Solomons Island Vicinity An Illustrated History And Walking Tour:

Solomons Island and Vicinity Richard J. S. Dodds,1995 *Calvert County* Carter T. Gray,2000 From its early Piscataway heritage to the advanced research laboratories of today from the tobacco farms to the sandy beaches Calvert County has had a fascinating and diverse past Established in 1654 Calvert played a role in both the American Revolution and the Civil War Hosting decades of vacationing beachgoers the region has also been called home by the many who for centuries have built their lives on the bounty of the Chesapeake Bay **Caviar** Inga Saffron,2002-10-08 In the tradition of Cod and Olives a fascinating journey into the hidden history culture and commerce of caviar Once merely a substitute for meat during religious fasts today caviar is an icon of luxury and wealth In Caviar Inga Saffron tells for the first time the story of how the virgin eggs of the prehistoric looking bottom feeding sturgeon were transformed from a humble peasant food into a czar s delicacy and ultimately a coveted status symbol for a rising middle class She explores how the glistening black eggs became the epitome of culinary extravagance while taking us on a revealing excursion into the murky world of caviar on the banks of the Volga River and Caspian Sea in Russia the Elbe in Europe and the Hudson and Delaware Rivers in the United States At the same time Saffron describes the complex industry caviar has spawned illustrating the unfortunate consequences of mass marketing such a rare commodity The story of caviar has long been one of conflict crisis extravagant claims and colorful characters such as the Greek sea captain who first discovered the secret method of transporting the perishable delicacy to Europe the canny German businessmen who encountered a wealth of untapped sturgeon in American waters the Russian Communists who created a sophisticated cartel to market caviar to an affluent Western clientele the dirt poor poachers who eked out a living from sturgeon in the aftermath of the Soviet collapse and the caviar Mafia that has risen in their wake and the committed scientists who sacrificed their careers to keep caviar on our tables Filled with lore and intrigue Caviar is a captivating work of culinary natural and cultural history **Sturgeons and Paddlefish of North America** G.T.O LeBreton,F. William H. Beamish,Scott R. McKinley,2006-01-20 Modern North American sturgeons and paddlefish are the result of 100 million years of evolution Once an integral part of aboriginal culture their numbers were decimated by overfishing and habitat destruction during the past two centuries This book details the extensive science aimed at helping these remarkable species recover from the brink of extinction and describes the historical biological and ecological importance of North American sturgeon and paddlefish The text is enhanced by photographs and detailed line drawings This comprehensive volume will be an invaluable resource for researchers educators and consultants in academic and government settings who work to further scientific understanding of these fishes No other single compilation has documented current information in such detail *Maritime Maryland* William S. Dudley,2010-10 Harvested for food harnessed for power and home to more than 3 600 species of plants fish and animals the Chesapeake Bay and its tributaries have long been essential to the sustainability and survival of the region s populations Historian William S Dudley explores that history in an engaging
