Sundown Surprises:

Attack on Minecrafters Academy Winter Morgan, 2017-04-11 It's a new school year at Minecrafters Academy and Lucy is returning this time not as a student but as headmaster. She sets to work preparing the school for the Overworld Academic Olympics, a prestigious competition that will test their combat, treasure hunting, and potions brewing skills. But training is interrupted when an explosion rocks the campus. The school is under attack from a mysterious culprit, and everyone is a suspect. Meanwhile, Julia, a new student at Minecrafters Academy, is having a hard time adjusting to her new life on campus. When she catches her roommate Hallie sneaking around just after the attacks on the school, Julia begins to suspect her. Then Hallie goes missing right before another round of explosions and a massive creeper invasion. It's up to the students and teachers of Minecrafters Academy to track down the villain behind the attacks and protect not just the school but the entire Overworld. As the Unofficial Minecrafters Academy series continues, new friends and sinister new foes will be revealed.

Proclaiming the Parables Thomas G. Long, 2024-03-12 In *Proclaiming the Parables*, noted preacher and scholar Thomas G. Long moves away from past treatment of the parables primarily as literary devices and moves toward an emphasis on their theological impact as pointers to the kingdom of God. While the parables are indeed significant poetic literary creations that have enchanted readers over the centuries, their main power, he claims, lies in their disclosure of the kingdom of God, which is not merely an idea nor even just a complex symbol with generative and centrifugal force, but an event: the inbreaking of the life of God into human history and experience. Long sees parables not merely as creative figures of speech but as GPS devices taking hearers to those places where the event of God is happening all around us. This book provides two chapters for each synoptic Gospel. The first focuses on the Gospel as a whole and the parables' place in it, and the second provides preachers and teachers with detailed exegetical and homiletical commentary for each major parable in that Gospel. Two introductory chapters additionally situate this book in the history and theology of the parables' interpretation and address questions that preachers have about preaching the parables. Preachers who consult this volume will be informed about each major parable, guided through the controversies regarding interpretation, and stimulated to preach on the parable in fresh, faithful, and creative ways.

Journal Discover the untold story of the tractor wars: the twenty-year period that introduced power farming, the most fundamental change in world agriculture in hundreds of years. Before John Deere, Ford, and International Harvester became icons of American business.

they were competitors in a forgotten battle for the farm From 1908 1928 against the backdrop of a world war and economic depression these brands were engaged in a race to introduce the tractor and revolutionize farming By the turn of the twentieth century four million people had left rural America and moved to cities leaving the nation s farms shorthanded for the work of plowing planting cultivating harvesting and threshing That s why the introduction of the tractor is an innovation story as essential as man s landing on the moon or the advent of the internet after all with the tractor a shrinking farm population could still feed a growing world But getting the tractor from the boardroom to the drafting table then from factory and the farm was a technological and competitive battle that until now has never been fully told A researcher historian and writer Neil Dahlstrom has spent decades in the corporate archives at John Deere In *Tractor Wars* Dahlstrom offers an insider s view of a story that entwines a myriad of brands and characters stakes and plots the Reverend Daniel Hartsough a pastor turned tractor designer Alexander Legge the eventual president of International Harvester a former cowboy who took on Henry Ford William Butterworth and the oft at odds leadership team at John Deere that partnered with the enigmatic Ford but planned for his ultimate failure With all the bitterness and drama of the race between Ford Dodge and General Motors *Tractor Wars* is the untold story of industry stalwarts and disruptors inventors and administrators racing to invent modern agriculture a power farming revolution that would usher in a whole new world
