Guinness World Records 2013 Craig Glenday,2013-04-30 Includes new and updated records with never before seen photography from the new shortest living man and a slam dunking parrot to the fiercest predators in the ocean *To the Greatest Heights* Vanessa O'Brien,2021-03-30 Travel to the top of the world s highest mountains with this riveting and uplifting memoir that is a rare mix of heart stopping adventure and powerful self reflection Johanna Garton author of *Edge of the Map* by Vanessa O'Brien record breaking American British explorer Long before she became the first American woman to summit K2 and the first British woman to return from its summit alive Vanessa O'Brien was a feisty suburban Detroit teenager forced to reinvent her world in the wake of a devastating loss that destroyed her family Making her own way in the world Vanessa strove to reach her lofty ambitions Soon armed with an MBA and a wry sense of humor she climbed the corporate ladder to great success but after the 2009 economic meltdown her career went into a tailspin She searched for a new purpose and settled on an unlikely goal climbing Mount Everest When her first attempt ended in disaster she trudged home humbled but wiser Two years later she made it to the top of the world And then she kept going Grounded by a cadre of wise cracking friends and an inimitable British spouse Vanessa held her own in the intensely competitive world of mountaineering summiting the highest peak on every continent and skiing the last degree to the North and South Poles She set new speed records for the Seven Summits receiving a Guinness World Record and the Explorers Grand Slam and finally made peace with her traumatic past During her attempt on K2 she very nearly gave up But on the savage mountain which kills one out of every four climbers who summit Vanessa evolved from an adventurer out to challenge herself to an explorer with a high altitude perspective on a changing world and a new call to share her knowledge and passion across the globe Told with heart and humor *To the Greatest Heights* is a vicariously engaging addition to the literature on mountaineering as well as a beacon of inspiration Kirkus Reviews starred review **Seven Climbs** Charles Sherwood,2020-05-07 Even the most casual reader among you will by now have worked out that the whole thing is little more than a delightful ruse for having a very good time Experienced climber Charles Sherwood is on a quest to find the best climb on each continent He

eschews the traditional Seven Summits where height alone is the determining factor and instead considers mountaineering challenge natural beauty and historical context aiming to capture the diverse character of each continent and the sheer variety of climbing in all its forms The author's ambitious odyssey takes him to the Alps the Himalaya Yosemite the Andes Kenya New Zealand and South Georgia His goal is neither to seek glory nor to complete a box ticking exercise but simply to enjoy himself in the company of his fellow climbers including Mark Seaton Andy Kirkpatrick and Stephen Venables and to appreciate the splendour of his surroundings On classic routes like the North Face of the Eiger and the Nose on El Capitan it is hard not to be swept away by Sherwood's unfaltering enthusiasm Also featuring fascinating historical detail about each route *Seven Climbs* is a compelling account of Sherwood's efforts to answer a much debated question which are the world's greatest climbs

7 Summits Ed Buckingham, 2016-01-21 Most of us can watch an old episode of the holiday programme *Wish You Were Here* without it having the life changing effect that it had on postman Edward Buckingham For Ed a young man from humble origins in Cornwall the draw of Kilimanjaro and the high mountains of the world would change his life forever It would also very nearly end his life during a fall from high on Cho Oyu the sixth highest mountain in the world Drawn to high places Ed embarked on a journey that would take him to the summit of the highest mountain on every continent His seven summits actually involved ten summits he climbed the highest summit in Western Europe Mont Blanc and the highest in Continental Europe Mount Elbrus as well as summiting Australia's Mount Kosciuszko and the far more remote Papua New Guinea summit of Carstensz Pyramid the highest point in Australasia And of course Cho Oyu In *7 Summits* Ed tells of hardship and near death experiences on Cho Oyu the sheer scale and suffering in being the first Cornishman to ascend Everest as well as his final summit Mount Vinson in Antarctica Ed develops as a man throughout his quest Always humble working hard for the Royal Mail delivering post to fund his trips on his early trip to Aconcagua and on his first attempt on Mont Blanc he is very much a novice mountaineer but his passion for the outdoors and willingness to help his fellow climbers is always there During his fifteen year quest Ed's experience grows particularly in the sub Arctic of Alaska where his ascent of Denali tested his stamina and equipment to the limit At the culmination of his quest he emerges as a capable climber fit and strong and by sheer determination has become a world class athlete running full and ultra marathons climbing mountains and delivering post
