The Divided Union The Story Of The American Civil War 1861 65:

The Divided Union Peter Batty, Peter J. Parish, 1988 **The Divided Union** Peter Batty, Peter J. Parish, 1987 A fine popular history of the Civil War notable both for its clarity excellent illustrations The Divided Union ,2005 The Divided Union is a gripping account of the bloodshed and horror of the American Civil War the birth of democracy and the beginning of modern day America From the origins of unrest between North and South to the specific events of the War and the eventual assassination of Abraham Lincoln the programme focuses on the far reaching implications for black civil rights Together with lavish infantry and cavalry battle re enactments the DVD includes a fascinating collection of photographs from the Civil War and from the twentieth century **The Divided Union** ,1987 Divided Union Peter Batty, 2009 The Divided Union is an account of five of the most dramatic and tragic years in the history of the United States of America The fledgling superpower pitted families and neighbours against each other in a war concerned with the most fundamental of human motivations freedom identity and nation While great leaders like Abraham Lincoln and Ulysses S Grant found their moment millions of ordinary Americans suffered terribly and more were killed than during the First and Second World Wars combined The victory of the North determined the indivisibility of the Union and ensured its development as a nation yet deep scars remained and the ideals outlined by Lincoln in the Gettysburg Address failed to become a blueprint for the modern USA This is an accessible and compelling account both of the conflict itself and of its wider implications *The American Civil War* Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience The Divided Union Peter Batty, Peter J Parish, 2011-11-08 The Divided Union is an account of five of the most dramatic and tragic years in the history of the United States of America The fledgling superpower pitted families and neighbours against each other in a war concerned with the most fundamental of human

motivations freedom identity and nation While great leaders like Abraham Lincoln and Ulysses S Grant found their moment millions of ordinary Americans suffered terribly and more were killed than during the First and Second World Wars combined The victory of the North determined the indivisibility of the Union and ensured its development as a nation yet deep scars remained and the ideals outlined by Lincoln in the Gettysburg Address failed to become a blueprint for the modern USA This is an accessible and compelling account both of the conflict itself and of its wider implications **The Divided Union** Peter Batty,1987-10 Tying in with a five part Arts Entertainment TV series to air this fall this fascinating book contains both original and specially commissioned photographs of the Civil War 60 full color and 190 black and white photographs 5 maps

Historical Dictionary of the Civil War and Reconstruction William L. Richter,2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume Historical Dictionary of the Civil War and Reconstruction looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction *The A to Z of the Civil War and Reconstruction* William L. Richter,2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history
