for their importance to the outcome, the artifacts include Union and Confederate guns, swords, artillery, uniforms, medals, equipment, and much more. Each item is described, photographed, and discussed in detail, making this a superb reference that brings the war to life.

The Notorious Isaac Earl and His Scouts Gordon L. Olson, 2014-05-14 While large armies engaged in epic battles in the eastern theater of the Civil War, a largely unchronicled story was unfolding along the Mississippi River. Thirty Special Scouts under the command of Lieutenant Isaac Newton Earl patrolled the river, gathering information about Confederate troop activity, arresting Rebel smugglers and guerillas, and opposing anti-Union insurrection. Gordon Olson gives this special unit full book-length treatment for the first time in *The Notorious Isaac Earl and His Scouts*. Olson uses new research in assembling his detailed yet very readable account of Earl, a dynamic leader who rose quickly through Union Army ranks to command this elite group. He himself was captured by the Confederates three times and escaped three times, and he developed a strategic and later romantic relationship with a Southern woman, Jane O'Neal, who became one of his spies. In keeping the river open for Union Army movement of men and supplies to New Orleans, Earl's Scouts played an important, heretofore unheralded role in the Union's war effort.

The Timberclads in the Civil War Myron J. Smith, Jr., 2008-10-07 In the most detailed history ever of Union warships on the western waters of the Civil War, the author recounts the exploits of the timberclad ships *Lexington*, *Tyler*, and *Conestoga*. Converted to warships from commercial steamboats at the beginning of the conflict, the three formed the core of the North's Western Flotilla, later the Mississippi Squadron. The book focuses on the activities of these wooden warriors while providing context for the greater war, including accounts of their famous commanders, their roles in both large and small battles, ship-to-ship combat, and support for the armies of Gen. U.S. Grant and Gen. William T. Sherman.

After Vicksburg Myron J. Smith, Jr., 2021-11-01 This is the first published comprehensive survey of naval action on the Mississippi River and its tributaries for the years 1863-1865. Following introductory reviews of the rivers and of the U.S. Navy's Mississippi Squadron, chronological Federal naval participation in various raids and larger campaigns is highlighted, as well as counterinsurgency, economical support, and control and logistical protection. The book includes details on units, locations, and activities that have been previously underreported or ignored. Examples include the birth and function of the Mississippi Squadron's 11th District, the role of U.S. Army gunboats, and the war on the Upper Cumberland and Upper Tennessee Rivers. The last chapter details the coming of the peace in 1865 and the decommissioning of the U.S. river navy and the sale of its gunboats.

A Companion to the U.S. Civil War Aaron Sheehan-Dean, 2014-02-05 *A Companion to the U.S. Civil War* presents a comprehensive historiographical collection of essays covering all major military, political, social, and economic aspects of the American Civil War, 1861-1865. Represents the most comprehensive coverage available relating to all aspects of the U.S. Civil War. Features contributions from dozens of experts in Civil War scholarship. Covers major campaigns and battles and military and political figures, as well

as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory
