Sun and Cross Jakob Streit,1984 **Sun and Cross** Jakob Streit,2004 **Environmental Values in Christian Art** Susan Power Bratton, **A Celtic Model of Ministry** Jerry C. Doherty,2003 Why is the Christian Church declining in numbers and effectiveness in the twenty first century In *A Celtic Model of Ministry* Jerry Doherty experienced clergyman and Celtic scholar shows that the decline is caused by a crisis of individualism a crisis of faith and a crisis of lifestyle Doherty responds to these crises by providing a Celtic spirituality by way of ministry of early Celtic Christians in Ireland Wales Scotland Brittany and the Isle of Man He provides a model for ministry today in the local congregation and a guideline for the successful future of the Church modeled after the early Celtic communities Doherty applies the model in congregational development studies and ministry He explores the problems that have caused the decline of the Church and how paradigms of ministry in current use are no longer adequate In *A Celtic Model of Ministry* Doherty proposes that a new model for thinking and building ministry today especially in the local congregation may be found in early Celtic Christian communities Churches need to be a spiritual center a learning center and a community center *A Celtic Model of Ministry* uses Celtic spirituality in a practical way for ministry in the local congregation and is written primarily for professionals clergy and church workers but can be easily read by lay people Chapters are *A Crisis of Individualism* *The Solution* *Community Celtic Spirituality* and *Community Creating Community* *A Crisis of Faith* and *A Crisis of Lifestyle* **Spirit and Art** Van James,2002 Stumbling through life gazing at the stars we can miss the greatest treasure beneath our feet For the ordinary faculties of our soul how we think how we feel how we act are the rough and fallen forms of our highest spiritual capacities This book shows how six of these common abilities thinking feeling doing loving opening thanking can be intensified infinitely We already think we can learn to think more deeply more livingly We already feel we can learn to train our feeling life away from ourselves so that we feel the world in its richness We already thank we can learn a depth of gratitude that makes life and love intensely real These exercises are simple but demanding By strengthening our capacity to pay attention they allow us to say the right word and have the fresh thought just when we need to They gradually lead us out of the mire of distraction and confusion and allow us to practice what we need most continual presence of mind **The Globalization of God** Dara Molloy,2015-11-10 Roman Catholicism was the first multinational corporation Preaching was the forerunner of advertising Roman Catholicism created the template for the spread of commercial globalisation through multinational corporations For global Christianity to succeed all local expressions of Christianity had to be suppressed These included Celtic Christianity For 800 years the Roman church tried to break the independent spirit of Celtic Christianity Despite being defeated in 1014 at the Battle of Clontarf the Irish Vikings through their urban bishops were key actors in the imposition of Roman episcopal structures of church throughout Ireland in the 12th century There was an invasion of Norman monks to Ireland which began in 1142 twenty five years before the military invasion in 1167 The ecclesiastical colonisation of Ireland meant that a Roman

episcopal and diocesan structure replaced the Celtic monastic structure Norman colonisers destroyed Celtic monasteries and replaced them with imported European religious orders Cistercian monasteries in Ireland were required to have French abbots and sometimes these were imposed by force no Irishman was allowed to become a bishop or attain any ecclesiastical high office St Malachy of Armagh betrayed his own Celtic heritage and was a key figure in bringing about the ecclesiastical colonisation of Ireland Monotheism is the mythical container for globalization Humans will fail to return to a sustainable way of living on this planet until the mythological container of monotheism is replaced by new bioregional spiritualities that go beyond both monotheism and polytheism *The Shattered Oath* Josepha Sherman,2017-06-06 Eirithan ruler of Sidhe is paranoid about threats to his throne even when none exist Swayed by political intriguers he is convinced that his younger brother Ardagh is guilty of treason His honor falsely destroyed Ardagh suffers the worst of all possible fates banishment to the land of humans He is lost and alone in a world of Christian kings and Viking raiders At the publisher s request this title is sold without DRM Digital Rights Management Christianity and Culture Martin S.
