Summertime Blues:

Summertime Blues ,2012-01-01 Twelve year old Lou s attempt to play matchmaker for her mother and Richard are foiled by a mandatory visit with her grandmother which is marked by boredom Brussel sprouts and Memaw s own plans for Mom s love life Billboard ,1994-07-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Song Interpretation in 21st-Century Pop Music** Ralf von Appen,André Doebling,Allan F. Moore,2016-03-03 Existing books on the analysis of popular music focus on theory and methodology and normally discuss parts of songs briefly as examples The impression often given is that songs are being chosen simply to illuminate and exemplify a theoretical position In this book the obverse is true songs take centre stage and are given priority The authors analyse and interpret them intensively from a variety of theoretical positions that illuminate the song Thus methods and theories have to prove their use value in the face of a heterogeneous contemporary repertoire The book brings together researchers from very different cultural backgrounds and encourages them to compare their different hearings and to discuss the ways in which they make sense of specific songs All songs analysed are from the new millennium most of them not older than three years Because the most widely popular styles are too often ignored by academics this book aims to shed light on how million sellers work musically Therefore it encompasses a broad palette highlighting mainstream pop Lady Gaga Ke ha Lucenzo Amy McDonald but also accounting for critically acclaimed indie styles Fleet Foxes Death Cab for Cutie PJ Harvey R B Destiny s Child Janelle Monae popular hard rock Kings of Leon Rammstein and current electronic music Andr s Bj rk By concentrating on 13 well known songs this book offers some model analyses that can very easily be studied at home or used in seminars and classrooms for students of popular music at all academic levels Arts and Cultural Programming Douglas Emerson Blandy,2008 The first section of this book is designed to provide an overview of arts and cultural programmes and programme theory while the second contains various theoretical perspectives related to the management of programmes audience development etc The last section invites experts to share successful arts programmes with the readers Big Bang, Baby Richard Crouse,2000-04-26 Big Bang Baby will entertain and enlighten music fans and will challenge even the experienced rock trivia junkie San Francisco and the Long 60s Sarah Hill,2016-01-14 San Francisco and the Long 60s tells the fascinating story of the legacy of popular music in San Francisco between the years 1965 69 It is also a chronicle of the impact this brief cultural flowering has continued to have in the city and more widely in American culture right up to the present day The aim of San Francisco and the Long 60s is to question the standard historical narrative of the time situating the local popular music of the 1960s in the city s contemporary artistic and literary cultures at once visionary and hallucinatory experimental and traditional singular and universal These qualities defined the aesthetic experience of the local culture in the 1960s and continue to inform the

cultural and social life of the Bay Area even fifty years later The brief period 1965-69 marks the emergence of the psychedelic counterculture in the Haight Ashbury neighbourhood the development of a local musical sound into a mainstream international style the mythologizing of the Haight Ashbury as the destination for seekers in the Summer of Love and the ultimate dispersal of the original hippie community to outlying counties in the greater Bay Area and beyond San Francisco and the Long 60s charts this period with the references to received historical accounts of the time the musical visual and literary communications from the counterculture and retrospective glances from members of the 1960s Haight community via extensive first hand interviews For more information read Sarah Hill's blog posts here <http://blogs.cardiff.ac.uk/musicresearch/2014/05/15/san-francisco-and-the-long-60s/> <http://blogs.cardiff.ac.uk/musicresearch/2014/08/22/city-scale/> <http://blogs.cardiff.ac.uk/musicresearch/2015/07/21/fare-thee-well/>

Rebels Leerom Medovoi, 2005-11-23 A cultural history of the political legitimization of youth rebellion during the Cold War era [Tell Tchaikovsky the News](#) Michael James Roberts, 2014-02-05 For two decades after rock music emerged in the 1940s the American Federation of Musicians AFM the oldest and largest labor union representing professional musicians in the United States and Canada refused to recognize rock n roll as legitimate music or its performers as skilled musicians The AFM never actively organized rock n roll musicians although recruiting them would have been in the union's economic interest In [Tell Tchaikovsky the News](#) Michael James Roberts argues that the reasons that the union failed to act in its own interest lay in its culture in the opinions of its leadership and elite rank and file members Explaining the bias of union members most of whom were classical or jazz music performers against rock music and musicians Roberts addresses issues of race and class questions of what qualified someone as a skilled or professional musician and the threat that records central to rock n roll posed to AFM members who had long privileged live performances Roberts contends that by rejecting rock n rollers for two decades the once formidable American Federation of Musicians lost their clout within the music industry

School Struggles Richard Selznick, 2025-09-12 School Struggles Dr Richard Selznick's follow up to the acclaimed *The Shut Down Learner* details a broader scope of potential problems faced by schoolchildren and offers techniques and insights to help them learn Dr Selznick explores reading and writing issues behavioral problems difficulties with organization social skills medication parents interactions with teachers excessive use of technology the importance of patience and more The practical down to earth tone and helpful easily applicable tools make this book a godsend for parents staying awake at night worrying about their child's learning and school experience

Gene Vincent & Eddie Cochran John Collis, 2011-08-19 The United Kingdom had never seen anything like it as two rock n roll legends rampaged around the country on Britain's first ever rock tour Gene Vincent and Eddie Cochran lived the rock n roll lifestyle to the full bringing to an end the monochrome 1950s and ushering in the swinging 60s John Collis has traced the story of the UK tour that was a defining moment in British popular culture to its tragic climax with the death of Eddie Cochran He looks back on the contrasting backgrounds of the two stars follows the tale onwards to Gene

Vincent s death from alcohol and drug abuse and examines the lasting legacy of their music
