**Solidarity Forever** John Rose,1986      **British Rail** Tanya Jackson,Chris Green,2013-10-01 British Rail is a contentious company as controversial as Dr Beeching and his axe However this examination of BR s passenger services shows just how vital the organisation was It successfully carried millions of commuters to and from their jobs every day organised its trunk route services to yield a profit under the brand name Inter City and pioneered world beating research and technological development through its own research centre and engineering subsidiary It transformed the railway system of Britain from a post Second World War state of collapse into a modern technologically advanced railway And it did all this despite being starved of cash and being subjected to the whims of ever fickle politicians British Rail The Nation s Railway is a story expertly weaved by Tanya Jackson of how all this was achieved against the odds Complemented by stunning black and white and colour images this is certainly a volume that no rail enthusiast should be without      **Mick Lynch** Gregor

Gall,2024-01-02 In the summer of 2022 the little known leader of a small union became a working class hero Facing down media pundits who thought they could walk all over him he offered a robust critique of the government and provided workers with an authentic voice At a time when the Labour Party was unable to articulate a credible alternative to the Tories Mick Lynch spoke for the working class Where did Lynch come from How did he develop the skills and traits that make him such an effective spokesperson and leader This book the first biography of Lynch explores his family and social background and his rise to the top of the RMT union which culminated in election as General Secretary in 2021 Considering his persona and politics this book asks what quality singles out Lynch as a working class hero compared to other union leaders and more broadly what leadership means for working people and for the left If we want better leaders at every level the case of Mick Lynch holds the key      On the Move Chris Wrigley,Johnathan Shepherd,1991-01-01      *British Fascism, the Labour*

*Movement and the State* N. Copsey,D. Renton,2005-04-26 Considerable attention has been paid to far right parties and their leaders Oswald Mosley A K Chesterton John Tyndall and Nick Griffin But what about the forces that have been organised in opposition to fascism in Britain British Fascism the Labour Movement and the State brings together the leading historians in the field to trace the history of labour movement responses to the far right from the 1920s to the present It examines the rise and fall of different fascist groups in terms of wider social processes above all the hostility of the labour movement left wing parties the women s movement and the trade unions      *Ottley's Bibliography of British Railway History. **When We Touched the Sky** Dave Renton,2006 Cultural Writing Political Science By the end of the 1970s the National Front seemed poised to become Britain s third political party But the NF had enemies on the terraces and in the clubs and everywhere the young fought back This is the history of that struggle The Anti Nazi League was one of the real triumphs of the left in Britain As a consequence of its campaigns British fascists imploded so that even today they are weaker than their

continental counterparts This carefully researched and eloquently written book provides the first full length history of the ANL It shows how ordinary people can affect the course of history providing stirring memories and valuable lessons Peter Alexander     **Bibliography of Printed Works on London History to 1939** Heather Creaton,Tony Trowles,1994 The history of London is so important in national and indeed international terms it seems extraordinary that this is the first general bibliography of the subject to appear It contains over 22 000 selected references to books and articles on the history of London from the Dark Ages to the beginning of the Second World War The whole of the former GLC area plus the City is covered Arrangement is by subject and there is a substantial analytical index Material for the bibliography was collected from specialist libraries all over London and beyond It is a starting point for any enquiry about London s development over the centuries whether from the academic historian the amateur or the general enquirer A supplement is planned to cover new material on the period     Employee Relations Bibliography and Abstracts Journal ,1991     Labour Research ,1987
