The Dissenting Academy:

The Dissenting Academy Theodore Roszak, 1969 The Dissenting Academy. Ed. by Th. Roszak. [With Contribs of Th. Roszak, L. Kampf, S.M. Rosen A.o.]. Theodore Roszak, L. Kampf, S. M. Rosen, 1969 The Dissenting Academy. Edited by Theodore Roszak Theodore Roszak, 1969 *The Dissenting Feminist Academy* Gisele Marie Thibault, 1987 This book is a general statement about universities and about the universities response to and interaction with feminism From the late nineteenth century to the current decade feminists have confronted the university structure infiltrated it as they have resisted and rejected it Within the parameters of this tension and contradiction feminist scholarship has paradoxically transformed the nature and content of academe while it has fought against the barriers higher education has imposed to both feminist philosophy and to women In this analysis the author explores how such a contradiction was manifested in the mid to late nineteenth century university in the late 1960 s and in the 1980 s in the modern research university in North America She examines how the university as we know it politically economically and socially implements women s subordination through its institutional polity its academic disciplines and its ideological aerobics in promoting the private public spheres Finally the author boldly suggests that the dissent of feminism offers perhaps the greatest and the most plausible alternative both to the ills which beset the contemporary academy and to the future of academe In a word such an academy must be created or face intellectual extinction not just for women but for humanity *Bulletin of the Atomic Scientists* ,1968-11 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **The Dissenting Academy** Theodore Roszak, 1969 **The Dissenting Academy** Theodore Roszak (ed), 1969 Dissenting Academies in England Irene Parker, 1914 *Dissenting Academies in England* Irene Parker, 1914 Philosophy, Dissent and Nonconformity, 1689-1920 Alan P.F. Sell, 2009-11-01 This is a pioneering study of philosophy in the English and Welsh Dissenting academies and Nonconformist theological colleges from the Toleration Act of 1689 to 1920 The author discusses the place of philosophy in the curriculum and the philosophical works published by tutors professors and alumni among them Isaac Watts Henry Grove Richard Price James Martineau and Robert Mackintosh It is shown that particular attention was paid to natural theology moral philosophy and apologetics and some of the ideas propounded are of continuing interest This important book will interest historians of philosophy of the Church and of education
