Chase,2013-06-14 Successful dramatist Victor Dermott rents an isolated ranch house in the Nevada Desert For two months all is ideal then one bright summer morning he wakes to find his dog his guns his servant vanished and the telephone dead The terror has begun Agonising tension sustained throughout a first rate story Evening Standard *Late Summer, Early Fall* Sam W. Hawkins,2009-11-30 David Wilson had just graduated from high school and was waiting to enter the University of Texas and become a lawyer He was an honor student literate but he lacked athletic and social skills He lived in the shadow of his mother and was never quite allowed to develop like a normal boy In the course of summer David met a nigras boy who worked in the grocery store down the block Toye Lee Johnson was a year younger than David and was waiting for the day he turned 18 so he could join the army his sole plan He had no interest in school nor graduating but he was the embodiment of a perfect athlete He was very familiar with the worldly ways of life and had a great deal of common sense something David lacked Not two humans were as different as the two During the course of summer the two boys who met daily at the trash bin got to know each other and decided to do things that the other boy had never done This was against the code of the community which absolutely prohibited whites and nigras from associating with each other in social matters unless the coloreds remained in their place Consequently any kind of activity that the boys participated in had to be done in secret and often at night when they would not be seen together The summer activities were a revelation to both boys and each was

exposed to things he had never known all these without their secret being discovered All went well until the week before David left for Austin and Tye Lee returned for his senior year The event that happened that week changed the course of their lives and forced David to make decisions which would affect him for the rest of his life It was a decision in which he consulted three people who had the most influence on his life But in the end it was a decision only he could make Then again the question would always be Did I make the right decision **A Summer of Adventure** Jacqueline White

Unruh,2015-04-25 Teenage Toby lived with his grandmother When she died suddenly arrangements were made for him to spend the summer in Dallas Texas with his only living relative his uncle Mike While waiting at the bus terminal he noticed two kids trying to hide from a dirty unkempt man who smelled of booze When the man was out of sight Toby asked the teenage girl and her younger brother why the man was looking for them The girl Cindy hesitantly explained that he was their step father he beat their mother who was now in the hospital and he said he would kill them for calling 911 and turning him in They were clearly scared and Toby wanted to help if he could Toby convinced Cindy and her brother Tommy to come with him to Dallas where he was sure Uncle Mike would know what to do There was a long wait before their bus departure time so the three kids ran back to Cindy and Tommy's house where they quickly packed some clothes and found what money they could Back at the bus terminal they purchased one way tickets to Dallas and their Summer of Adventure began *Hollis McCalister - Summer Camp* Keith McCloud,2016-07-01
