Soldiering On A Soldiers War In North Africa And Italy:

Soldiering on John Blythe,1989-01-01 **Italian soldier in North Africa 1941-43** Piero Crociani,Pier Paolo Battistelli,2013-11-20 Despite the attention paid to the Afrikakorps over the years it was the numerically far superior forces of the Italian Army that held the line and formed the bulk of the fighting power available to the Axis powers during the War in the Desert from 1941 through to 1943 Their performance has been unfairly criticised over the years the best units of the Italian Army were equal to those of the British and Germans but they suffered from a lack of mobility and poor equipment that made it impossible for them to meet mobile British forces on anywhere near equal terms Despite this the Italian Army went through many changes through the period with the introduction of a variety of elite units armoured mechanised and parachute divisions that did much to restore the fighting reputation of the Italian soldier in the desert war Their German allies belatedly acknowledged this with the redesignation of Panzerarmee Afrika as 1st Italian Army in February 1943 This title details recruitment organisation and experience of the Italian forces in this theatre casting new light on a force whose fighting power and capabilities have been unfairly ignored and maligned for too long **Penguin Book of New Zealanders at War** Gavin McLean,2009-08-31 The New Zealand Wars of the 1840s and 1860s other nineteenth century military encounters the South African War the First and Second World Wars Korea Malaya Vietnam the Gulf War modern day peacekeeping The Penguin Book of New Zealanders at War contains the best widest range of published and non published written material on our people in warfare This is a soldier s book thus letters diaries journalists reports memoirs The focus is on actual experience and on human responses to war A vast array of personal experiences is covered including POWs the home front medical nursing efforts as well as coverage of conscientious objectors **One Day in a Very Long War** John Ellis,1998 He the author describes a world wide conflict from the viewpoint of those who took part on all fronts in both Allied and Axis forces field marshall or private president prime minister prisoner of war or munitions worker just as they saw it on 25th October 1944 Blurb Dogface Soldier Wilson A. Heefner,2010-05-05 On July 11 1943 General Lucian Truscott received the Army s second highest decoration the Distinguished Service Cross for valor in action in Sicily During his career he also received the Army Distinguished Service Medal with Oak Leaf Cluster the Navy Distinguished Service Medal the Legion of Merit and the Purple Heart Truscott was one of the most significant of all U S Army generals in World War II pioneering new combat training methods including the famous Truscott Trot and excelling as a combat commander turning the Third Infantry Division into one of the finest divisions in the U S Army He was instrumental in winning many of the most important battles of the war participating in the invasions of North Africa Sicily Anzio and southern France Truscott was not only respected by his peers and dogfaces common soldiers alike but also ranked by President Eisenhower as second only to Patton whose command he took over on October 8 1945 and led until April 1946 Yet no definitive history of his life has been compiled Wilson Heefner corrects that with the first authoritative biography of this distinguished American military leader

Heefner has undertaken impressive research in primary sources as well as interviews with family members and former associates to shed new light on this overlooked hero. He presents Truscott as a soldier who was shaped by his upbringing, civilian and military education, family life, friendships, and evolving experiences as a commander both in and out of combat. Heefner's brisk narrative explores Truscott's career through his three decades in the Army and defines his roles in key operations. It also examines Truscott's postwar role as military governor of Bavaria, particularly in improving living conditions for Jewish displaced persons, removing Nazis from civil government, and assisting in the trials of German war criminals. And it offers the first comprehensive examination of his subsequent career in the Central Intelligence Agency, where he served as senior CIA representative in West Germany during the early days of the Cold War and later as CIA Director Allen Dulles's deputy director for coordination in Washington. *Dogface Soldier* is a portrait of a man who earned a reputation for being honest, forthright, fearless, and aggressive both as a military officer and in his personal life. A man who at the dedication ceremony for the Anzio-Nettuno American cemetery in 1945 turned away from the crowd and to the thousands of crosses stretching before him to address those buried there. Heefner has written a definitive biography of a great soldier and patriot.

Eighth Army Soldier vs Italian Soldier David Greentree, 2024-10-24 Fully illustrated, this absorbing study assesses the Commonwealth and Italian infantrymen pitted against one another during the First and Second battles of El Alamein in 1942. By July 1942, the Allied troops fighting in North Africa, the multinational Eighth Army, had withdrawn to the El Alamein line, the last position stopping their German and Italian opponents from reaching the Suez Canal. Featuring full-colour artwork, carefully chosen archive photographs, and incisive analysis, this book casts light on the Commonwealth and Italian infantrymen who participated in the seesaw battle for control of the North African coastline as it entered its decisive phase, played out over two bloody engagements during July-October 1942. Although Allied and Axis commanders saw armour as the decisive weapon in the Desert War, the infantry fielded by both sides would be key to the outcomes of the two El Alamein battles. While the majority of the 96,000 Axis troops at the first battle were Italian, mostly infantry, Commonwealth forces provided the greater part of Eighth Army's fighting strength. During the First Battle of El Alamein in July 1942, Italian infantry units clashed with Indian troops at Ruweisat Ridge and Australian forces at Makh Khad Ridge; both battles are assessed in this book, along with the defence mounted by New Zealand troops at Miteiriya Ridge during the Second Battle of El Alamein that October.

Love Under Fire Louis Rautenbach, 2021-03-22 It is September 1939, New Zealand. In the death traps of the past winter and in the midst of the impending war in Europe, two loved ones gather for old time's sake before they will leave separately for the war in Europe. Kevin Welsh, an infantryman soldier, and Helen Townsend, a medical Sister of Tekapo, discovered the wonder of their love the night before the young man should report for joining the war. Memories of this passionate night follow the two loved ones throughout this story until the end of the war, after which new challenges in the midst of love and sorrow cross their way again. The reader will also experience the challenges and victories of World War II.
