Suicide Art:

Art of Suicide Ron Brown, 2004-01-02 The Art of Suicide is a history of the visual representation of suicide from the ancient world to its decriminalization in the 20th century After looking at instances of voluntary death in ancient Greece Ron Brown discusses the contrast between the extr **Suicide Art** Scott Edelman, 1992 *Suicide and the Creative Arts* Steven Stack, David Lester, 2009 Artistic work itself has been thought of as a life saving behaviour for some suicidal artists Artistic depictions of suicide can also have a contagion effect causing suicides among members of the real world audience Guidelines are still needed for institutions such as the motion picture industry for minimising possible copycat effects of suicides in feature films and other artistic displays of suicide Perhaps one of the most important reasons for studying suicide art is for insights into the motives for suicide Artists portrayed many motives for suicide long before the rise of the science of suicidology in the 20th Century Motives including social factors such as death of a loved one honour economic strain and betrayal in love have roots in many historical artistic products Sophocles's plays dating from 2 500 years ago contain several motives that are still found today The history of suicide in art especially if film is included may be subject to continuities as well as changes in the motives for suicide While the visual arts may have drifted away from certain causes of suicide such as heroicism these causes may actually live on in other art forms including film and opera The present volume stresses a holistic approach to the study of suicide in art Patterns in one art venue may be both similar and different to those in other venues Hence caution needs to be exercised in making generalisations on the basis of one or a few modalities of artistic creations

Networked Art Craig J. Saper, 2001 The experimental art and poetry of the last half of the twentieth century offers a glimpse of the emerging networked culture that electronic devices will make omnipresent Craig J Saper demarcates this new genre of networked art which uses the trappings of bureaucratic systems money logos corporate names stamps to create intimate situations among the participants Saper explains how this genre developed from post World War II conceptual art including periodicals as artworks in themselves lettrist concrete and process poetry Bauhaus versus COBRA Fluxus publications kits and machines mail art and on sendings The encyclopedic scope of the book includes discussions of artists from J Beuys to J S G Boggs and Bauhaus's Max Bill to Anna Freud Banana Publisher **Art Against Stigma** Hans-Otto Thomashoff, Norman Sartorius, 2004 This exemplary book on the fight against the stigma of psychiatric illness reveals in two ways how art is involved More than 20 psychiatrists art historians art therapists as well as artists describe the historic path of destigmatization which is accompanied by a representative selection of about 100 pictures crossing all borders Yet the position of the various authors in itself reflects the evolution from the anonymous case to the artist whose mental illness is a part of his privacy thus separated from the value of the artwork Adult Art Psychotherapy Helen B. Landgarten, Darcy Lubbers, 2013-05-13 Adult Art Psychotherapy illuminates the range of ever expanding nature of art therapy as it completes its first two decades of formal existence The editors suggest that clinical art therapy is capable of adapting to different theories

and methods of therapy and that it is equally facile in responding to the diverse problems opportunities and changes in adult life
