Sunset Beach A Spirited Love Story:

Sunset Beach Trip Purcell, 2002-05-08 For Laura Babson a seven week vacation on Sunset Beach North Carolina's southernmost beach seemed a relaxing way to escape the routines of life as a doctor's wife in a small town For sports columnist Neal Nickelsen an eight week sabbatical on the pristine barrier island promised great things for his golf game But after seeing each other for the first time in more than twenty years they soon discover this summer would be about something entirely different *The Mailbox* Marybeth Whalen, 2010-06-01 Centered on a real landmark on the coast of North Carolina *The Mailbox* blends intriguing folklore and true faith with raw contemporary issues that affect every woman When Lindsey Adams first visits the Kindred Spirit mailbox at Sunset Beach she has no idea that twenty years later she will still be visiting the mailbox still pouring out her heart in letters that summarize the best and worst parts of her life Returning to Sunset for her first vacation since her husband left her Lindsey struggles to put her sorrow into words Memories surface of her first love Campbell and the rejection that followed When Campbell reappears in her life Lindsey must decide whether to trust in love again or guard herself from greater pain *The Mailbox* is a rich novel about loss hope and the beauty of second chances **The Greatest Love Story Never Told** Richard Orion, 2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps should've remained a secret The first book related to this love story was a book of poems entitled *Somewhere Sometime Somehow Love Poems and Short Stories* published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one-sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other *The Spirit of Love* Lauren Kate, 2025-07-01 From 1 New York Times bestselling author Lauren Kate comes a magical time slip love triangle about a man split into two one version young and carefree the other suave but jaded and one woman's quest to reunite his broken pieces Two loves One soul One choice Fenny's got that boss glow Not only did she just have the best sex of her life but she's finally about to direct the TV show she's been a screenwriter on for ten years Only one thing could floor her finding out she's been replaced by a hotshot director named Jude Wait no Two things Jude looks exactly like the guy who just turned her bones to

jelly Same dimples same eyes but he looks older and has a sadness Fenny wants to fix Last weekend Fenny met Sam when he movie style rescued her from a storm on Catalina Island Here he is again just different Can Sam and Jude be the same man And if they are will Fenny s love be enough to put him back together **The North Carolina Historical Review** ,1998

The Lighthouse Keeper's Love OJ LEIGH,2023-09-14 Amidst the relentless turmoil of a remote and storm battered island where tempestuous waves relentlessly assail rugged cliffs a story of extraordinary love unfolds In this untamed landscape where the elements rage in symphony dwells Hanna a resolute lighthouse keeper who has found purpose in taming

the very tempests that lash the desolate shores One fateful day destiny's capricious hand intervenes delivering a shipwrecked sailor into Hanna's care Santana an enigmatic figure with no recollection of his past emerges from the wreckage like a blank canvas awaiting the brushstrokes of forgotten experiences As Hanna nurses Santana back to health and aids him in piecing together the fragments of his lost life an unspoken bond takes root between them Their vulnerabilities converge and in each other's presence they find solace transcending the constraints of language time and memory Together they embark on a journey through the island's wild beauty unearthing concealed treasures amidst the untamed terrain Amid moments of tenderness and understanding they uncover the profound comfort that accompanies shared experiences Yet beneath the surface of their burgeoning connection lurk the shadows of Santana's missing memories As their lives entwine like the turbulent currents of the sea they are unable to evade the specter of Santana's forgotten past Confronting the secrets that could rend them asunder they grapple with their deepest apprehensions Their choices will determine whether the unbreakable bond they've nurtured will endure the trials they face or if it will fracture irreparably The Lighthouse Keeper's Love weaves a narrative of tenacity absolute and the enduring potency of love to serve as a guiding light through the bleakest hours Join us on an odyssey brimming with emotions as tumultuous as gusting winds and a love that radiates as luminously as the beacon from the lighthouse's tower
