Sun Hath Looked Upon Me:

Divinity and Satanism and the Human Brains Ramsis Ghaly MD FACS, 2018-06-13 This book is about the human soul existing deep in the heart of the brain This soul speaks to the divine god Jesus Christ meditating while condemning the recent uprise in Satanism As a Coptic Orthodox growing up in Egypt a Christian minority spiritual reflections have become my way of communication with my Lord Being a neurosurgeon has made my faith and understanding in Christianity stronger as I found the connection between humanity and divinity through the human brain In this book the author reflects on divinity and Satanism in the human brain The human soul connects to her Lord Jesus and defines him his love and his words as one to one It covers aspects of the human life span from its birth through its destiny Divinity competes with Satanism to enter within the human mind and brain The ultimate product will determine the fate of each soul after its departure This book contains seventy one chapters which are written as my souls perspective of the Bible brain surgery nature universe and world news While forty three chapters are written about the beauty of our Lord Jesus love sun rose and beloved of the human soul of all people Another twenty eight chapters are written in the memory of the Christian massacred by the darkness

The Spiritual Magazine, and Zion's Casket ,1844 **The TABLETS of the VISION** Harlan Cosner, 2010-03-24 There are five main schools of thought on the biblical prophecies in the books of Daniel and the Revelation They are the historicist idealist preterist futurist and moderate futurist Many books based on these four schools of thought on these Bible prophecies have been written Previous attempts to decipher biblical prophecies set out the prophetic time fulfillments based on incorrect calculations and missed clues This book differs greatly from these as it sets out consistent accurate and indisputable facts that flow from beginning to end of the prophetic vision of God with no time gaps or mystical explanations for unexplained parts of the prophetic vision of the Bible Here is an example of the cipher in the Bible and its decipher In the Bible God through one of his prophets said he would be to Israel as a leopard by the way he observed them The decipher is seen when one has a basic understanding of the leopard and the word of God While lions hunt in prides the leopard is a solitary animal and hunter Being much smaller than the lion the leopard is an opportunistic hunter observing its prey for often lengthy periods before striking It is not written in the Bible that God said he would attack them as a leopard but only that he would observe them as a leopard Thus the lengthy forty year journey he took them on through the wilderness while he observed them There are many more such clues to the cipher of the Bible that are deciphered in this book Also taught in the book is how the Word of God is being perverted How Bible versions thought by many clergy members to be the word of God are actually perversions of it teaching differing and even opposite meanings to what the Authorized King James and Webster Bible Versions teach For example the meaning of just one word in the American English language has been so drastically altered that the modern Bible interpretations and the American constitution lose the true meaning of God's Word when what is now incorrectly classed as a synonym is used in its place Additionally there is now no word in the American

