Jonathan Dee

Sugar Street:

Sugar Street Jonathan Dee, 2022-09-13 This propulsive and furious book is as fun to read as it is relentless and unsparing. Deranged and faltering America Jonathan Dee has your number Joshua Ferris author of *The Dinner Party* In Jonathan Dee's elegant and explosive new novel *Sugar Street* an unnamed male narrator has hit the road. Rid of any possible identifiers his possessions amount to 168 548 in cash stashed in an envelope under his car seat. Vigilantly avoiding security cameras he drives until he hits a city where his past is unlikely to track him down and finds a room to rent from a less than stable landlady whose need for money outweighs her desire to ask questions. He seems to have escaped his former self. But can he. In a story that moves with swift dark humor and insight Dee takes us through his narrator's attempt to disavow his former life of privilege and enter a blameless new existence. Having opted out of his material possessions and human connections the pillars of his new self simplicity kindness above all invisibility grow shakier as he butts up against the daily lives of his neighbors in their politically divided working class city. With the suspense of a crime thriller and the grace of our best literary fiction Dee unspools the details of our unlikely hero's former life and his developing new one in a drumbeat roll up to a shocking final act. Dee has been compared by the *Wall Street Journal* to authors such as Jonathan Franzen and Jennifer Egan for his expansive contemporary social novels. *Sugar Street* is a leaner more personal but still uncannily timely look at the volatile America of today. A risky engrossing and surprisingly visceral story about a white man trying to escape his own troubling footprint and start his life over. Sugar Street Najīb Maḥfūz, 1993 A Nobel laureate's collection of five original tales inspired by the Egypt of the pharaohs brings the world of ancient Egypt face to face with modern times. Reprint.

Sugar Street Naguib Mahfouz, 2011-11-29 *Sugar Street* is the final novel in Nobel Prize winner Naguib Mahfouz's magnificent Cairo Trilogy an epic family saga of colonial Egypt that is considered his masterwork. The novels of the Cairo Trilogy trace three generations of the family of tyrannical patriarch al Sayyid Ahmad Abd al Jawad who rules his household with a strict hand while living a secret life of self-indulgence. *Sugar Street* brings Mahfouz's vivid tapestry of an evolving Egypt to a dramatic climax as the aging patriarch sees one grandson become a Communist one a Muslim fundamentalist and one the lover of a powerful politician. Filled with compelling drama earthy humor and remarkable insight Mahfouz's Cairo Trilogy is the achievement of a master storyteller. Translated by William Maynard Hutchins and Angele Botros Samaan.