language to take its place and its meaning is critical to understanding the Word of God itself This one word is not the only such word so drastically altered but is only an example A Commentary on the Song of Songs Richard Frederick Littledale,1869 *The Holy Bible, Containing the Old and New Testaments, and the Apocrypha, Translated Out of the Original Tongues: and with the Former Translations Diligently Compared and Revised ...* ,1845 Rainbows at the Shadows of Covid- 19 Ramsis F. Ghaly MD,2022-02-08 This is my third book written during COVID 19 pandemic where I continued to serve unceasing as a practicing Neurosurgeon Anesthesiologist Intensivist and Pain Specialist in the Chicago land area Despite the extreme negative impact of COVID 19 worldwide I kept daily dairy of my thoughts reflections and patients stories over a year since June 2021 As I kept writing while the world is being flooded with the deadly virus and dreadful news I saw the rainbows in the shadows of COVID 19 As in the days of Noah thousands of years ago after the deadly flood of the world and God covenant with man through the rainbow so is the current days of COVID 19 a renewal of the covenant between the Almighty God the Lord and the people The current book shares my rainbows in the shadows of COVID 19 as follow up series of the author two books of COVID 19 The book divides into 20 sections and contains total off 194 chapters The book designates major sections on my continuing education and wellbeing of my residents and students as well as Neurosurgical patients and inspired stories during late phases of COVID It covers most of the ongoing thoughts and essential events from October 2020 through July 2021 during the COVID recovery phase such as Thanksgiving Presidential Election and Inauguration Christmas New Year riots and Vaccination Another section is written to pay tribute to those sacrificed their lives and stood strong against the most horrific virus in the front line The golden lectures, selected from the Penny pulpit Daniel Moore,1858 **Coronavirus the Pandemic of the Century and the Wrath of God** Ramsis F. Ghaly MD,2020-08-25 Towards the end of 2019 I started to feel that the Lord our God had had enough of the stubborn and stiff necked people as their wickedness rebellion and disobedience continued against him and his son These actions were a resemblance of the days of Noah Sodom Gomorrah and Nineveh I felt that Jesus the son of God no longer had a home here on Earth There was no place for him in homes playgrounds workplaces and sadly no home in the churches that worshipped his holy name I witnessed the wrath of God against Satan beginning with the apocalyptic fires in Australia that killed millions of animals and destroyed the beautiful land I began to warn the world through my posts starting on January 5 2020 I knew his wrath would continue this time by way of an apocalyptic pandemic that would kill thousands of people I began to dream about the looming crisis and started to share with the world through my social media I decided to write my first post on January 30 2020 relating to the pandemic calling for a worldwide chain of prayer I knew the Coronavirus pandemic could not be treated and that many casualties could be expected I could feel that God was angry while Satan was elated at the state of our world Following my posts in January of 2020 the Coronavirus COVID 19 pandemic began evolving I continued to cry out to the world but was attacked mocked and threatened as people accused me of spreading rumors I was told to stop as people

said This virus is nothing It s just another flu Others said You re supposed to be a scientist and should know that the seasonal flu takes the lives of thousands every year This Coronavirus is no threat I wished that they all would see what I see and hear what I hear but few did I decided to record all of my thoughts dreams nightmares prayers reflections and predictions about this dangerous and lethal pandemic that the world was trying to dismiss This book consists of 73 chapters across under ten sections contain all of my posts in the order that they were written as well as my notes regarding what I have seen beginning in January 2020 until now including my thoughts on the post pandemic era Some of my predictions have already occurred while others have yet to be seen I believe that the message we should receive from all of this is that the world must look to our God the almighty and his son Jesus our Savior The son shall return and God will lift his wrath as we all go through our journey of repentance here on earth for our salvation lies with the blood of Jesus Only recently I have started to receive calls in which the people that doubted me have apologized that they did not listen sooner They have seen that I knew what was coming and tried to warn them While the Coronavirus pandemic continues I pray that the Lord will have mercy upon our people and upon the face of the earth

The Spirit of Christ in Human Brains and Neurosurgery Ramsis F. Ghaly MD FACS,2018-06-07 There is no doubt in my mind that the Spirit of God is connected to the human brain within the skull The human brain is not limited to the boundaries of the skull Instead it goes beyond the physical barriers of our planet and into the spiritual world My Christian faith as a Coptic Egyptian Orthodox was the main reason I chose to be a neurosurgeon It is in this way how my soul becomes closer to Lord Jesus Christ I have devoted my life and withstood a very long journey in medicine and neuroscience leaving my home country of Egypt and coming to America to strive in the difficult fields of neurological surgery neuroscience and anesthesiology Every day my soul learns more and more about my Lord Jesus I see him in my patients in my surgeries and in my surroundings Deep within the brain lies the Spirit of Christ As the author I explore not only the connectivity of the human brain with the Spirit of God but also the Spirit of Christ in my neurosurgery practice My human brain continues to be both thirsty and hungry for more and more of his eternal love In this present book of sixty five chapters much of my soul I wish to share with you the beloved reader A section is designated to my most recent neurosurgery patients testimonials and experiences Another section reflects upon the biblical words used during President Donald Trumps inauguration and Melanias speech and the presidents visit to the Middle East for peace *The Old Testament According to the Authorized Version: Poetical books, Job to Song of Solomon* ,1896
